Dedication

MISS ANNIE IVEY

If you want to know what Mission Action is, may we introduce you to Miss Annie Ivey. On November 18, 1907, this captivating personality graced this earth, and the Burlington area has not been the same. Annie was graduated from Burlington High School and attended Burlington Business College. In 1940 she entered the Woman's Missionary Union Training School in Louisville, Kentucky. From that experience she began her journey on the road to royal service.

Her first employment was as Educational Director at Bayshore Baptist Church in Tampa Florida. From 1943-1957 her paths led her to become the Goodwill Center Director of the Miami Baptist Association. Her work in the Raleigh Baptist Association and her leadership as Youth Director in the Atlanta Baptist Association included responsibilities working in the low income areas, teaching kindergarten children, and directing clubs for older children and adults.

In 1954 Miss Annie was appointed by the Home Mission Board. In 1957 she established a home for elderly people, provided a home for unwed mothers and worked with Jewish people. She returned to Burlington in 1970, and in 1977 volunteered to serve in Israel for one year.

The Burlington area knows the way to Miss Annie's home. From there she goes to serve in her community and to find her place among the migrants in Caswell, Person, Orange, and Alamance Counties. She terms her service "a pleasure:" calling upon churches for supplies, being a friend, encouraging a closer relationship with God, sharing the problems of a moving people.

Miss Annie says, "Other nationalities have been a concern for many years. I am proud to call several my friends. I hope to reach them as long as I live."

To this delightful, energetic servant of the kingdom we dedicate the 1986 book of minutes. We thank our Father upon every remembrance of her, for she has shown us what it is to be "laborers together with God."

43. Judy Ritchie led congregation in singing "Blessed Assurance."

44. Special music was provided by the Exultations, a Young Adult Ensemble from Grove Park, under the direction of Rodger Roach, Minister of Music and accompanied by Pat Lane.

45. Moderator Hearne recognized the Reverend Curtis Tyler, pastor of Mars Hill Church for the Annual Associational Sermon. Using Luke 24:13-35 as a text, Reverend Tyler focused his remarks upon "Concerns for Christian Living." He emphasized the importance of an attitude of expectancy and excitement as we seek to discover and follow God's Will.

46. Following the Annual Sermon, Moderator Hearne gave the benediction.

Quarterly Business Meetings

The following is a condensation of the January, April and July 1986 meetings:

ON JANUARY 13, 1986, Brookwood hosted our meeting with Tommy Hearne, Moderator, presiding. Rev. Randall Speer was recognized as new pastor at Fellowship Church. Howard Silver also announced that Jim Nelson was new pastor at Colonial Hills. Howard Callahan of the Membership Committee read a letter recommending that Kerr's Chapel be received into the watchcare of Mount Zion Association and into full membership at the annual meeting in October, all pre-requisites for watchcare having been met. A motion was made by Terrell Duncan, Northside, and seconded by W. W. Donaldson, Fellowship, that this recommendation be accepted. The standing vote was unanimous. A delegation from Kerr's Chapel was present. Roy Taylor, Evangelism Chairman, gave an update on "Good News America, God Loves You" simultaneous revivals to be held in the spring. Howard Silver announced a dedication service planned for Sunday afternoon, January 19, 1986, at Alamance Cable Company offices to dedicate the telecommunications equipment purchased by churches participating in ACTS. Felton Massey, pastor of Glencoe Church, delivered the doctrinal sermon entitled, "The Doctrine of the Fullness of God."

ON APRIL 14, 1986, association met at Mount Adar Church with Tommy Hearne, Moderator, presiding. W. W. Donaldson, reporting for Curtis Tyler, Finance Committee,

made a motion that the association's budget be increased in the amount of \$600 to provide funding for an association-wide Evangelism Conference in September. Motion was seconded by Joe Hicks, Mount Zion Church, and carried by messengers. Maynard Ellington, Missions Committee Chairman, made a motion that our association develop and implement an organizational and administrative structure that will enable and encourage Christian groups and individuals other than those from Mount Zion Baptist Association to participate fully in the support and direction of the Prison Ministry provided to Alamance and Orange Prison Units. Motion was seconded by Charles Lemley, Mebane First, and carried by messengers. Mr. Ellington also made a motion that an associational food supply be established at Northside and that donations be received from churches in association. Motion was seconded by Roy Taylor, Grove Park, and carried by vote of messengers. A slate of officers was presented and accepted with three new positions included. A representative for each of the following institutions will receive mail and report pertinent information to the churches: Baptist Hospital, Baptist Children's Homes, and Baptist Homes. A list of committee members was presented and accepted. Rev. Jimmy Nickelston, new pastor at Alamance, and his wife were welcomed into association. Attendance at Sunday School Kickoff Banquet, VBS Clinics, and State WMU Convention was emphasized. Tom Barton, Layman, spoke on "Where Do We Go From Here - Evangelism." Joe Hicks, pastor of Mount Zion, emphasized that it is impossible to have an evangelistic church unless the pastor and laity work together. Roy Taylor shared his conviction that evangelism is the heartbeat of the local church.

ON JULY 14, 1986, Nall Memorial hosted meeting. Fred Hilder, new pastor at Moore's Chapel, and Kenneth Barker, new Prison Chaplain, were welcomed. Motion was made and carried that the association authorize the Coordinating Council to employ an attorney to make a thorough review of the association's constitution and what - if any - are the liability implications thereof, and also to make a review of the association's liability coverage to insure that adequate coverage is maintained. Special music was provided by Omar and Misael Miloa, two Baptist University students from Honduras. Messengers voted to allocate approximately \$300 for Budget Review and Explanation Dinner Meeting. Messengers also voted to provide up to \$800 for furniture for associational office and \$500 to buy used mimeograph machine and stencil cutter for associational office. Key Leadership Conferences were held for clerks, S.S. workers, Church Training workers, Music Directors, W.M.U., Evangelism, Brotherhood, and Youth Workers.

History of Kerr's Chapel Baptist Church 1986

Few Baptist churches have the early historical aims claimed by Kerr's Chapel located in lower Caswell County, a church whose beginning came on September 9, 1843, when Calvin Graves, Clerk of the Trinity Baptist Church, wrote that 24 members at Sycamore Grove were given permission to organize into a separate church. This group of members had constituted a right arm for the Trinity Baptist Church.

Though it came at a time when our state showed remarkable progress under Gov. John M. Morehead, the move to become a separate organization was fostered from both physical and spiritual directions. One had to do with the people desiring the convenience of having a church built their own community, but the outstanding motive centered on education and missions as a mandate of the Master.

Those members constituting the congregation of the newly formed church were: Hosea, Isabella, Malipa, Margaret and Emely McNeile; Nancy Cornelia, Mary and Sara Lea; Andrew and Martha Aldrige, Sarah, Martha and Elizabeth Pleasant; William I. and Mary E. Moore; Druery Richmond; Abner Miles; James and Frances Melton; Alverson Howard; Christopher and Isabella Brooks and Frances Kerr.

The early Sycamore Grove meeting house was a simple log room built to accomodate its small congregation on a mill road in the wooded area adjoining the farm of Peter Somers who is said to have donated the land. A year later, in 1844, a new meeting house was built near the Stoney Creek Post Office with the name changed to "Kerr's Chapel" in memory of Rev. John Kerr, a former Congressman and popular minister in both Virginia and North Carolina. It was a framed building with galleries on either side and the galleries remained until about 1892 when they were replaced with new pews in 1894. This building was torn down in 1957. Old pews and the pulpit have been refinished and are in use today.

It was common knowledge that about a decade earlier than the church construction there had been strong debates among the "Primitive" and "Missionary" Baptists who held different views on missions. John Kerr, in the middle of the discussions, was strong in his faith about missions, and he became concerned that his people back home would forget or neglect the paramount cause of missions. This man's belief in missions had a profound effect on those first members of Kerr's Chapel which during the past year, 1986, has petitioned to become a member of the Mount Zion Baptist Association and is now under the association's watchcare until October of this year when the group convenes for its annual meeting.

The new congregation was not long in organizing groups for the church with the first Sunday School organized in 1864 with the program of the church centering on education and missions. The outstanding personality in connection with Sunday School was Jim Underwood who was said to have walked six miles to the building to prepare for the students' arrival and from time to time would have only his son to teach. He remained steadfast in his desire for an active, growing Sunday School which today numbers over 100 persons.

The Woman's Missionary Society was organized in 1929 and the YWA in April 1939 with 12 members. The current membership in BYW has grown to 16 members who took the lead in beginning the first Mission Friends group in March 1983. Current mission education is being given for young people through the youth group. The influence of an early leader, John Kerr, is felt today, and on May 16, 1943, Kerr's Chapel celebrated its 100th anniversary with the reading of its history by Mrs. Frances S. Scott.

For many years there was worship service only on the third Sunday of each month, sharing a pastor with churches at Yanceyville, Trinity, Thompsonville and Baynes, the latter being

organized by members from Kerr's in 1912 in order for its members there to have a place of worship near their homes. When the churches decided to have full-time pastors, Baynes and Kerr's completed a parsonage at Baynes in 1949, with the two churches remaining together until 1976 when both churches called full-time pastors and Kerr's completing their new parsonage.

In preparation for a new church, a ground breaking ceremony was held on September 18, 1955, with the present building completed in 1957. The first worship service was held in the new building on March 17, 1957, when the Rev. J. R. Byerly presided. Continued progress highlights the church history: a new organ installed in 1973, the steeple added in 1974, the air conditioning system completed in 1975, the cemetery fund changed to "Kerr's Chapel Memorial Trust Fund" in 1974. With the land donated by James Kerr, Alvis Lea and the Dr. Floyd Scott family, a total of 23 acres is owned by the church with plans for it to be used for the glory of God.

Two persons from this congregation have answered the call to the ministry: Jack Lackey and Doug Smith. Mr. Jimmy Rice serves as Sunday School Superintendent and Mrs. Patsy Jeffries is Director of the WMU while Mrs. Joan Byrd directs the Baptist Young Women. Organist is Mrs. Tommie Stanfield and Mrs. Pam Ward serves as pianist for the church membership that has now reached 201.

Deacons currently serving Kerr's Chapel include: Elbridge Boswell, Staley Boswell, Ronnie Boswell, Jack Lackey, Glenn Fuquay, Steve Stanfield, Tommy Patillo and Wilson Byrd.

Our pastors through the years have been: John Roberson (1842-45), Elder Stephen Pleasant (1847-50), Elder Elias Dodson (1851-59), F. M. Jordan (1859-71), F. H. Jones (1871-75), J. H. Mable Lassiter, Historian

Director of Missions Report

Sir Wilfred Grenfell, English physician and beloved missionary to Labrador, used to appeal for a Christianity of "Action, not diction."

Without any desire whatsoever to disparage "diction," that is; preaching and teaching, it seems to me that a Baptist association is uniquely gifted for Christianity that is active. Few, if any, Baptist organizations lend themselves more readily to a Christianity of action than does a Baptist association.

Christianity in action well describes the ministry of your association since last we met in annual session. Your association is actively involved in no fewer than 13 different aspects of Christian ministry right in our own "back yard." We are profoundly grateful to the pastors and people of our churches for their trust, support, and personal participation. They are the ones who make it all possible. Without them your association could do little or nothing.

Our newest efforts to minister - The Truck Stop and Flea Market Ministries - have grown in support and participation. That there is room for these ministries to develop further is obvious, but significant progress has been made in the past year.

Our Prison Ministry has a broader base of support and participation than at anytime since its beginning in February 1982. Through August of this year we have received financial support from 11 churches or church groups which are not a part of our association. Moreover,

representatives from these churches are now working with us to develop a broader base of support for the prison ministry.

The Reverend Kenneth Barker became Prison Chaplain in June of this year. He brings a unique combination of giftedness, dedication, and experience to this work. His ministry has already earned the respect and admiration of prison inmates and prison staff-personnel alike.

Your association, in cooperation with Allied Churches of Alamance County, is working faithfully to provide a shelter for the street people of the Burlington area. The Reverend Phillip Norwood is providing excellent leadership for this effort, and prospects for having the shelter in operation this winter are promising.

Our student ministry at Elon College, under the capable guidelines of Joe Bounds, is stronger than ever. We hope to reach many students on the Elon Campus and encourage their Christian growth and involvement ministry activities.

Our Center for Continuing Christian Education, under the wise and dedicated leadership of Dr. Roy Taylor, has more students this year than at anytime since it began. This ministry offers unparalleled opportunities for disciplined growth - especially for church leaders.

Our Acts Ministry (American Christian Television System - S.B.C.) carried on Cable Channel 25 in Burlington and Mebane is on the verge of being able to carry programming produced locally in associational churches. The possibilities of this ministry are limited only by our faith and commitment. ACTS offers a fresh and viable alternative to viewers of religious programs.

Plans are underway now to offer an unusual opportunity for our churches to enlarge and improve their Sunday Schools. Through the superb leadership of Rev. Steve Hardy, Bob Stephenson, Robert Putt and Mike Timmerman, churches will have the privilege to participate in a Sunday School Enlargement and Training Clinic in the spring of 1987. About 30 of our churches will participate in this effort. The health and strength of our churches depend in no small way upon our Sunday Schools, and the record indicates that we need to do all we can to improve our Bible Teaching ministry.

Thought and consideration are being given to providing an areawide evangelistic crusade in the spring of 1988. While much work remains to be done in this regard, it is altogether worthy of our prayer and support.

With the coming of the new interstate highway to Hillsborough, the entire area is growing and developing rapidly. First Church of Hillsborough is working diligently to begin a new mission in a strategic area. We commend the Hillsborough congregation for its vision and commitment, and we pledge our full support to this important work. Other churches in our association may want to consider providing financial support over a period of one to three years, thus enabling the new mission to have all the resources it needs.

We are pleased with the response to the first Annual Offering for Associational Missions. Our churches gave \$3,431.03 for this offering, and it is helping to provide a sound financial base for future associational missions. Should God so lead, the Special Offering for Associational Missions holds much promise for a strong and active missions ministry in the years ahead.

These and other ministries, such as: Literacy - ministering to the functionally illiterate, Migrant - ministering to the stranger in our land, and providing emergency food and clothing for the hungry and destitute, have been a vital part of associational missions during the last year.

In view of their tireless efforts and their unending faithfulness to missions a special word of thanks is due to the Ladies of Woman's Missionary Union. More than any other single group, these ladies make missions happen in Mount Zion Association. We gladly recognize our indebtedness to them and express to them our heartfelt gratitude.

Ours is a generous association, and the response made to a crucial situation in one of our Pastor's family was gratifying. Few things are more encouraging to us than to know that we don't have to face life's tragic situations alone. Moreover, there is nothing more authentically Christian than when we throw arms of support and compassion around each other in times of suffering and need.

We urge our churches to adopt officially the New Annuity Program of the Southern Baptist Convention. Each church needs to take official action and notify the Annuity Board.

The New Annuity Program will provide greater security during the retirement years of pastors and church staff members. Your association and the Baptist State Convention have already taken official action on this matter, and we hope each church will do so this year.

A new Covenant Relationship with Wake Forest University will be presented to the Baptist State Convention during its meeting in Greensboro, N.C., November 10-12, 1986. The full text of this new relationship is found on page 31 of this book of Advance Reports. We urge you to read and study the New Covenant proposal, and to be informed regarding the changes that will be recommended.

Likewise, there will be a recommendation concerning Fruitland Bible Institute. At this time Fruitland is a missions ministry. If the new recommendation is approved, Fruitland will become an agency of the Baptist State Convention - having its own Board of Directors.

In conclusion, I affirm and express gratitude to Ken Barker, Ann Perry, and Mona Silver of the associational staff. It is my privilege to minister with them. Their dedication and cooperation is admirable, and I am honored to have them as my colleagues in ministry.

Respectfully submitted,
J. Howard Silver

Missions Committee Report

We have seen God's answer to prayers in several areas this year as we sought God's guidance for the future in Prison Ministry; the flea market, and the truck stop ministries.

The answer came in Mr. Ken Barker's coming as our prison ministry chaplain. Abundantly qualified and committed for this ministry, Ken is being used by God in very meaningful ways. We praise God for His leading and providing in this area.

A permanent booth for Mount Zion at the flea market at I-85 and Buckhorn Road is another example of how God is providing for this ministry. We are finding that many people are eager to get their own copy of God's word, which is being handed out to everyone who desires to have one.

The facility for "Right Turn Trucker's Chapel" at the Red Horse Truck Stop is the result of God's leading in the hearts of many people who have worked to see this become a reality. Thanks to many volunteers also who are responsible for the continuing ministry to the trucking public who have a place to come and pray, talk with a Christian friend or share a need or matter of concern with a caring person.

Some exciting things are happening in the Hillsborough area which are presenting some significant challenges for new work.

The First Church in Hillsborough has been given some property in what is perhaps one of the fastest growing areas in North Carolina, between I-85 and the new I-40 South of Hillsborough. This property has been given for the purpose of starting a mission church of First Baptist, Hillsborough.

This location is already a prime community with several hundred families located there with no church in the vicinity.

Only a mile away, lies another large development of several hundred new dwellings.

However, to the north of Hillsborough, a huge development has already been approved consisting of 600 homes. No church is now located near this property.

With the new I-40 connecting link to I-85, it is felt that Hillsborough will become a primary "residential satellite" for the Research Triangle area.

What an opportunity! What responsibility!

Perhaps this challenge is bigger than any one church can meet.

As an association, we must respond to these opportunities if we are serious about getting the Gospel out to the masses.

We strongly urge individuals and churches to come to the aid of Hillsborough First Church with whatever commitment the Lord may lead you to make.

Please join in prayer about our involvement in these exciting times of outreach and growth in the Mount Zion Baptist Association.

Maynard Ellington, Chairman
Missions Committee

Prison Ministry Report

I assumed my duties as the chaplain to the Alamance and Orange County Prison units on June 16, 1986. My work thus far has been that of maintaining the present programs and efforts, establishing relationships with inmates and staff and increasing the base of support for the prison ministry.

This past year the lives of many inmates and their families have been touched, and I can say unequivocally for the better because of the efforts of Mount Zion Baptist Association and its involvement in prison ministry. Through worship, informal chats, pastoral care and pastoral counseling men have made professions of faith, rededicated their lives and made life changing decisions and attitudes. Associational churches continue to provide worship leadership and experiences along with other denominations. Baptist WMU groups held 24 birthday parties for the men at each unit during the year. During the past year a new Bible Study was begun at the Alamance Unit.

I have tried to further the ministry by establishing relationships with the inmates and staff and thus gain their trust. In so doing I hope to establish the climate for positive and fruitful ministry to take place. I feel this trust and atmosphere is developing.

My efforts have been concentrated in the areas of pastoral care and counseling. In doing so I hope to establish relationships that will serve to broaden personal insights and awareness to enable the men to lead more wholesome, healthy and productive lives. In the process of counseling old wounds are healed, reconciliation with God, themselves and others takes place, and alternative behavior is learned. I have averaged 14 counseling sessions and 23 visits per week.

With the help of state prison officials and Dr. Silver the base of support is increasing. There have been several promotional meetings as well as numerous individual meetings with ministers and leaders of other denominations in order to expand the ministry at each prison unit.

The needs of those incarcerated and the proposed plan of organization that would place the prison ministry on sound ecumenical footing has been presented to area churches and churches of the Chapel Hill/Carrboro Ministerial Association. These efforts are showing positive results thru contributions but more importantly on September 16, 1986, an Executive Board was established to spearhead the move toward interdenominational support and cooperation.

We are moving in the right direction with God's help and guidance, but much needs to be done to carry out God's work at the units.

I have set a goal of trying to meet with at least two interested groups or individuals each week in an effort to promote the prison ministry.

I feel that the future of the prison ministry looks good. I hope to provide a more viable ministry not only for the inmates themselves but for their families as well. I envision our being able to spend time with family members individually in an effort to provide some emotional support and understanding to their specific situation. I hope to establish a support group for the wives of those incarcerated as well as counseling. If there is an expansion of personnel, I envision some type of follow-up ministry and support for the inmates once they are released from prison.

In closing I would like to add that I am proud to be associated with a group of people committed to missions, to caring, understanding and compassion. The ministry at the prison units is evidence of those characteristics. Thank you for your continued support.

Respectfully submitted,
Kenneth Barker, Chaplain
Alamance/Orange Prison Ministry

Christian Social Ministries Report

The first nine months of the 1986 calendar year have brought with it many challenges and opportunities. Our association is constantly aware of the many needs, both physical and spiritual, of the persons around us.

During this year, our flea market has distributed over 1,000 Bibles. In addition, we have given away gallons and gallons of Kool-Aid and ice water along with thousands of tracts, scripture portions, and other religious materials. On an average Sunday afternoon over 200 balloons are handed to the children. We have learned through conversations with the persons who come by the "Oasis" that a large number of the homes in our area do not have Bibles or any other religious material. Our booth at the Buckhorn Jockey Lot and Flea Market is now open all day on Saturday and on Sunday afternoons.

The Burlington Literacy Group is now about 30 active members strong. Beverly Alford is currently serving as chairperson. A Laubach Literacy Training Session was held in early May and gave us 10 new tutors, who are already busy with students.

As an extension of our prison ministry, I serve as secretary of the Community Resource Council. This is an ecumenical group of concerned persons that works toward making the programs at the local prison unit more productive to the inmates and to society. This group, with the help of our local churches provided refreshments at the Alamance unit for 'Family Day' which was a day set aside by the governor to recognize the families of inmates.

In cooperation with Northside Baptist Church, the association has established a food pantry. Northside is providing space and helps monitor the needs. Thus far the churches and the North Carolina Baptist State Convention have provided the needed supplies.

Over 300 migrant kits were presented to the migrants as they came to our area during the working season. In addition to the regular personal health kits, we also made some first aid kits. This suggestion came from Mr. Thurman Graves of the Employment Security Commission. The Annual Migrant Picnic was held on July 20 at Bushy Fork Community Center with approximately 150 migrants in attendance. This year, we tried an American style picnic with hamburgers, etc.

Several of our young people were able to assist with the ministry at the Prospect Hill Health Clinic during the summer. The adults took the younger mission members to help 'play' with the children while the parents saw a doctor.

The primary concern for the ACAC group has been a shelter for the street people in the Burlington area. This attempted ministry continues to run into stumbling blocks, however it is still very much alive in the working minds of the ACAC members.

One of the newer programs offered by OCIM is a job finder service. OCIM posts the names of the unemployed and the prospective jobs that are available in the area to help the two get together.

Several of the Mount Zion Baptist Association's churches were involved in the 1985 CROP Walk, bringing in over \$12,500 for the hungry persons of the world. Most of these same churches plus several others have signed up to walk in 1986.

There are many mission opportunities awaiting us in the coming year. Continue to pray with us that we will be able to meet the needs of those persons around us.

Ann Perry, Director

Campus Ministry Report

We are thankful for the leadership of Susan Bennett, former Minister of Youth at First Baptist Graham. Since the ending of the last school year Susan Bennett has been called to First Baptist Church, Cary, North Carolina.

This year Joe Bounds, Minister of Youth and Senior Adults from Glen Hope Baptist Church, will serve as the Baptist Student Union Director at Elon College.

This year the Baptist Student Union has a vision of growth in numbers and leadership. The students are enthusiastic about plans for this year. Some of the plans for this year are: to have a newcomer's retreat; to start mission teams to help minister in local churches; to raise money to help fund student summer missions; and to sponsor a campus wide outreach ministry.

Joe Bounds, Director
Elon College, Baptist Student Union

Sunday School Report

The Steering Committee for our 1987 Mount Zion Associational Sunday School Enrollment Training Clinic has been hard at work this year laying the foundation for what we anticipate being a successful clinic next year. The Enrollment Training Clinic will be a major Sunday School effort with the multiple goals of 1) increasing our Sunday School enrollments, 2) increasing average Sunday School attendance, 3) improve the skills of our Sunday School workers, 4) and beginning an ongoing awareness of the role of Sunday School in church growth and evangelism. We anticipate that about 75 percent of our churches will participate in this particular effort. This will be a combined effort of our churches, the Mount Zion Baptist Association, Baptist State Convention of North Carolina, and Baptist Sunday School Board. Because this is such a major emphasis that will require so many human and material resources we are requesting that churches clear their calendars of major events (e.g. revivals, Family Life Conferences, Lay Renewal Weekends, etc.) one month prior to and following the Enrollment Training Clinic which will be held March 28 through April 5. We encourage all churches to participate in this important event and urge your church to do so if you have not already committed.

Respectfully submitted,
Steve Hardy, Chairman
Enrollment Training Clinic

Ordination Committee Report

The Ordination Committee met once during this associational year. It was the unanimous decision of the committee to recommend that the following candidate be ordained into the Gospel Ministry.

David Turner - Moore's Chapel

Church Training Report

Because of the fact that each church adapts resources, time schedules, etc. to meet the training needs of its members, Church Training is different in each church. This is one reason it is difficult to compile any statistics that accurately reflect the training taking place in our churches. However, using the annual letters to the association, the last year showed an increase in both total Church Training membership and in churches having and reporting a Church Training program.

"M" Night, held at Mebane First Baptist Church on November 25, 1985, was attended by 50 persons representing nine churches, a good increase in both attendance and churches represented over the previous years. Provision was made through an area seminar held at First Baptist Church, Greensboro, for training of teachers for the study of "The Doctrine of the Laity." First Baptist Church, Mebane, was again represented at the State Children's Bible Drill, with four children receiving certificates. Some other churches have expressed an interest in having a Children's Bible Drill next year and have received the drill material.

Respectfully submitted,
Kathryn Ellington, Director
Associational Church Training

Evangelism Committee Report

The thrust of the Evangelism Committee's work for this year has been equipping believers for outreach. The first Annual Associational Evangelism Conference was implemented. For those who participated, the challenge was clear -- if the lost of our community are won to Christ, it will be the result of our mandate from the Lord -- go and make disciples.

Our long-range plans already have us involved in the planning stages for an areawide crusade in the spring of 1988. We ask all the churches in the Mount Zion Baptist Association to join us now in prayer and commitment in regard to this all out endeavor to win this community to Christ.

Respectfully submitted,
Roy P. Taylor, Chairman
Evangelism Committee

Place and Preacher Committee Report

The Place and Preacher Committee on the Mount Zion Baptist Association makes the following recommendations:

That the January 12, 1987, Quarterly Associational meeting be held at Graham First Baptist Church; that the April 13, 1987, Quarterly Associational meeting be held at Kerr's Chapel; that the July 13, 1987, Quarterly Associational meeting be held at Haw River First Baptist Church; and that the One Hundred Eighteenth Annual Session be held at Burlington First Baptist Church on October 19, 1987, and at Cross Roads Baptist Church on October 20, 1987.

The committee further recommends that the doctrinal sermon be brought by Rev. Steve Hardy with Rev. Steve Rumley as alternate; and that Rev. Phil Norwood deliver the annual sermon with Rev. Kay Crawford as alternate.

Respectfully submitted,
Phil Norwood, Chairman
Place and Preacher Committee

Youth Ministry Report

This year the Associational Youth Ministry will provide the following workshops and events.

- 1) This fall there will be a Youth Workers Workshop for everyone who ministers or teaches youth in a church related function.
- 2) In the winter there will be a Preventive Youth Suicide Workshop.
- 3) In the spring there will be a two day Evangelistic Youth Rally.
- 4) The summer event has not yet been planned.

If I can be of any help in the area of Youth Minister this year please call.

Respectfully submitted,

Finance Committee Report

On behalf of your Finance Committee may I extend to each church of the Association our heartfelt thanks for your response to our 1986 needs. It has indeed been a good year financially.

The Finance Committee met several times over the course of the year to deal with Associational financial matters and, of course to prepare a budget for your approval for the fiscal year of 1987. Several items were brought before the association and these may be found in the minutes of those meetings located elsewhere in this book of reports.

For this Annual Meeting the Finance Committee asks that, in addition to the proposed budget, the association consider the following:

- 1) The date for receiving the Annual Associational offering be changed from the first Sunday in May to any Sunday in June.
- 2) The Associational offering for 1987 again be designated for Associational Capital Funds.
- 3) The Association establish an Endowment Fund.
- 4) The Association authorize the formation of a special appointed committee, comprised of five persons to assist individuals, families and churches with estate planning; and also to receive and manage any gifts or bequests that might be forthcoming to the association.

Respectfully submitted,
Curtis Tyler, Chairman
Finance Committee

World Missions Conference Report

During the period October 26 through November 3, 1985, Mount Zion Baptist Association held a World Missions Conference. Through the diligent work of a very dedicated committee this conference was an overwhelming success. Most of our churches participated in the conference and we were blessed to hear representatives of our Foreign Mission Board, Home Mission Board, and Baptist State Convention. It is the prayer of the World Mission Conference Steering Committee that this exposure to our Baptist Mission endeavors at home and abroad will have long lasting results in our churches.

The goals for this conference were to ask the Lord to call into His service full-time missionaries and missions volunteers. We also were seeking to increase our churches financial involvement in missions through exposing church members to the ministry of those missionaries who were with us for this conference. It is the sincere hope of the Steering Committee that our local missions organizations also received a shot in the arm through this involvement and that our churches received a new vision for missions.

If we are to reach our bold mission goals of increasing the staffs of our State Convention, Home Mission Board, and Foreign Mission Board, and of proclaiming the Gospel to the whole world by the year 2000 the churches of the Mount Zion Baptist Association must take seriously our role in these endeavors. Long after our World Mission Conference is over we must increase our prayers, increase our giving, and most of all increase our going.

Respectfully submitted,
Steve Hardy, Chairman
World Mission Conference

ACTS of Alamance, Inc. Report

Currently, ACTS of Alamance, Inc. owns and has in operation a satellite receiving dish capable of receiving the ACTS network from Fort Worth, Texas and distributing it on channel 25 on Cablevision of Alamance County. This provides 24 hours, seven days each week of religious and family programs that meet a variety of viewer needs.

Before the end of fiscal year 1985-86, the board will have operational the capability for local insertion on channel 25. This opens up many new possibilities for us as we see ACTS become a local ministry to our community in meeting its needs. The Board continues to plan and look for ways to increase our local production capability which is now very minimal.

Also, this year the Board voted to increase the representation of member churches. Now the representation is two Board members for every 500 resident church members of participating churches or part thereof, and two members-at-large from the association. In addition, the Director of Missions is a voting member of the Board.

Thank you, the churches of the Mount Zion Baptist Association, for your continued support of this ministry. We look forward to an exciting year of growth.

Respectfully submitted,
Bobby Dobbs, President
Acts of Alamance, Inc.

Woman's Missionary Union Report

Multiply the Vision was our missions theme for 1985-1986. Our watchword was found in Colossians 1:6 NIV, "All over the world this gospel is producing fruit and growing, just as it has been doing among you since the day you heard it and understood God's grace in all its truth."

Woman's Missionary Union members in the Mount Zion Baptist Association have been involved in teaching missions, supporting missions, and engaging in mission action and direct evangelism. We also participated in North Carolina's WMU's 100th birthday celebration this year.

Our associational WMU organization was recognized as Distinguished at the state annual meeting in Raleigh. We are proud to recognize the following churches for their achievement in 1984-1985.

The 80th Annual Session of the Mount Zion Associational WMU met at First Baptist Church of Hillsborough on March 18, 1986, with almost 200 registering. Mr. and Mrs. Jack Yates, missionaries to Kenya, spoke about their work. We had a special emphasis at this meeting on our past missions heritage for 100 years in North Carolina. We also featured our involvement in the present and our challenge for the future.

Mission Action ministries this year included Elon BSU luncheons - weekly, migrant missions, prison birthday parties and gifts, food pantry, work at community food kitchen, literacy tutoring, the flea market ministry and many others.

Many of our churches participated in the World Missions Conference October 27 - November 3. Baptist Women observed the World Day of Prayer on November 4. Many churches held parties on January 8 for the 100th birthday party of WMU in North Carolina. Associational Acteens held an enlistment event on February 8 and an overnight mission study in April. Young Baptist Women, our newest organization for women aged 30-45, had three activities this year. Esther Burroughs of the Home Mission Board spoke on February 13, Barbara Joiner spoke on May 12 and a self-esteem seminar was held in June. WMU members participated in the Good News America revivals in March and April. About 50 people from our association attended the State WMU Convention in Raleigh from April 17-19. Baptist Young Women had a banquet on April 24. Robin and Rick Baker of Ethiopia showed slides of their veterinary ministry. Associational Girls in Action held two events this year to promote mission activities among girls in grades 1-6. We had representative from our association to attend numerous state and national events including activities at Mundo-Vista and Ridgecrest. The WMU Leadership Conference

was held on September 23 at Fairview. Associational officers attended training seminars at Camp Caraway in August.

Let us remember to pray daily for our missionaries on the home and foreign fields. Ask God to reveal opportunities for mission service in our own lives within our own communities.

Historical Sketches of Mount Zion Churches

Brief histories of Mount Zion Churches are recorded in the minutes of the years as herewith listed. The association historian suggests that every church in the association have copies of the associational minutes bound every 10 years and keep them in the local church libraries. This will make the minutes of the years available to all the churches, and those bound volumes will grow more valuable with each passing year.

Although our association has had historians almost from the date of its organization, still the clerk was notable to find the history of any church recorded in the minutes until 1921. Just why the sketches of other years were not recorded in the minutes is inexplicable.

At the 1874 session of the association, it was decided to elect a historian annually, the minutes of 1875 record that "The report of the historian was adopted and ordered to be recorded in the 'Book of Records' of the Association." No trace of this book exists. The historical sketches from 1921 are shown in minutes as follows:

Dedication

MRS. MILDRED C. OVERMAN

Mildred Cates Overman began her earthly pilgrimage on May 21, 1916. It was concluded on October 26, 1986. The years between could be described with one word: faithfulness.

Mildred was the oldest of seven children, grew up in this area and attended Burlington Business College. She was the wife of Winfred Overman, the mother of one son, and the grandmother of two children. To a countless host of others she was "Friend."

Glen Hope Baptist Church was home for Mildred, and from 1946-1980 she served as church secretary and educational director. Her contributions came through her knowledge of the work as well as her dedication to the building up of the Kingdom. She taught a Sunday School class for 30 years. She promoted missions and led her people in an understanding of giving. She believed in prayer and taught by example. She was an encourager. Her vision went beyond the local church, and she participated in many associational activities. In 1980 the Fellowship Hall of Glen Hope Baptist Church was named for her.

We dedicate the 1987 annual to the memory of Mildred Overman, faithful servant.

Dedication

MR. JOE M. KENYON

Joe Mason Kenyon was born September 3, 1909. This retired lumberman and full time follower of Jesus Christ went home to be with his Lord on September 13, 1987. He is survived by his wife, Elizabeth, and four children.

Mason was baptized into the Mars Hill Baptist Church at the age of 21, and for the remainder of his life served among his people as a Sunday School teacher, Church Training Director, softball coach for the young people, and deacon, having been elected deacon emeritus in 1986.

His on-going ministry to the church came in the form of church clerk, an office which he held for 49 years and 7 months. His responsibilities extended beyond the recording of minutes, and at the time of his death, his books were completely up-to-date and accurate.

We dedicate the 1987 annual to the memory of Mason Kenyon, faithful steward.

The Mount Zion Baptist Association

(Revised October 22, 1985)

PREAMBLE

We, the Baptist churches of the Mount Zion Baptist Association, unite according to the plan and for the purpose and work of New Testament churches in our world, and to this end to cooperate to the fullest extent possible with the state and Southern Baptist Convention, according to the following articles:

ARTICLE I — NAME

The name of this body is the "Mount Zion Baptist Association."

ARTICLE II — PURPOSE

It shall be the purpose of the Association (1) to provide the mutual encouragement and fellowship of member churches through the definition and practice of Baptist distinctives; (2) to consistently seek to confront everyone in our area with the claims of Christ on his/her life; (3) to encourage and facilitate church growth and development; (4) to promote participation in missions and ministries on the foreign field, in the homeland, in the state, and in the area of the Association; (5) to provide services to the churches as needed and desired; (6) to provide an additional channel by which member churches may participate in the Southern Baptist Convention and the Baptist State Convention of North Carolina.

ARTICLE III — MEMBERSHIP

Section 1. The Association shall be composed of cooperating Baptist churches within the area of the Association.

Section 2. The Association shall be sole judge of its membership and may receive churches, or reject churches, according to its constitution and bylaws. Member churches may withdraw from the Association as they desire. Any church in the Association which failed to cooperate with the Association shall be contacted by a committee appointed by the Coordinating Council of the Association to determine the intentions of the church regarding its remaining in the Association. In the event the church does not respond to the efforts of the Special Committee appointed by the Coordinating Council, the church will be considered as having chosen to withdraw from the Association.

A cooperating church shall be defined as one which sends an annual report to the Association and messengers to Associational meetings, and contributes to the financial program of the Association.

Section 3. Churches desiring to affiliate with the Association shall make a written request to the Coordinating Council of the Association at least three months prior to the October meeting. If, in the judgment of the Coordinating Council and the Committee on Membership, the requirements hereinafter set forth have been met, the church may be recommended for membership without delay at the October meeting of the Association. In any other case a church may be received under watchcare of the Association.

ARTICLE IV — MEETINGS

Section 1. The Association shall meet quarterly on the Monday after the second Sunday in January, April and July. In October the Association shall meet on Monday and Tuesday after the third Sunday.

Section 2. Special meetings may be called by the Moderator provided two weeks notice is given to the member churches.

Section 3. In case of emergency, the Coordinating Council shall have the authority to change the time and/or place of meetings.

Section 4. Each church is entitled to 10 messengers. Churches with more than 500 members are entitled to an additional messenger for each 100 members more than the initial 500. Messengers shall be elected annually for all Associational meetings. It is suggested that at least five of the messengers be leaders of individual church organizations.

ARTICLE V — AUTHORITY

While independent and sovereign in its own sphere, the Association does not claim, and will never attempt to exercise any authority over any other Baptist body, whether church or auxiliary organization.

ARTICLE VI — OFFICERS AND THEIR ELECTION

Section 1. The officers of the Association shall be *Moderator, Vice Moderator I, Vice Moderator II, Vice Moderator III, Vice Moderator IV, Clerk, Treasurer, Music Director, Auditor, Historian, Sunday School Director, Church Training Director, Woman's Missionary Union Director, Brotherhood Director, and Coordinator of Youth Activities.*

Section 2. The officers of the Association shall be elected at the April meeting of the Association for a term of one year. Officers shall be contacted and nominated by the Committee on Nominations (Bylaw VI Section 7).

Section 3. Officers shall assume their duties at the close of the October meeting and serve through the next October meeting, or until their successors are elected.

Section 4. No person shall be eligible to serve as Moderator or Vice Moderator I, who has not been a member of an Associational church for a minimum of two years and who has not displayed commitment to the purpose of the Association. Any person having served two terms as Moderator shall be ineligible for re-election for a period of two years.

ARTICLE VII — TRUSTEES AND THEIR ELECTION

There shall be three trustees of the Association, one of whom should be an attorney, serving terms of six years each on a rotating basis. Upon nomination by the Committee on Nominations, one new trustee shall be elected at the April meeting in each EVEN year to fill the vacancy created by the expiration of the term of one of the three. No trustee is eligible for a second term of service until after a lapse of two years. The expiration date of each trustee's term of office shall appear in the Associational minutes.

ARTICLE VIII — THE COORDINATING COUNCIL

The Coordinating Council shall be composed of the Moderator, the four Vice Moderators, the Director of Missions, and three members at large appointed by the Moderator annually for a period of one year. The Coordinating Council shall be responsible for coordinating and directing all the work of the Association, including long range planning. The Coordinating Council shall have the authority to act for the Association between sessions, except as limited by the constitution. It shall meet monthly and, when appropriate, make reports and recommendations to the Association at scheduled meetings. The Director of Missions shall serve as chairman of the Coordinating Council.

ARTICLE IX — COMMITTEES

37. Maynard Ellington, Chairman of the Missions Committee, presented a printed report and made the following recommendation from the Missions Committee:

- (a) Provide travel and lodging expenses (\$2400) for two associational representatives appointed by the Missions Committee to go to Sao Paulo, Brazil in March, 1988 for a two-week period of orientation regarding ways we could help Baptist work in Brazil.
- (b) That a special "Brazil Partnership Committee" of five (5) people be nominated by the Nominating Committee to coordinate associational activities relating to the partnership.
- (c) That each church prayerfully consider whether it could assist a church in Brazil.
- (d) That church members with ministry skills prayerfully consider whether they could give two weeks service in Brazil at some time during the next five years.

The motion was seconded by Roy Taylor, Grove Park, and carried by messengers.

38. Curtis Tyler, Chairman of Finance Committee made a motion that the following recommendation be accepted:

That the 1988 Budget be amended adding \$2400 as a separate line item to be used for travel and lodging expenses of the two associational representatives going to Sao Paulo, Brazil.

Motion was seconded by Norman Harris, Elon First, and voted by messengers.

39. Moderator McDearis recognized Ann Williamson, Director of Christian Social Ministries, who shared highlights of the printed report. She requested prayer support and volunteers for the truck stop ministry and asked messengers to give prayerful thought to the functionally illiterate in our Association (2,000,000 in North Carolina). The Literacy Workshop scheduled for this year was cancelled for lack of participation.

40. Ken Barker, Prison Chaplain, presented a printed report and shared recent experiences, and asked for continued support.

41. Jack Gross, Chairman of the Resolutions Committee made the following recommendation from the committee:

Be it resolved that the Mount Zion Baptist Association in its annual meeting, October 19-20, 1987, express its opposition to North Carolina Senate Bill #732 which would legalize pari-mutuel gambling in North Carolina; and that copies of this resolution be sent to the governor, lieutenant governor, and our state House and Senate members.

Resolution seconded by William Wilson, Ossipec, and carried by messengers.

42. Jack Gross made a motion that Resolutions I, II, and III from the printed report be accepted, seconded by Harold Ball, Eastlawn, and voted by messengers.

43. Jack Gross made a motion that Resolution IV from the printed report be accepted, seconded by Darlene Ray, Glencoe, and carried by messengers.

44. Jack Gross made a motion that Resolution V from the printed report be accepted, seconded by Chris Ayers, Bethel.

Glenn Hunnicutt, Fellowship, requested the floor and asked messengers to vote against items (1) and (4) in Resolution V based on chapters 2 and 3 of I Timothy. He stated that God did not intend for women to be deacons or pastors and that messengers needed to cooperate by voting against these items.

Jack Gross responded that these Resolution items do not say who shall be ordained but rather they recognize the autonomy of the individual churches to make that decision. He further stated that the items are not a condemnation to the Southern Baptist Convention but that they simply state the positions that have historically defined us and identified us as Southern Baptists.

Dale Steele stated that the Resolution expresses the autonomy of the church and does not impose the wishes of any one church over another. He urged support of the Resolution in its entirety.

Chris Ayers, Bethel, shared the positive experiences in his church concerning the ordination of a woman to ministry and two women as deacons. He said they have taught what it means to be spiritual leaders and servants. He asked who are we to discourage God's people from accepting God's call and further asked wouldn't it be a disgrace if we have failed to offer prayers and support of one called by God. He praised the work of the Ordinations Committee and said the Resolution would make it easier for churches to send candidates to the Committee.

Motion carried by large majority.

44. Howard Silver recommended that the printed report of the Coordinating Council be accepted, seconded by Al Roberts, Hocutt, and passed by messengers.

45. Howard Silver presented the printed Director of Missions Report and expressed thanks to the Associational staff for the professional way they carry out their ministries.

He then commented on the role of women in the Southern Baptist Convention. He asked what would happen if all women in the church went on strike. He expressed his belief that the convention could not function without the ladies of the WMU and that without women the world-wide mission program would not last long.

Dr. Silver asked for prayer regarding the facility needed for the Association.

He then addressed the issue of conflict in the convention, expressing his desire for unity among Baptists and questioning whether the noise being made regarding conflict is detracting from our witness as God's people.

He suggested that the messengers read Romans 14 through verse 7 of chapter 15 and asked how, if we have been received by Jesus Christ, can we not receive each other, and declared that if we know God in Christ we have been received by Him. This should hold Baptists together in this day of doubt.

46. Judy Ritchie led messengers in singing "Forward Through the Ages."

47. Dr. Roy J. Smith, Executive Director-Treasurer, Baptist State Convention and speaker for the evening, was introduced.

48. The Vocal Ensemble of Burlington First, directed by Joel Marshall, Minister of Music, presented special music, "Great Is the Lord."

49. Dr. Smith stressed that the association is the most important entity outside the local church - that the association is best equipped to assist churches in doing what they do. As members of the association, the churches learn what it means to be Baptist, learn the meaning of fellowship, and learn that the work of the Kingdom reaches out.

He spoke of a good year in the life of North Carolina Baptists. He shared about the challenges of Partnership Missions, of helping to establish 1,000 churches in Sao Paolo. He related that the challenge before us is unparalleled in the history of the world; it is the greatest time to impart the gospel to the world. He said we have vision, opportunity and resources, but do we have spiritual commitment? He emphasized that God's purpose will be fulfilled by Baptists or by whoever will be open to his will. He requested that we pray that God will give us spiritual commitment.

50. Curtis Oakley pronounced the benediction.

Quarterly Business Meetings

The following is a condensation of the January, April and July 1987 meetings:

ON JANUARY 14, 1987 Graham First hosted our meeting with Tommy McDearis, Moderator, presiding. A sacred concert was presented by Charles Gatwood, retiring Secretary of the State Church Music Department, and his associate, Charles Storey. The following recommendation from the Finance Committee was presented by Curtis Tyler and voted by messengers: That the Association's portion of the September 1986 State Missions offering be used to pay the local travel expense and supplies for a Praxis Team to work with the First Church Hillsborough Mission; that the balance be reserved for other mission work. The Praxis Team would consist of 2 seminary students to work during the summer. Their room and board would be paid by First Baptist, Hillsborough. Steve Hardy brought messengers up to date on the Sunday School Enrollment Training Clinic to be held March 28 through April 4. The doctrinal sermon was delivered by Steve Hardy on the responsibility of churches in fulfilling their ministry without getting sidetracked.

ON APRIL 13, 1987 meeting was held at Kerr's Chapel with Tommy McDearis, Moderator, presiding. Edna Smith presented the report of the Nominating Committee for officers to serve from October 29, 1987 to the close of the annual meeting in October, 1988; the report was voted by messengers. Ben Sharpe of Cherokee Council of Boy Scouts of America encouraged churches to become sponsoring organizations for scout troops. Howard Silver recognized new pastors in the association: Terry Prichard, City Lake and Bill Harkins, Kerr's Chapel. Norman Harris, Elon First was not present. Steve Hardy and representatives from participating churches reported on the success of the Sunday School Enrollment and Training Clinic. Howard Silver expressed gratitude to those who coordinated the Clinic: Steve Hardy, Holly Hill, General Chairman; Robert Putt, Grove Park; Robert Stephenson, Glenhope; Mike Timmerman, Burlington, First, Frances Martin, Graham First.

ON JULY 13, 1987 Haw River First hosted the meeting. Maynard Ellington, Chairman of Missions Committee gave progress report on new witness station to be started by Hillsborough First. Tommy McDearis gave a brief report on the Administrative Task Force I whose responsibility is to study ways of providing adequate facilities for the Association. He explained that three (3) subcommittees are studying the following possibilities: (1) purchase of land and erecting a building; (2) use of an existing building; (3) means for financing any possible recommendations. Key Leadership Conferences were held for clerks, S.S. workers, Church Training workers, Music Directors, W.M.U., Youth workers, Evangelism (Pastors), and Brotherhood.

Historical Event Of Interest During Associational Year

BETHEL: Ordination of Rev. Allison Best
BROOKWOOD: Dedication of the Brookwood Baptist Church Activities Park, August 30, 1987.
BURLINGTON FIRST: Centennial Church Pictorial Directory, Centennial Celebration (1887-1987) - "A Century of Caring and Sharing in Christ".

It was on the 28th of July in 1887 that thirteen persons met to organize themselves into a Baptist Church. It was on a week night and the presiding minister was Reverend Columbus Durham, pastor of the Baptist church in Durham, then part of the Mt. Zion Baptist Association.

One hundred years and fifteen pastors later, on the last Sunday in July of 1987, First Baptist Church of Burlington celebrated a Century of Caring and Sharing in Christ. Special guests for that Centennial Sunday included three daughters of one of our charter families, Mr. and Mrs. R.E. Andrews. Other family members from the J.W. Cates family were also present. J.W. Cates was a charter member. Also present that day were several members of Dr. Carlton Prickett's family, including Mrs. Prickett. Mrs. Juanita Miller of Tacoma, Washington was present. Mrs. Miller is the daughter of Reverend A.T. Hord, first pastor in 1887. S.L. Morgan, Jr., who was born here while his father was pastor from 1909 to 1912, was also present.

The first building was completed in 1891. The present sanctuary was completed in 1924 at a cost of \$102,000. Sunday School rooms were added in 1940. A Chapel and more educational

rooms were completed in 1954. A Fellowship Hall, church offices, and more space for Sunday School were occupied in 1968.

First Baptist Church of Burlington helped organize nine other churches during these one hundred years. She has sent forty young persons into the ministry, twenty of them since 1969 in the pastorate of Dr. Dale O. Steele.

Eleven pastors served during the first twenty-five years and four have served during the last seventy-five years.

First Baptist Church of Burlington cooperates fully with the Mt. Zion Baptist Association, the North Carolina Baptist State Convention and the Southern Baptist Convention. It is this spirit of missions that allows this local congregation to minister in all the world.

History Of Nall Memorial Baptist Church 1987

Nall Memorial Baptist Church, an outgrowth of Calvary Church in Burlington, had its beginning in May 1977 when a group of dedicated Christians, feeling the need to worship as a group, met to form a Bible-believing, Christ honoring body of fellowship. They met in the home of Richard and Gladys Gover. It is one of the few Baptist Churches in this area named for pastors who have served locally.

On June 19, 1977 the first regular worship service of this group was held in South Graham Elementary School With Dick Bell preaching at the morning service and Tommy Richard-conducting the evening service. These times were marked with trials, struggles and dedication. The congregation of 130 charter members trusted God to lead and direct their plans and goals as they established the Fellowship called "Luther A. Nall Mission" in memory of the pastor who led Calvary congregation for 40 years. He was the son of the late Dr. and Mrs. John Nall of Harper's Crossroads, but the family later moved to Danville, Virginia when he was a child.

By October of that year the first deacons, Max Andrews (who also filled the role of first Sunday School Superintendent), Walter Jenkins, Leroy Jernigan, Pete Mann, Maynard Norton and Craig Curtis, were busy with their duties. It is interesting to note that two of these, Andrews and Curtis, are listed as deacons serving in 1987. Sufficient progress had been made that plans swung in motion for the group to move on October 2 to a vacant store building at 1137 E. Webb Avenue in Burlington where they redecorated and dedicated the facility to the service of the Lord.

On November 18, 1977, the name was changed to "Nall Memorial Baptist Church", and in January of the following year it voted to become Southern Baptist affiliated with the Mount Zion Baptist Association.

The first funeral of this newly formed congregation was that of charter member Harvey Carver on January 23, 1978. A service of Constitution conducted by Rev. Charles McMillan, (Director of Missions for Mount Zion Baptist Association), was well attended, and in the early months of that year Dr. Donald Cook of the Seminary assumed the role as supply pastor.

A special date for Nall Memorial was January 1, 1979 with the birth of the first baby, Jami Oakley, daughter of David and Debbie Oakley. A short while later Dr. Miller became Interim Pastor until James Hall was called. It was about this time that land was given to the church by Mr. Massey, a tract located on Sidney Road with the feeling that the congregation would choose to build on this site.

An ordination Service for James Hall, who had been previously called to pastor the church, was conducted September 23, 1979. Rev. Hall tendered his resignation in October of the following year and at that time Dr. Howard Silver, Director of Missions for Mount Zion Baptist Association, served as Supply Pastor until January, 1981, with Dr. Carlton Prickett beginning a tenure of service from February 29 through October 4, 1981.

By March 1980, the church service was highlighted by a Sunday School program of 126 active members, a choir of 24 voices, a WMU of 8 women and an active Brotherhood of 12 members. Trustees elected to serve were Craig Curtis, Butch Isley and Burl Williams. An important decision came on June 29, 1980 when, after prayerful meditation, the congregation voted to keep their land on Sidney Avenue and in lieu of building at that time, they voted to make minor improvements on their present building.

The present pastor, Rev. Thomas A. Pierce, assumed leadership of the congregation on January 17, 1981, and under his guidance numerous forward steps have been made. September 23, 1982 stands as a "red letter" day in the life of Nall Memorial. It marks the date that 15 acres of land on Hanford Brick Yard Road were purchased for cash and the church-owned property on Sidney Avenue. It was with great Christian joy that a new church was constructed through that year on this site, becoming a prayer fulfilled for the congregation

who held their first service in the new church on December 16, 1984. The first song lifted to God was a prayer of thanks for His goodness, "It's Still Real Today". Dr. Howard Silver, Director of Missions for Mount Zion Baptist Association, delivered the evening message. The year closed on a happy note for the congregation with the graduation of member Carlton Sherron from Fruitland Bible Institute.

God's work moved forward in 1985: Bonnie Cheek and Virginia Crabb (mother and daughter) became the first members in January, and the following March the first baptismal service included Florence Woods, Minnie Ritter, Bonnie Cheek, Gail Oakley, Kelli Kimrey, Christy Hardy, Virginia Crabb, Tim Ashley and Tim Kimrey.

In recognition of its progress and spiritual status, Nall Memorial was named "Church of the Week" by the Daily Times News on April 20, 1985. When the Southern Baptist Convention held its convention in Dallas, Texas (June 11-13, 1985) Mrs. Bessie Nall, widow of Rev. Nall was appointed church messenger. January 1986 saw Alan Holt begin duties as Youth Minister and Phil Hensley was licensed to the ministry in March.

Mrs. L.A. Nall leads women as WMU Director while Phil Hensley is president of the Brotherhood. Music Director is Mrs. Barbara Pierce, wife of the pastor. Filling the role of church secretary and clerk is Gilda M. Barham, while Craig Curtis, a charter member, currently serves the 205 member congregation as church treasurer.

Today's Sunday School membership has reached 130 with an average attendance of 84 persons, classes ranging from nursery babies to Senior Citizens. Joe Lloyd is Superintendent, and Myrtle Whisnant, at 86, is the eldest active Sunday School member.

Current deacons are Lonnie Agree, Crafton Dawkins, Willie Brewer, Max Andrews, Craig Curtis, Joe Lloyd and Willard Inman. Filling their role as church trustees are Burl Williams, Craig Curtis, James Hall and Joe Hopkins.

Director Of Missions Report

Casey Stengle, the late manager of the New York Yankees and sometimes "philosopher," is reported to have said that "managing a baseball team is getting paid for home runs hit by somebody else." Well, being Director of Missions is hardly to be compared with managing a baseball team. Yet, there is enough substance in Stengle's words to remind those of us who have leadership responsibilities that we are dependent upon the ability, good will, cooperation and trust of the people with whom we work. To be sure, this is true of the associational director.

One cannot do associational work without the cooperation of people who hit more than a few "home runs." Thus, I am deeply indebted to the churches of our association, to their pastors, and to numerous church members who help to make Mount Zion Baptist Association all that it is.

Furthermore, Chaplain Kenneth Barker, Mrs. Mona Silver, and Mrs. Ann Williamson have served the association superbly during the year past. Their cooperation, patience, loyalty and trust have made my work seem easy. Their love for our churches and their commitment to serving them are unsurpassed. I stand in their debt.

As I review the associational year just ended, I am pleased to report that there is a high level of trust and cooperation among our churches. We find it easy to work together to achieve common goals, and we are eager to help each other when the need arises. These qualities are the very essence of a Baptist association at its best.

I am glad to report that financial support for the association has been regular and sufficient. I commend our churches for their faithfulness, and I express to them my grateful appreciation.

Recent revelations regarding certain television ministries remind us how easy it is to distort and misuse both the message and ministry of Christianity. We do well to remember that giving through our local church is still the best and most effective way to give to missions and other ministries. Our churches are both responsible and accountable. They insure that our gifts are used for the causes for which they were given.

Your association has carried on an extensive program of local ministries throughout the last year. I hope you will review with care the various reports of ministries found elsewhere in this Book of Advance Reports.

Your association has offered unequalled opportunities to strengthen our church programs. An example is the Sunday School Enlargement and Training Clinic held in March and April of 1987. As a result of the clinic one thousand new people were added to our Sunday School rolls. The Clinic's success is due in large part to the leadership of Steve Hardy, Robert Putt, Mike Timmerman, and Robert Stephenson. These men continue to give our association exceptional Sunday School leadership.

Baptist Men and Church Training are two dimensions of our work that need our prayerful concern. It has been difficult to maintain a consistent emphasis in these two vital areas. However, we continue to seek ways to enhance Church Training programs and to encourage Baptist Men to discover new and different ways to do mission work.

Mount Zion Baptist Association Woman's Missionary Union is due special recognition and credit for a distinguished record of mission support and service during the last year. Theirs is an indispensable ministry, and I pay tribute to their dedication and effectiveness.

In addition to the routine work in the associational office, a steady ministry of counseling and support has been provided for churches without pastors, and prospective pastors, persons referred by pastors, and for numerous other people from all across our state who know the quality of hospitality and care that are available through your associational staff.

The need for an associational office with more space is apparent. Give special and sensitive attention to a report from the association's Administrative Task Force regarding this need. This dedicated group of people has worked faithfully searching for a location and the necessary resources for an adequate associational facility.

Last June about seventy-five people from several of our churches were able to follow the Southern Baptist Convention proceedings via live television. This was a "first" for us, and we hope to be able to do this again in June of 1988.

Following an idea that emerged in the Pastor's Conference, our association - in cooperation with the Council on Christian Life and Public Affairs of the Baptist State Convention and the School of Pastoral Care of North Carolina Baptist Hospital - served as host for an area wide symposium on "Understanding and Caring for AIDS Patients and Their Families," at First Baptist Church, Graham, October 12, 1987.

This was the first symposium of its kind among North Carolina Baptists. Our pastors are to be commended for their sensitivity to the perplexing problems presented by this devastating illness.

The Expanded Church Annuity Plan offers new opportunities to improve retirement benefits for pastors and other church staff persons. Churches are urged to do all they can to see that their pastors and other employees have the opportunity to retire with dignity.

The proposed partnership between the Baptist State Convention of North Carolina and the state of Sao Paulo, Brazil may offer many of us a chance to participate personally in some form of foreign missions. Not only would this help the people of Sao Paulo, but we would see our churches reinvigorated. Few activities are more rewarding or inspiring for Baptists than actually participating in missions ministry. I believe that the motion from our Missions Committee regarding the Brazil partnership warrants careful consideration.

Conflict and unrest have escalated within our beloved denomination, and many of our people are distressed. Ominous clouds, portending further unrest, overshadow some of our fine agencies and institutions. Resolution of the conflict is not in sight.

As we move into a new church year, one of the most helpful things our churches could do is to schedule a thorough review of Baptist history. Ours is a remarkable history, and our

heritage as Baptists is distinguished. A recovery and celebration of who Baptist are, where we come from, and what has shaped our beliefs and practices would be most useful now. People who know their history and cherish it are not easily misled.

Those of us who share the responsibility for associational leadership pledge to you an attitude of caring, encouragement, and cooperation. We welcome suggestions that will enrich and strengthen our fellowship. We are always mindful that ours is a stewardship of service to the people and churches of our association, and we honor the trust you have invested in us.

In conclusion, I express gratitude to the churches of this association for the privilege and honor to serve as Director of Missions.

Respectfully submitted,
J. Howard Silver
Director of Missions

Missions Committee Report

These are exciting days in which to live and serve our Lord.

"Opportunity" is the word which seems to best characterize the future for ministry for the Lord through the cooperative efforts of all our churches.

Even a casual observation of the western area of Alamance County reveals that this area is exploding into a thriving neighborhood of new families.

The estimates are that 1,000 new homes will be erected in this area within the next few years as a result of the location of the Rock Creek Center and the people who will be located there.

We already see a need to have a Baptist witness in this area. We desperately need some property for a future new mission or church.

Will you join in prayer about this need and opportunity? If God has revealed the need, I'm sure He will provide the resources to meet the need.

It is time for His people to get involved and be counted faithful as we know His will in this matter.

Another exciting opportunity by which we have been challenged is the possible partnership of Mount Zion Baptist Association with a Baptist association in Sao Paulo, Brazil.

Baptists in Brazil have asked for help in starting 1,000 new churches by 1993.

The Foreign Mission Board of SBC and the State Baptist Convention are working now to put this partnership together.

"People" is the greatest need, not money. They need Christians who will go and witness, work in leadership development, construction, meet human needs and other ministry needs which may be found in that area.

The population of the State of Sao Paulo is 31,000,000 projected to be 35,000,000 by 1992.

The population is outgrowing all evangelicals in a country which is predominantly Catholic.

This partnership can be a tremendous opportunity for reaching people for Christ if we choose to enter into this agreement.

I trust you will follow the leading of His Spirit about the possibility of our involvement with the people in Sao Paulo, Brazil.

The Missions Committee offers the following recommendations:

Recommendation I

- (a) Provide travel and lodging expenses (\$2400) for two associational representatives appointed by the Missions Committee to go to Sao Paulo, Brazil in March, 1988 for a two-week period of orientation regarding ways we could help Baptist work in Brazil.
- (b) That a special "Brazil Partnership Committee" of five (5) people be nominated by the Nominating Committee to coordinate associational activities relating to the partnership.
- (c) That each church prayerfully consider whether it could assist a church in Brazil.
- (d) That church members with ministry skills prayerfully consider whether they could give two weeks service in Brazil at some time during the next five years.

Recommendation II

- (a) That our churches be encouraged to set a goal for the 1987 Lottie Moon Christmas Offering that is at least 10% above their 1986 offering.

Respectfully submitted,
Maynard Ellington, Chairman
Missions Committee

ACTS Of Alamance, Inc. Report

The American Christian Television System (ACTS) continues to bring excellent religious and family programs into the homes of cable subscribers in Alamance County on cable channel 25. Locally, the ACTS Board is working very hard to negotiate an appropriate system for local origination on channel 25. The board voted to establish a local origination center at Grove Park Baptist Church. Grove Park Baptist has voted to house this center as soon as funds become available. We are currently seeking \$6300 in private donations to fund the start up of this facility. Once this facility is in place, we will have the capability to originate local programming on Channel 25. Our first efforts will be live telecasts of the Grove Park morning worship hour. With the addition of a videotape machine and time-base corrector, we will be able to add other programming on a delayed tape basis. It is our hope that local programming will become not only an outreach tool of the churches in this association, but will also be a great community service. If you have an idea that would make a good local television program, talk to your ACTS Board representative.

Respectfully submitted,
Bobby Dobbs, President

Membership Committee Report

The Coordinating Council received a letter from the Gospel Roads Baptist Church of Gibsonville, N.C. in which the church expressed its desire to affiliate with Mount Zion Baptist Association. The letter was referred to the Association's Membership Committee.

The Membership Committee, through visits and consultations with the pastor and members of the Gospel Roads congregation, has concluded that the church is eligible for membership. Therefore, the committee recommends that Gospel Roads Baptist Church be received into full fellowship into Mount Zion Baptist Association, on this, the twentieth day of October, 1987.

Respectfully submitted,
Tommy Hearne, Chairman
Membership Committee

Coordinating Council Report

The Coordinating Council is composed of the Director of Missions, Moderators of the Association, and three at-large members. Its purpose is to provide advice, guidance, and counsel for the association between Quarterly meetings.

The Council offers the following recommendations:

Recommendation 1: That the association elect to become incorporated as soon as possible, and that expenses for incorporation be charged to association office budget.

Recommendation 2: That, given the litigious climate of our times, churches within the association that are not incorporated give careful consideration to the advantage of being incorporated.

Respectfully submitted,
J. Howard Silver, Chairman
Coordinating Council

Campus Ministry Report

This past year we conducted a successful year of Baptist Student Union. The students became involved in the program and took responsibility in the functioning of organization.

- They raised approximately \$300.00 for Summer Student Missions.
- They sponsored Gary Rand, a Christian contemporary artist on campus.
- They participated at Student Fall Convention at Ridgecrest.
- They had a Spring Retreat dealing with relationships on campus.
- Throughout the year they participated in the sharing of devotions and ministered to one another during the meetings.

The students of the Elon College Baptist Student Union thank you for your ministry and care for them last year.

This year we hope to build on all that was accomplished last year. We plan to do that by reaching out to more students on campus as well as out to the churches in the association.

- Plans are made for another retreat this year.
- The students are already reaching out to others on campus.
- The students are again planning to raise \$300.00 for Student Summer Missions.
- Some of the students are planning to go to Ridgecrest for Fall Student Convention.
- The big emphasis this year is to minister in the churches in the association. The students are creating a couple of mission teams. These teams will lead in Sunday night worship services, help with youth activities or any other possibility of ministry.

* Please notify Joe Bounds at Glen Hope Baptist Church if you think we might be able to help you.

Youth Ministry Report

The Youth Ministry in our association is of vital concern to all of us, therefore we need to seek the best possible means of ministry. Because we continually seek effective ministry possibilities, we held two training clinics for youth leaders last year. These clinics were aimed at preparing workers to better minister to the youth. In addition, as Associational Youth Rally is to be held on November 21, 1987 at Grove Park Baptist Church in their Family Life Center, to bring all of our youth together for a time of fellowship, learning and worshipping our Lord.

Next year we plan to continue to offer training and support for youth workers in our association. We want to do a high school senior graduation breakfast together and have a guest speaker.

We also hope to offer and carry the Caswell experience to some youth of smaller churches and finally we want to have another youth rally next year.

Respectfully submitted,
Joe Bounds
Youth Director

Ordination Committee Report

The Ordination Committee of the Association is a standing committee. The Committee's responsibility, as stated in the Bylaws of our constitution, is: "When requested by a member church, assist with the examination and ordination of a candidate for the Gospel Ministry" (Bylaw VI, Section 5).

During the past associational year, Haw River Church requested that the Committee examine Randy Thompson; Bethel Church requested that the Committee examine Allison Best; and Mount Adair Church requested that the Committee examine Jackie Allen.

In each case, the Ordination Committee - after examining the candidate regarding Christian Experience, Call to and Preparation for the Ministry, Doctrinal Beliefs, and attitude toward our denomination and its program, recommended that the church requesting the examination proceed with plans to ordain the candidate.

Respectfully prepared by,
J. Howard Silver for

Ordination Committee

Church And Community Ministries Report

As the second year of serving our association as Church and Community Ministries Director comes to an end, I am constantly reminded of the needs around us that are not being met...however, I am also reminded of the many, many occasions where we have been able to help the less fortunate people in our area.

Our help is widespread. Our churches serve the association well in helping with these ministries and to our churches, I want to express my most sincere appreciation.

After having detoured at the end of several avenues, the Shelter for the Homeless was finally opened in December of 1986. As of this date the shelter has accommodated approximately 145 persons, averaging around 10 to 12 per night. The churches have been generous in the contributions of personal health kits, blankets, towels, paper products and food items.

During the Summer, Beverly Alford was trained as a Laubach Literacy Tutor Trainer. She will lead her first workshop in our association on October 22, 23 and 24. The workshop that was held in May gave us approximately 20 new tutors. Most of these are already busy with students. Beverly continues to serve as Chairperson for the Burlington Literacy Group.

The Associational Food Pantry, which is located at Northside Baptist Church has served numerous persons and families during the past year. The church groups and the Baptist State Convention of North Carolina have responded well to the needs of this pantry.

Attendance at the Annual Migrant Picnic was not as large in number as in the past. We later learned that two other events had been scheduled for the same day. Those attending seemed to enjoy the spaghetti meal as well as the other festivities throughout the day.

Our Flea market continues to be one of our stronger ministries. We have learned of two definite conversions resulting from literature that was picked up at our Flea Market Booth. We are currently trying to make contact with a Spanish speaking person who wrote to us asking help with his personal life. He wrote asking for help after he had picked up some materials at the Flea Market.

Several church groups have responded to the request for "Use Me" books that we are using at the Prospect Hill Health Clinic, home visitation and that we will make available to the children at the 1988 Migrant Picnic.

Again this year, the Southern Baptist Churches responded in the Alamance and Orange County CROP Walks. In addition to the church response, our Prison Chaplain arranged for some of the inmates to walk in both of the walks.

The Orange Congregations in Mission continues to aid the needy persons in Orange County. They do an excellent job with Meals on Wheels, a food pantry, aiding displaced workers, etc.

Allied Churches of Alamance County has hired a part-time Executive Director, Mrs. Beth Greene. They also have a new president, Richard McBride and a new secretary, Margaret Miller.

We tried, during the year, to begin a ministry of telephoning to homebound persons in our area, however the response was not enough to pursue this ministry.

The "Right Turn Trucker's Chapel" has not grown as much as we would like, however we will continue to try new and different ideas to reach those who travel our highways on a daily basis. We have tried a variety of worship services and also offer refreshments for all holiday travelers. This ministry definitely needs your prayer support.

During 1988, we would like to expand our booth ministry to include "Arts Round the Square", the Balloon Race and even the County Fair.

We are also looking for a building in the Graham area suitable for housing a "Thrift Store".

As we begin another year, we ask your prayer support that we might find the best manner in which to witness and aid each individual in our area who has a need, whether physical or spiritual.

Respectfully submitted,
Ann P. Williamson - Director
Church and Community Ministries

Music Ministry Report

The Church Music Department seeks to plan training events, group participation events, fellowship events and outreach ministry events for the people within the association. It also tries to help interpret and promote the program and training opportunities that are sponsored by the Church Music Department.

1986-1987 CALENDAR OF EVENTS

October	Associational Children's Choir presents mission cantata, "Go Tell It," for associational meeting. "Exaltation," Young Adult Ensemble from Grove Park Church sings for associational meeting.
January	Charles Storey and Charles Gatwood from the State Church Music Department present mini-concert at associational meeting.
April	Kerr's Chapel Choir sings for associational meeting.
August	Children's Choir Leadership Workshop at Graham First Church.

Prison Ministry Report

The year past was my first year as the Prison Chaplain. It was a year of learning, discovery, and growing for me personally.

This past year we have had active Bible studies at each unit and weekly worship services. In addition there were special services during holiday seasons. My personal involvement has been in the area of pastoral care and counseling.

The distribution of Bibles and Christian literature has been a regular part of the ministry.

Each prison unit participated in the annual CROP Walks in their respective locations. Eight inmates and three volunteers walked in the Alamance County CROP Walk, while six inmates and four volunteers walked in the Orange County CROP Walk. The total raised from both units was approximately \$500.00.

A highlight for the inmates each month continues to be the birthday parties that the church WMU Groups sponsor. These parties are a real blessing to the inmates.

We are continuing our efforts to grow ecumenically and feel we have made progress. This past year, we added new people to the Alamance/Orange Prison Ministry Executive Board while at the same time we lost some board members because of moving and health reasons.

The Alamance/Orange Prison Ministry became incorporated this past year.

With the help of Mount Zion Baptist Association, Orange Congregations in Mission, prison officials, volunteers and inmates, the Chaplain's office was renovated at the Orange County Unit. After much hard work and effort, what had formerly been a segregation unit was transformed into the Chaplain's office. I began using this office in July. Another highlight of the year took place on August 28, when this office was dedicated. Numerous volunteers, supporters, OCIM officials as well as state officials attended the dedication service.

One of our goals for the upcoming year is to continue to seek interdenominational support and cooperation so that more lives may be touched by the love of God so that "captives are set free", and "burdens are made lighter."

Pray for God's will to be realized in the lives of those incarcerated.

Respectfully submitted,
Ken Barker - Chaplain
Alamance/Orange Prison Ministry

Resolutions Committee Report

I. BE IT RESOLVED that we express our sincere appreciation to the Cross Roads Baptist Church of Hillsborough and the First Baptist Church of Burlington for the hospitality and fellowship so cordially extended to all the messengers and visitors to this one hundred and eighteenth annual session of the Mount Zion Baptist Association.

II. BE IT RESOLVED that we express our gratitude and sincere thanks to our Moderator, Tommy McDearis, each vice moderator, each officer, each committee chair and each committee member for their loyal and faithful service to the Association throughout the year.

III. BE IT RESOLVED that we express our continued gratitude and support to our associational Director of Missions, Dr. Howard Silver; our associational Administrative Associate, Mrs. Mona Silver; our Associational Church and Community Ministries Director, Mrs. Ann Williamson; and our Prison Chaplain, the Reverend Kenneth Barker, each for their cooperative and encouraging spirit.

IV. BE IT RESOLVED that we affirm our acceptance of "*The Baptist Faith and Message*" as adopted by the Southern Baptist Convention and published by the Sunday School Board; and that this particular time especially emphasize the following statements from "*The Baptist Faith and Message*":

(1) THE BAPTIST FAITH AND MESSAGE: "*The Baptist Faith and Message* of Southern Baptists is based upon the competency of the soul in religion. Those who drew up the original statement in 1924-25 were careful to safeguard the individual conscience. The committee which revised it in 1962-62 retained this safeguard. The preamble clearly states that the sole authority for faith and practice among Baptists is the Scriptures of the Old and New Testaments. Confessions are only guides in interpretation, having no authority over conscience. . . . If the Convention does not bind the individual conscience, neither should any group or any person within its fellowship endeavor to do so. Whatever the problems which may arise, Baptists must continue to hold to their basic and distinct principle of the competency of the soul in religion. For this is the rock whence they are hewn." (p. 12)

"There is no such thing as 'the Baptist faith' or 'the historic Baptist faith.' These phrases imply a creedal faith, something which Baptists have always avoided. There are certain basic things generally held by Baptists today as through past years. But underlying all of them has been the principle of soul competency in religion." (p. 10)

(2) THE SCRIPTURES: "The Holy Bible was written by men divinely inspired and is the record of God's revelation of Himself to man. It is a perfect treasure of divine instruction. It has God for its Author, salvation for its end, and truth, without any mixture of error, for its matter. It reveals the principles by which God judges us; and therefore is and will remain to the end of the world, the true center of Christian union, and the supreme standard by which all human conduct, creeds, and religious opinions should be tried. The criterion by which the Bible is to be interpreted is Jesus Christ." (p. 18)

(3) THE CHURCH: "A New Testament church of the Lord Jesus Christ is a local body of baptized believers who are associated by covenant in the faith and fellowship of the gospel, observing the two ordinances of Christ, committed to His teachings, exercising the gifts, rights, and privileges invested in them by His Word, and seeking to extend the gospel to the ends of the earth.

"This church is an autonomous body, operating through democratic processes under the Lordship of Jesus Christ. In such a congregation members are equally responsible. Its Scriptural officers are pastors and deacons.

"The New Testament speaks also of the church as the body of Christ which includes all of the redeemed of all ages." (p. 74)

(4) CHURCH AND STATE: "God alone is Lord of the conscience, and He has left it free from the doctrines and commandments of men which are contrary to His Word or not contained in it. Church and state should be separate. The state owes to every church protection and full freedom in the pursuit of its spiritual ends. In providing for such freedom no ecclesiastical group or denomination should be favored by the state more than others. Civil Governments being of God, it is the duty of Christians to render loyal obedience thereto in all things not contrary to the revealed will of God. The church should not resort to the civil power to carry on its work. The gospel of Christ contemplates spiritual means alone for the pursuit of its ends. The state has no right to impose taxes for the support of any form of religion. A free church in a free state is the Christian ideal, and this implies the right of free and unhindered access to God on the part of all men, and the right to form and propagate opinions in the sphere of religion without interference by the civil power." (p. 139)

V. (1) BE IT RESOLVED that under the principle of the competency of the soul in religion and under the principle of the autonomy of the local church that we, the messengers to Mount Zion Baptist Association, meeting in Annual Session, October 19-20, 1987 reaffirm the right, freedom and legitimacy of the local church under the Lordship of Christ and the guidance of the Holy Spirit to examine, recommend, and ordain any member of that church whom God has called either as deacon or minister of the Gospel without regard to race, gender, or social status.

(2) BE IT RESOLVED further that under the principle of the separation of church and state, we encourage individual Baptists as citizens to participate in the political process as they are led of the Lord. On the other hand, we hold it a breach of the principle of separation of church and state for any organized body or agency of the Southern Baptist Convention as such to endorse any particular political party or candidate for public office or to endorse any particular nominee for appointment to a political office.

(3) BE IT RESOLVED that we express our continued prayerful and monetary support of our Southern Baptist Seminaries; Golden Gate Theological Seminary, Midwestern Baptist Theological Seminary, Southwestern Baptist Theological Seminary, Southern Baptist Theological Seminary, New Orleans Baptist Theological Seminary and Southeastern Baptist Theological Seminary and also our North Carolina Fruitland Bible Institute - and be it resolved that a copy of this resolution be sent to each institution named and to each president of the seminaries.

(4) Finally be it resolved that resolution five (V) be sent to the President, the Public Affairs Committee, and the Home Mission Board of the Southern Baptist Convention, the President of the Baptist State Convention of North Carolina and the *Biblical Recorder*.

Respectfully submitted,
D.D. Gross, Chairman
Resolutions Committee

Sunday School Report

By most standards this has been a successful year for Sunday School work in our association. The most outstanding project was the Enrollment Training Clinic that was held in March and April. Twenty of our churches took advantage of the opportunity to have a team of experts help their Sunday School for a week. The training, evaluation, goal setting, and practical advice given during this clinic were essential in helping turn around declining enrollment in many of our churches.

The success of the Enrollment Training Clinic can be directly credited to the pastors, education staff members, and Sunday School directors of each of the participating churches.

The efforts of these individuals in leading their churches to prepare adequately for this campaign produced the results that were achieved.

In addition to the Enrollment Training Clinic we have offered training for teacher improvement and Vacation Bible School. We have also just completed training for Sunday School Outreach Leaders and Sunday School Outreach Workers.

This coming year we will offer a variety of activities and training. In April we will offer Dr. James Frost's *Dynamic Sunday School Growth Seminar* for pastors and Sunday School leaders and teachers. In September we will have a Sunday School Annual Planning Workshop and an officers and teachers training workshop. October 1988 will be Sunday School Outreach month with outreach workers' training, a People Search Sunday, Operation Outreach Week, and High Attendance Sunday.

Our association now offers ASSISTeams to work in individual churches. We encourage you to take advantage of this opportunity.

Let's make 1988 as superior a Sunday School year as 1987 has been. If your Sunday School has a need, your association Sunday School staff would like to help meet that need. Let's work together to make this a great year.

Respectfully submitted,
Steve Hardy

Woman's Missionary Union Report

Vision 88, two million women, girls and preschoolers enrolled in quality education by September 1988 is the vision of WMU, Southern Baptist Convention. Our midyear reports show that here in our own Associational WMU we have enrolled 86 new members. We are grateful for these but there are so many more ladies and youth in our churches who we need to enroll in Missionary Education. In '87-'88 we want to challenge each church to increase our enrollment at least 50%. If we pray and work together this can be done. Together in His name, we can. The Lord is still calling WMU women to be involved in sharing His message, where we are and to the uttermost parts of the world. Our watchword was found in 1 Peter 4:10 NIV "Each one should use whatever gift he has received to serve others, faithfully administering God's grace in its various forms." Surely this scripture has challenged us to use our gifts in His service this year and years to come.

The Eighty First Annual Session of the Mount Zion Baptist Associational WMU met at Glen Hope Baptist Church, Burlington on March 17, 1987, with an attendance of 283 registering, 33 churches represented, 18 pastors present and Dr. and Mrs. Howard Silver, our Director of Missions. In our 5:00 p.m. session, a panel discussion from our Volunteers in Missions challenged all of us to Share our Gifts. Mrs. Dianne Daniels, missionary in Colombia, South America, challenged us about the work there.

Most of our churches have shared in our Mission Action Ministries this year in our association. Those who have shared in this ministry have received a blessing which will linger with them.

Our Associational WMU organization was recognized as Distinguished at the State Annual Meeting at Ridgecrest. This means our Council and ladies in our Churches have been involved in teaching missions, supporting missions and engaging in mission action and direct evangelism. We are happy to recognize the following churches for their achievement in 1985-1986.

Historical Sketches of Mount Zion Churches

Brief histories of Mount Zion Churches are recorded in the minutes of the years as herewith listed. The association historian suggests that every church in the association have copies of the associational minutes bound every 10 years and keep them in the local church libraries. This will make the minutes of the years available to all the churches, and those bound volumes will grow more valuable with each passing year.

Although our association has had historians almost from the date of its organization, still the clerk was notable to find the history of any church recorded in the minutes until 1921. Just why the sketches of other years were not recorded in the minutes is inexplorable.

At the 1874 session of the association, it was decided to elect a historian annually, the minutes of 1875 record that "The report of the historian was adopted and ordered to be recorded in the 'Book of Records' of the Association." No trace of this book exists. The historical sketches from 1921 are shown in minutes as follows:

Dedication

The psalmist said: "Bless the Lord, O my soul, and all that is within me bless his holy name."

It is with gratitude to the Father that we dedicate the 1988 annual of the Mount Zion Baptist Association to the memory of The Reverend Frank E. Haith, Jr.

Frank accepted Christ in 1953 and joined the Altamahaw Baptist Church where he served as Sunday School teacher and superintendent, taught classes in Training Union, and served as a deacon. He answered the call of God in his life in 1958. In 1959 he was ordained and in 1961 was graduated from Fruitland Baptist Bible Institute. He served Altamahaw Baptist Church as pastor from September 1961 to April 1988. The church grew from 200 to 600 in membership.

Dottie, his devoted companion in the ministry, best summarized Frank's commitment to his Lord:

"His heart was that of an evangelist. Even though he loved evangelism, God also gave him a pastor's love for people and he spent his days and nights visiting the sick, the elderly, the lost and the hurting. Frank Haith's life was one of faithfulness to the call of God."

Let us follow in his train, and may we also look unto Jesus, the author and finisher of our faith.

Bylaws

of

Mount Zion Baptist Association

ARTICLE I — MEMBERSHIP

Section 1. The Association shall be composed of cooperating Southern Baptist churches within the area of the Association.

Section 2. The Association shall be sole judge of its membership and may receive churches, or reject churches, according to its bylaws. Member churches may withdraw from the Association as they desire. Any church in the Association which failed to cooperate with the Association shall be contacted by a committee appointed by the Coordinating Council of the Association to determine the intentions of the church regarding its remaining in the Association. In the event the church does not respond to the efforts of the Special Committee appointed by the Coordinating Council, the church will be considered as having chosen to withdraw from the Association.

A cooperating church shall be defined as one which sends an annual report to the Association and messengers to Associational meetings, and contributes to the financial program of the Association.

Section 3. Churches desiring to affiliate with the Association shall make a written request to the Coordinating Council of the Association at least three months prior to the October meeting. If, in the judgement of the Coordinating Council and the Committee on Membership, the requirements hereinafter set forth have been met, the church may be recommended for membership without delay at the October meeting of the member of the Association. In any other case a church may be received under watchcare of the Association.

Section 4. Any member, trustee, officer or agent elected or appointed by the membership may be removed by the membership whenever in its judgement the best interests of the Association will be served thereby.

ARTICLE II — MEMBERSHIP MEETINGS

Section 1. The Association Membership shall meet quarterly on the Monday after the second Sunday in January, April and July. In October the Association shall meet on Monday and Tuesday after the third Sunday.

Section 2. Special meetings may be called by the Moderator provided two weeks notice is given to the member churches.

Section 3. In case of emergency, the Coordinating Council shall have the authority to change the time and/or place of meetings.

Section 4. Each church is entitled to 10 messengers. Churches with more than 500 members are entitled to an additional messenger for each 100 members more than the initial 500. Messengers shall be elected annually for all Associational meetings. It is suggested that at least five of the messengers be leaders of individual church organizations.

Section 5. Each messenger shall have one vote on all matters submitted to vote of the members. Each vote must be cast in person and not by proxy. Unless otherwise expressly required by these Bylaws, one-tenth of the messengers shall constitute a quorum at a meeting of the members, provided that if less than such percentage of messengers in present at said meeting, a majority of the messengers present may adjourn the meeting from time to time. The act of a majority of the messengers present at a meeting at which a quorum is present shall be the act of the members, unless a greater proportion is required by statute or by these Bylaws.

ARTICLE III — NEW CHURCHES

Section 1. Any church seeking membership in the Association shall petition the Coordinating Council at least three months prior to the October meeting of the Association. The petition shall be referred to the Committee on Membership for its study of the petitioning church's covenant, articles of faith, history, practices, cooperative intentions, relations to other member churches of the Association, and its willingness to abide by the bylaws of the Association. The Committee on Membership shall report to the Association at the October meeting its findings and recommendations for Associational action.

ARTICLE XIV — INDEMNIFICATION AGAINST AND ELIMINATION OF LIABILITY

Section 1. *Indemnity.* Any person who at any time serves or has served as a Trustee or officer of the Association and any such person who serves or has served at the request of the Association as a trustee or advisor or consultant to another corporation, partnership, joint venture, trust or other enterprise, or as a trustee or administrator under an employee-benefit plan, any person who is or has been an employee of the Association who also serves or has served as a trustee or officer of the Association and any person who has been employed by the Association as Director of Missions, Administrative Associate or Church and Community Ministries Director shall have right to be indemnified by the Association to the full extent allowed by applicable law against liability and litigation expense arising out of such status or activities in such capacity. "Liability and litigation expense" shall include cost and expenses of litigation including reasonable attorney's fees, judgments, fines and amounts paid in settlement which are actually and reasonably incurred in connection with or as a consequence of any threatened, pending or completed action, suit or proceedings, whether civil, criminal, administrative or investigative, including appeals. In no circumstances, however, shall the Association indemnify any such person against any liability or litigation expense incurred if such person is adjudged in any action, suit or providing to have acted in bad faith or to have been liable or guilty by reason of willful misconduct in the performance of duty.

Section 2. *Determination of Right to Indemnity.* Promptly after the final disposition or termination of any matter which involves liability or litigation expenses as designated in Section 1 or at such earlier time as it deems fit, the Association shall determine whether any person described in Section 1 is entitled to indemnification thereunder. Such determination shall be limited to the following issues: (1) whether the persons to be indemnified are persons described in Section 1; (2) whether the liability or litigation expense incurred arose out of the status or activities of such persons for which indemnification is available under Section 1; (3) whether liability was actually incurred and/or litigation expense was actually and reasonably incurred; and (4) whether the liability and litigation expense were incurred by a person who acted in bad faith or willful misconduct in the performance of duty. Such determination shall be made by a majority vote of trustees who were not parties to the action, suit or proceeding or, in connection with "threatened actions, suits or proceedings, who were not 'threatened parties'." If at least two such disinterested trustees are not obtainable, or, even if obtainable, if at least half the number of disinterested trustees so direct, such determination shall be made by independent legal counsel in a written opinion to the Association.

Section 3. *Advance Expenses.*

(a) Litigation expenses for which indemnification is provided under Section 1 shall be paid by the Association in advance of the final disposition or termination of such matter, if the Association receives an undertaking dated, in writing and signed by the person to be indemnified, to repay all such sums unless such person is ultimately determined as provided in Section 2 to be entitled to be indemnified by the Association. Request for payments in advance of final disposition or termination shall be submitted in writing unless this requirement is waived by the Association. Before the first such payment is made, the Association shall have received the written undertaking referred to herein and notice of the request for advance payments shall have been given to the members of the Board of Trustees.

(b) Notwithstanding the foregoing subsection (a), no advance payment shall be made as to any payment or portion of a payment for which a determination is made that the person requesting payment will not be entitled to indemnification. Such determination may be made only by a majority vote of disinterested trustees or by independent legal counsel. If there are not at least two disinterested trustees, the notice of all requests for advance payment shall be delivered for review to independent legal counsel for the Association. Such counsel shall have the authority to disapprove any advance payment or portion of a payment for which it plainly appears that the person requesting payment will not be entitled to indemnification.

Section 4. *Settlements.* The Association shall not be obligated to indemnify persons described in Section 1 for any amounts paid in settlement unless the Association consents in writing to the settlement. The Association shall not unreasonably withhold its consent to proposed settlements. The Association's consent to a proposed settlement shall not constitute an agreement by the Association that any person is entitled to indemnification hereunder. The Association shall waive the requirements of this Section for its written consent as fairness and equity may require.

Section 5. *Application for Indemnity or Advances.*

(a) A person described in Section 1 may apply to the corporation in writing for indemnification or advance expenses. Such application shall be addressed to the Clerk or, in the absence of the Clerk, to any officer of the corporation. The corporation shall respond in writing to such application as follows: to a request for indemnity under Section 2, within ninety (90) days after receipt of the application; to a request for advance expenses under Section 3, within thirty (30) days after receipt of the application.

(b) The right to indemnification or advance expenses provided herein shall be enforceable in any court of competent jurisdiction. A legal action may be commenced if a claim for indemnity or advance expenses is denied in whole or in part, or upon the expiration of the time periods provided in the preceding subsection (a). In any such action, the claimant shall be entitled to prevail upon establishing that he or she is entitled to indemnification or advance expenses but the Association shall have the burden of establishing, as a defense, that the liability or expense was incurred as a result of acts in bad faith or willful misconduct in the performance of duty. In any such action, if the claimant establishes the right to indemnification, he shall also have the right to be indemnified against the litigation expense including reasonable attorney's fees of such action.

Section 6. *Incidents of Right of Indemnification.* The right to indemnification provided herein shall not be deemed to preclude any rights to which any persons seeking indemnity may be entitled apart from the provision of this bylaw, except that there shall be no right to indemnification as to any liability or litigation expense for which such person is entitled to receive payment under any insurance policy. Such right shall inure to the benefit of the heirs and legal representatives of any persons entitled to such right. Any person who at any time after the adoption of this bylaw serves or has served in any status or capacity described in Section 1, shall be deemed to be doing or to have done so in reliance upon, and as consideration for, the right of indemnification provided herein. Any repeal or modification hereof shall not affect any rights or obligations then existing and any person who would be entitled to indemnification for activities prior to the repeal or modification shall continue to be entitled to indemnification for such prior activities even if the claim arises and/or the liability and litigation expense occurs after the repeal or modification. The right provided herein shall not apply as to persons serving institutions which are hereafter merged into or combined with the Association except after the effective date of such merger or combination and only as to the status and activity after such date.

Section 7. *Supplemental.* The foregoing right of indemnification shall be in addition to and not exclusive of all other rights to which such director or officer, or an employee or agent may be entitled.

Section 8. *Savings Clause.* If this Article or any portion hereof shall be invalidated on any ground by any court or agency of competent jurisdiction, then the Association shall never-

theless indemnify each person described in Section 1 to the full extent permitted by the portion of this Article that is not invalidated and also to the full extent, but not exceeding the benefits described herein, permitted or required by other applicable law.

Section 9. *Elimination of Certain Liability.* In accordance with North Carolina General Statute §55A-28.1A, a person serving as a trustee or officer of the Association shall be immune individually from civil liability for monetary damages, except to the extent covered by insurance, for any act or failure to act arising out of his service as trustee or officer, except where such trustee or officer: (1) is compensated for his services beyond reimbursement for expenses; (2) was not acting within the scope of his official duties; (3) was not acting in good faith; (4) committed gross negligence or willful or wanton misconduct that resulted in the damage or injury; (5) derived an improper personal financial benefit from the transaction; (6) incurred the liability from the operation of a motor vehicle; or (7) is a defendant in an action brought under N.C.G.S. §55A-28.1 (Liability of Directors in Certain Cases) or N.C.G.S. §55A-28.2 (Member's and Director's Derivative Actions). If the North Carolina General Statutes are amended after approval of this section to authorize associate action further eliminating or limiting the personal liability of trustees, then the liability of a trustee of the Association shall be eliminated or limited to the fullest extent permitted by the North Carolina General Statutes, as so amended. No amendment or repeal of the provisions of this section shall apply to or have any effect on the liability or alleged liability of any trustee of the Association for or with respect to any act or failure to act on the part of such trustee occurring prior to such amendment or repeal. The provisions of this section shall not be deemed to limit or preclude indemnification of a trustee by the Association for any liability which has not been eliminated by the provision of this section.

Proceedings

of the

2. The 119th annual session of the Mount Zion Baptist Association was called to order by Moderator Curtis Oakley.
3. Page Cook led the congregation in singing the hymn, "Have Faith in God."
4. Steve Hardy, pastor of Holly Hill, welcomed messengers and led the congregation in prayer.
5. Mr. Maynard Ellington presented the order of business and made a motion for adoption. Motion was seconded by Kenneth Wilson and passed by messengers.
6. Sarah Finley, Associational Clerk, made a motion that the messengers registered and those to be registered in the following session constitute the voting body of the 119th annual session. Motion was seconded by Terrell Duncan, Northside, and carried by messengers.
7. Howard Silver, Director of Missions, recognized two new pastors in the association: Joe Bostwick, Haw River First, and Fred Braswell, Northside.
8. Howard Silver presented a plaque to Curtis Oakley in recognition of his leadership, support, and faithfulness as Moderator.
9. Curtis, Tyler, Finance Committee Chairman, recommended adoption of the printed financial report. Motion was seconded by Carl Kincaid, Ossipee, and voted by messengers.
10. Curtis Tyler presented the proposed budget to be read and studied by messengers prior to the Tuesday evening session, at which time a vote on the budget would be taken.
11. Edna Smith, Nominating Committee Chairman, recommended that the following be elected to fill vacancies created by resignations: Treasurer, Graham Rogers, Graham First; and Minister of Music, Page Cook, Holly Hill. Motion was seconded by Roy Taylor, Grove Park, and carried by messengers.
12. Howard Silver, reporting for Dr. Ralph Jones, presented the printed report from the Ordination Committee.
13. Carl Kincaid, Place and Preacher Committee, made a motion that the printed report and its recommendations be adopted. Motion was seconded by Judy King, Ossipee, and passed by messengers.
14. Kathy Crawford, reporting for the North Carolina Baptist Hospital, presented a printed report, shared case histories of persons who have been aided by the hospital, and described new additions in progress.
15. Howard Silver presented the printed Articles of Incorporation to be studied prior to vote on Tuesday evening. On advice of attorneys locally, on the state level, and in the Southern Baptist Convention, these Articles of Incorporation were created to limit liability in the event of any legal action brought against the Association. This would include legal action brought against local churches which might include the Association through ascending liability.
16. Page Cook led the congregation in singing "Set My Soul Afire."
17. Steve Hardy presented a printed Sunday School report and stated that the Mount Zion Association led North Carolina in the percentage of increase in Sunday School enrollment in 1986-87. He believes that this was a direct result of the Enrollment Training Clinic, the first in North Carolina, held in the spring of 1987.
18. Bob Stephenson, Church Training Director, presented a written report and shared excitement over proposed training ideas, including "M" Night to be held November 21 at Glen Hope. Contests to encourage participation were being held for children and for churches with the highest percentage of membership attending.

19. Roy Taylor, reporting for the Evangelism Committee, stated that we haven't finished our job - five billion people on earth are potential children of God - and we ought to be about the business of winning souls to Jesus Christ. He announced plans for simultaneous revivals scheduled for March and April of 1989 and encouraged churches to participate.

20. Bobby Dobbs presented the printed report from ACTS of Alamance and reminded messengers that two churches, Grove Park and Fellowship, are now televising services through ACTS. He explained the possibility that the operation of ACTS might be turned over to an organization called Friends of ACTS. This would allow the Southern Baptist Radio and Television Commission to concentrate on programming. ACTS is the fastest growing faith and family network in the country.

21. Lucille Nash recommended that the 1988 annual be dedicated to Frank E. Haith, Jr., former pastor of Altamahaw from 1961 to 1988. During his pastorate, church membership increased from 200 to 600. Motion was seconded by Felton Massey, pastor at Nall Memorial, and voted by messengers.

22. Page Cook sang "They Could Not."

23. Al Roberts, pastor at Hocutt Memorial, presented the Doctrinal Sermon. His text was Matthew 18, and he talked about the Christian's relationship to God, the church's relationship to God, and our perception of what the Lord has done for us. God's greatest gift is the gift of His love. It is the love of God that binds us together. God calls us as a community and also as a family of Christ. We should love together, pray together, and be concerned that we are doing the work of Christ.

24. Meeting was adjourned.

Tuesday Evening, October 18, 1988
MARS HILL BAPTIST CHURCH, HILLSBOROUGH

25. The meeting was called to order by Vice Moderator, Roy Taylor.

26. Page Cook led the congregation in singing "Redeemed How I Love to Proclaim It."

27. Curtis Tyler, pastor at Mars Hill, welcomed messengers and opened with prayer.

28. Howard Silver recognized Charles Goad from the Baptist Children's Homes.

29. Curtis Tyler, Finance Committee Chairman, moved for the adoption of the printed budget with the reminder that the people and the congregations in the association have responded to associational needs. No line item was included in the budget for the Thrift Shop because it no longer requires financial assistance. Motion was seconded by Norman Harris, Elon First, and passed by messengers.

30. Louise Booth presented the written WMU report and stated that the past year had been an exciting one which included the celebration of 100 years of WMU work in the Southern Baptist Convention.

31. Maynard Ellington, Missions Committee, thanked members of the Association for their participation in associational ministries and for continued financial support. He reminded messengers that lay men and lay women can be tremendous witnesses for the Lord wherever they are.

32. Bill McGowan, Brotherhood Director, presented a written report.

33. Charles Goad, Baptist Children's Homes, shared case histories of children and/or youth served by the Children's Homes. Mission gifts insure that no child is turned away because of money.

34. Ann Williamson presented a printed report from Church and Community Missions and thanked messengers for their prayers and physical support of associational ministries.

35. Chris Ayers, Bethel, presented the recommendations and printed report of the Resolutions Committee expressing appreciation to the host churches of the annual meeting. Motion was seconded by David Hines, Mars Hill, and voted by messengers.

36. Ken Barker, Prison Chaplain, presented a written report, shared experiences from his ministry to prisoners, and thanked the Association for including prison ministry in its endeavors.

37. Howard Silver, reporting for the Coordinating Council, recommended that the Articles of Incorporation presented at Monday night's session be approved. In responding to a question, Howard stated that one trustee is elected every odd year to serve for six years. Motion was seconded by Curtis Tyler and voted by messengers.

38. Curtis Tyler made a motion from the Finance Committee that the Associational Missions Offering in June be placed in the Capital Fund Account. Motion was seconded by Judy King, Ossipee, and carried by messengers.

39. Howard Silver presented the report of the Coordinating Council and Director of Missions. He stated that no other Association in the state has such a network of extensive ministries - made possible by more than 15,000 hours of volunteer work, and there is no other place he would rather serve in the state or in the Southern Baptist Convention.

In addressing the issue of stress and confusion in the convention, Howard said he honestly believes we can do something in the Association, even if we cannot do anything on the Convention level. We should do what we can as Baptists to exemplify and uphold the distinctives of Baptist history.

40. Roy Taylor expressed appreciation to Howard Silver for leading the Association and shared the belief that the best is yet to come.

41. A solo and narration of "God Gave the Song" was presented by Virginia Haithcock and Katherine Wilkerson, accompanied by Karen Perrera, all from Mars Hill Church.

42. Ernie Keck, Brazil Partnership Committee, shared slides and experiences from his recent trip to Brazil and encouraged messengers to participate in the scheduled trip for 1989. He described the work there as the "toughest job you'll ever love to do," and expressed his belief that anyone who goes and shares in this ministry will come back different. He stressed that all can share in this ministry whether it is by physically going to Brazil or through prayer and financial support.

43. Ernie Keck made a motion from the Brazil Partnership Committee, that a commissioning service be held in January and April for the team going to Brazil and that this be continued for teams going for the next five years. Motion was seconded by Bryan Jeffcoat, Mount Adair, and passed by messengers.

44. Don Bolden, Moderator of the Association for the coming year, was introduced and closed with prayer.

Quarterly Business Meetings

ON JANUARY 25, 1988, Cane Creek hosted the meeting with Tommy McDearis, Moderator, presiding. Bill Donaldson presented the printed financial report with a word of thanks to the members of the association for their continued financial support which allows the ministries of the association to reach out to the world. Howard Silver expressed appreciation for the new copier and new typewriter for the associational office. Edna Smith, Chairman of the Nominating Committee, made a recommendation that Bob Stephenson of Glen Hope Church be elected Church Training Director due to the resignation of David Carver from that position. The motion carried. Maynard Ellington, Chairman of the Missions Committee, recommended that the association open and operate a thrift store in Graham, North Carolina. The store would be staffed and operated by volunteers under the direction of the Missions Committee. He further recommended that the association provide an amount of money, not to exceed \$7,000 for store operation. The \$7,000 is to be paid back to the association before any proceeds are used for ministry purposes. He also recommended that the Associational Finance Committee choose how best to provide the \$7,000 necessary to begin operation. It was reported that \$6,300 would be needed for rent and utilities for one year and the remainder would be used for equipment and miscellaneous expenses. The messengers approved the recommendation. In the absence of Jack Gross, Chairman of Resolutions Committee, Jimmy Nickelston, Alamance First, recommended that a Resolution of Gratitude be accepted expressing appreciation to Marvin R. Bradley, a former member of Grove Park, for his witness through associational missions by participating in ministry to truck drivers and other highway travelers. Motion was carried by messengers. Howard Silver announced a Foreign Mission Board Commissioning Service to be held April 12, 1988, at Greensboro Coliseum with a combined area choir of 1,500 voices. Acting on a letter from the Baptist Hospital School of Pastoral Care, Tommy McDearis recommended that the association provide the approximately \$1,000 cost for tuition for Howard Silver to attend training sessions in dealing with churches in crisis. The need for such training has arisen because of the number of churches in conflict and/or crisis. Having called members of the Coordinating Council and the Finance Committee, Tommy was assured that sufficient funds were available. The Finance Committee was instructed to determine which funds would be used. Motion was carried by messengers. Tommy McDearis recognized Ricky Donaldson, new pastor at Moore's Chapel Church, and Ken Hopkins, new pastor at North Graham. The doctrinal sermon was delivered by Ernie Keck, pastor at Antioch Church. His scripture was taken from Ephesians 4:1-16. He declared that there is no difference in pastors and lay persons - that a pastor is called by God, not set above his brothers in Christ. Every person has a gift with which to minister and that Christians must allow God to show them how to use their gifts. He stressed that the body of Christ is a wondrous body that must work together, must accept one another, must care, and must love one another. Christians must pray that the church will become one and that every member will pray for unity - in the church, in the association, in the state, and in the convention.

On APRIL 11, 1988, Mount Zion Church hosted the meeting with Tommy McDearis, Moderator, presiding. Curtis Tyler, Chairman of the Finance Committee, made a recommendation from the committee that the financing for the thrift store be taken from the regular checking account. Recommendation was voted by messengers. Acting on a directive from the Association at the January meeting to provide funding for the thrift shop and for conference costs, the Finance Committee further recommended that line items be added in the budget for the thrift shop and a conference account for expenses for the Director of Mission's attendance at training sessions at the Baptist Hospital School of Pastoral Care. Curtis Tyler also made a recommendation from the Finance Committee that, at the request of the Acts Board, a telephone line be installed for the transmission of programming at a cost of \$350 for the balance 1988. This would also include the addition of a line item in the budget. Motion was passed by messengers. The printed Nominating Committee report was presented by Edna Smith. Also, acting upon a directive from the Annual Meeting in October, a Special Brazil Partnership

Committee was presented. The Nominating Committee report was passed by messengers. Charles Lemley, Chairman of Committee on Committees, presented a printed list of committees to serve from the close of the Annual Meeting 1988, to the close of the Annual Meeting 1990. List of committees was voted by messengers. Ann Williamson reported that revenue for the first three weeks at the thrift store was \$970 with monthly operating costs being \$600. Howard Silver introduced Fred Tredwell, new pastor at Glen Hope. Howard reminded messengers of the Foreign Mission Board Commissioning Service to be held the following Tuesday at Greensboro Coliseum. Ernie Keck, Antioch, gave a report from the Brazil Partnership and shared his excitement over his 10 days in Brazil. In a valley with 2½ million people, there are 22 Baptist churches. The people are open and frank and honest and want 32 additional churches in five years. Their major problem is lack of leadership training. The people there are spiritually hungry and the fields are ripe. Something will fill the hunger; will we fill it with Christianity? Terry Prichard, City Lake, delivered the doctrinal sermon taken from the first chapter of the gospel of John. He stated that 95 percent of church members never open their mouths about their salvation and asked when was the last time anyone present told somebody about Jesus. Jesus of Nazareth is the only hope there is.

ON JULY 11, 1988, Kinnett Memorial Church hosted the meeting with Curtis Oakley presiding. Edna Smith reported for the Committee on Nominations that there were to be no changes in the report given in April. Dr. Roy Taylor, pastor at Grove Park, will remain as Vice Moderator II and Chairman of the Evangelism Committee. Ernie Keck, pastor at Antioch, gave a report from the Brazil Partnership. Requests had been received from Sao Paulo, Brazil Partnership, for personnel to come train and equip people to teach Sunday School classes. Key Leadership Conferences were held for clerks, S.S. workers, Church Training workers, Music Directors, W.M.U. workers, Youth workers, Brotherhood, and Evangelism (Pastors).

Director of Missions Report

In Charles Dicken's immortal "A Christmas Carol," there is a moving scene where Scrooge seeks to comfort the ghost of his former business partner, Jacob Marley, by saying, "But you were always of business, Jacob." Whereupon Marley's ghost cries: "Business! Mankind was my business, the common welfare was by business: charity, mercy, forbearance, and benevolence were my business." Marley had discovered God's priorities too late.

We must always be on guard that we are in harmony with God's priorities. We must not risk discovering them too late.

All we do as Mount Zion Baptist Association is an attempt to be in harmony with God's priorities, and this Book of Advance Reports chronicles a year's work together. I believe you will be pleased when you read the reports of associational ministries you have helped to make possible.

Fellowship, mutual support, and trust among our churches and people remains high. This is all the more significant because of what is happening within the Southern Baptist Convention. Furthermore, these qualities are the best indication of the validity and effectiveness of Baptist Associationalism.

From their beginning in the seventeenth century, Baptists have justified associationalism on the basis of their need to be in friendly cooperation and fellowship with each other. It is at the associational level that churches first learn to trust, encourage, support, and cooperate with each other. If we fail to learn and develop these relationships at the associational level, it is not likely that they will be developed elsewhere in Baptist circles.

There is no need here for me to review other reports of associational ministries included in this book. I hope you will take time to read them carefully because they reveal thoughtful and deliberate responses to a wide range of ministry needs within the area of our association.

These reports also indicate how your financial gifts to the association were used. In addition, they reflect more than 15,000 hours of work done by volunteers — an admirable record, to say the least. Our vocabulary fails us when we try to put into words our gratitude for your generosity — both financially and personally.

You will be interested to read about some of our work in the January 1989 issue of *Royal Service*, the premier publication of the Woman's Missionary Union.

A special word of thanks is due the women of Mount Zion Association Woman's Missionary Union for their tireless work and unending prayers for the support of and participation in missions.

Our association has excelled in providing ministry to persons, but we have not done well in establishing new church work. This is one of our greatest challenges now.

Rapid population growth that has come to surrounding cities is now being seen in this association — especially in Hillsborough and the western part of Burlington and Alamance County. We must give more attention to population growth in our area. The need for additional churches is urgent.

I appeal to some of our churches that are able to do so, to consider beginning a new mission church in western Alamance County. Perhaps several churches could work together in beginning a new church. Nothing is more Biblical and few things that we could do are more rewarding. Your association, the Baptist State Convention, and the Home Mission Board stand ready to assist in such an endeavor.

A wide variety of missions opportunities beckon us through our partnership with Baptists in the Vale do Parieba Association in Sao Paulo, Brazil. Several of our people are planning to go

to Brazil in February 1989. There is need for others to go not only in February, but also in September. If you can go to Brazil, we encourage you prayerfully to consider this unique opportunity for Christian service.

It was our intention to have by this time a substantial report regarding a new association of office center. However, we are not able to do so. Finding a suitable location is proving to be difficult. Moreover, adequate financial resources are not in view. We shall continue the search for a location and finances for an adequate office facility.

This report would be incomplete without reference to the conflict and strife within our beloved Southern Baptist Convention. Stress has increased during the last year, and there is little evidence that it will subside soon. Many of our loyal denominational servants are anxious and apprehensive. There is also concern because of a decline in cooperative and mission giving. The Southern Baptist Convention needs and deserves our prayers.

Your association is committed to honoring the practices that have distinguished Baptists throughout the centuries, such as: the dignity and worth of each individual person, the liberty and sanctity of conscience, the priesthood of every believer, the autonomy of the local church, servant leadership, and cooperation that is free of coercion and friendly in spirit.

Our Baptist forebearers bequeathed to us a noble heritage of faith and freedom. We shall do our best to be worthy of our heritage. We shall relate to and respect each other without trampling on each other's conscience. With God as our helper we shall not dishonor our forebearers nor disgrace ourselves in the days ahead.

As I near the end of my tenth year as Director of Missions, I record here my indebtedness to the people of our churches for the privilege to serve in this capacity.

Finally, I thank Ken Barker, Mona Silver, and Ann Williamson, the other members of the associational staff, for their loyalty, cooperation, and support. In the truest sense of the word, they are my "fellow laborers" in the Gospel.

Respectfully submitted,
J. Howard Silver

ACTS of Alamance, Inc. Report

January 1989 will mark the fourth year that the American Christian Television System has been available to homes with cable in Alamance County. Today, ACTS nationwide has 8.2 million confirmed households, with 375 cable affiliates nationwide. It has been called by Cablevision Magazine "The fastest growing faith and family network."

Here in Alamance County, this has been an exciting year. June 5, 1988, marked the first presentation of a local church service, as Grove Park Baptist Church began televising its morning service live at 11:00 on Sunday morning. Fellowship Baptist Church began taped delayed coverage of its Sunday morning worship service in July. Their service can be seen Mondays at 7:30 P.M. and Wednesday morning at 10:30. Grove Park also repeats their service on a tape delay Thursday at 7:30 P.M. We have achieved our goal of local origination.

Our goal now is to involve more of our churches and more of the community in what we are doing. We hope to enlist the help of community leaders to advise us on local programming needs. This Program Advisory Committee will be a valuable outreach tool to the community and help us focus our attention toward specific needs in the community. We would like to involve more of our Southern Baptist Churches as well as our friends from other mainline denominations to get involved in this ministry. If your church would be interested in participating in this ministry or developing a television ministry in your church, please contact me at 584-4493 for more information. I will be glad to help.

Respectfully submitted,
Bobby Dobbs, President
ACTS of Alamance, Inc.

Ordination Committee Report

This was an active year for the Ordination Committee. The several candidates were examined regarding their Christian experience, sense of call to ministry and their understanding of Biblical doctrine.

The following persons were recommended to their respective churches for ordination to the Gospel Ministry: Randy Thompson by the Haw River Baptist Church; Susan Finley by the Brookwood Baptist Church; Leslie Rhodes by the Hocutt Memorial Baptist Church; Kenneth Hopkins by the Fellowship Baptist Church; John Garner by the Altamahaw Baptist Church; and April Baker by the Cane Creek Baptist Church.

Missions Committee Report

As the Lord continues to open new avenues of service in His Kingdom, Mount Zion continues to respond and provide the people and resources to carry out that task.

The Mount Zion Baptist Association Thrift Store was opened this year, located on Harden Street. It meets the needs of many people who find clothing and other household items affordable. Proceeds from the sale of the donated items will go to help in the crisis needs of individuals and families throughout the association.

I think Mount Zion can identify with the apostle Paul when he heard the Macedonian call to "Come over and help us." The Baptists of Brazil have said just that in a plea for help in beginning new churches, missions, Bible study groups, launch radio and T.V. programs with the message of Christ. This call came to the SBC Foreign Missions Board who in turn asked the NC Baptist State Convention to lead in pairing associations in North Carolina with an association in Brazil. We now have the opportunity to help Baptists in the State of Sao Paulo, Brazil, who will become our partners. As the Lord leads us to share our witness through whatever skills and talents we are willing to commit, on a voluntary basis, you will become missionaries for two weeks for Mount Zion and our Lord. Plans are now being made for a group to go to Brazil in February and October 1989, and each year thereafter another group will be going at approximately the same times. If the Lord is leading you in this direction, please contact the Mount Zion Association office.

Continue to pray about our involvement in the rapid growth in the Western Alamance County area. We need a Baptist witness in the midst of all this growth.

The most certain fact at this time of uncertainty, is that God has promised to make provision for whatever He leads His committed people to do.

We only need to be sure that we are marching at His command and are committed to His purpose in Mount Zion Baptist Association.

Respectfully submitted,
Maynard Ellington, Chairman
Missions Committee

Church Training

This has been a year of transition for Church Training. A change in job hours and responsibility necessitated the resignation of the Director, David Carver. In January, Bob Stephenson was elected as the new Church Training Director and foundational plans began to be laid for the new year.

With 40 churches in our Association last year well over half of them (25 to be exact) reported having a Church Training enrollment. Of the 15 churches that did not report, we have

discovered that several actually had Church Training but did not think they had. It is exciting indeed to see more and more churches becoming aware that Church Training is a valuable resource to the ongoing program of the church.

The goals of Church Training for this coming year are:

- (1) establishment of an ACT Team (Associational Church Training) with age graded specialists to assist churches in establishing or strengthening Church Training in their church;
- (2) to create an awareness of what Church Training is and what it involves so that all churches which qualify will recognize that they have Church Training and report it on their uniform church letter; and
- (3) to provide activities, seminars and training to our Association that will help us all to see what is available in Church Training and how to use it.

The following calendar dates have been set:

November 21, 1988 - Associational "M" Night

March 11, 1989 - Associational Youth Night

March 20, 1989 - Encourager Conference with Maurice Cooper

April 15, 1989 - Associational Children's Bible Drill

May 13, 1989 - Regional Children's Bible Drill - Asheboro

November 20, 1989 - Associational "M" Night

Let me share with you an excerpt from a letter written to pastors recently from Dr. Roy Edgemon of the Church Training Department.

"During the past ten years the scope of Church Training's approaches to discipleship training have expanded beyond the traditional Sunday night program. Responding to the request of churches there are now 49 Equipping Center modules, several new church member training books, age graded quarterlies, DiscipleYouth, DiscipleLife and the new Disciple-Now plan. Our response to the churches has resulted also in the development of MasterLife, PrayerLife, Parenting by Grace, Covenant Marriage, MasterBuilder, MasterDesign, DecisionTime and a whole series of Baptist Doctrine Study books."

Church and Community Ministries Report

The year 1988 brought with it many opportunities to minister to the people around us. We were able to try some new ministries and continue with the ones that have been ongoing. These ministries could not continue without the support of our churches and to our churches I want to express my sincerest appreciation.

In March of this year, after several months of consideration and hard work, we opened the "Mount Zion Baptist Association Thrift Store." This store is located at 314 West Harden Street in Graham. We have been fortunate that persons have donated items and their time in making this ministry a success. We feel that this ministry helps in several ways, (1) by offering a place for persons to take items that they no longer need or can use, (2) our prices are reasonable so that most persons can buy quality merchandise at reduced prices, and (3) the revenues created from these sales can be used to help with crisis ministries throughout our association. The store has a good variety of merchandise at all times and sales have maintained a good average thus far.

During the month of May, we tried another ministry, a picnic for the visually impaired persons in our area. This picnic was held at Burlington City Park with more than 50 persons in

attendance. Those who came to this event seemed to have a good time and our aim is to make this an annual happening.

Beverly Alford led a Laubach Literacy Workshop in late February. More than 30 persons participated in this training.

The Associational Food Pantry has served numerous families and individuals during this year. The greater number of requests came in late spring and early summer as the migrant families came to our area.

Orange Congregations in Mission did an excellent job this year in helping families who were burned out of an apartment complex. They assisted with housing, finances, and in many other ways as needed.

Beth Greene has done an excellent job as Executive Director of the Allied Churches of Alamance County. She has encouraged churches and individuals to become members of this organization and had good response.

Once again the Southern Baptist Churches in Orange and Alamance Counties have had large number of walkers and sponsors at both CROP Walks. For the most part, funds collected by Baptist walkers were directed to the Southern Baptist Foreign Mission Board.

Bushy Fork Community Center in Person County was the sight of our Annual Migrant Picnic. Although the number was not very large, those attending seemed to have a good time. Randy Brady of Mebane, First Baptist Church, along with his youth group, led the children in games. The meal consisted of submarine sandwiches, baked beans and rice. Bain Daniels led the worship service and the breaking of the pinata ended a day of fun and fellowship.

The "Oasis," our flea market booth, continues to be one of our most effective ministries. This year, we have added pictures as one of the items we are giving away. These pictures are usually seasonal, can be colored by children and carry a message about God's love.

Diane Daniels continues to provide excellent leadership for the Baptist Student Union at Elon College. The 1988-89 school year has started out with about 10 young people attending the meetings. The WMU groups of our churches provide meals for the lunchtime meetings.

The "Right Turn Trucker's Chapel" still needs our volunteer help and our prayer support. It seems that more and more persons are learning of its location, however we do not have enough volunteers to keep it open every day. It now remains closed on Saturday and Sunday.

Our second Annual Volunteer Appreciation event was held on September 29 at Burlington, First Baptist Church. Bertha Henderson was named "Volunteer of the Year" and was awarded an engraved plaque. Bertha has given numerous hours of her time to the thrift store, flea market and truck stop, plus lots of other ministries which are not directly related to the association.

Although we asked for a booth at "Arts 'Round the Square," we were unable to get one, however we were able to expand our booth ministry to the Alamance County Fair. Our booth was in an excellent location and quite often people were waiting in line for the cups of cold water we were offering.

As we begin a new year, I anticipate new challenges and opportunities. I covet your prayers as we try to decide on the best manner in which to witness to those around us.

Respectfully submitted,
Ann P. Williamson, Director
Church and Community Ministries

Sunday School Report

This year has been a good year for Sunday School in Mount Zion Association. Several training events were held that included workshops on Sunday School growth, teacher training, VBS Clinics, and a planning workshop for pastors and Sunday School directors.

It is also possible for us to report that during the 1986-1987 Sunday School year our association led the Baptist State Convention in percentage of enrollment increase, and per

capita training awards. This was possible primarily because of the Enrollment Training Clinic that was held in March of 1987. It is our hope that the principles learned during that event are still being implemented by our churches and that our Sunday Schools are continuing to show significant growth.

In the upcoming years we offer our churches the expertise of our ASSISTeam. We will also have a number of training events scheduled during the 1988-89 year.

Respectfully submitted,
Steve Hardy
Sunday School ASSIST Leader

Prison Ministry Report

This past year was a productive and positive one for the prison ministry. Because of the efforts of numerous volunteers and the solid support of the association, the inmates, their families, and staff continue to be ministered to in a viable way. Lives continue to be touched by the grace of God, and change takes place.

Specifically, there have been numerous highlights during the year. Binkley Baptist Church sponsored a weekend retreat which involved 10 inmates from the Orange County Unit. Numerous volunteers from the church participated in this retreat. The theme or issue that was focused on was trust. The feedback from the evaluation forms was very positive. We feel that a lot of growth occurred and many stereotypical barriers were broken.

Both units continue to have Bible studies each week. The volunteers that lead these are some of the most dedicated men and women I have ever seen.

Both units participated in the annual CROP walks that the churches in each respective community sponsors. We feel these projects offer a positive experience for the men that enable them to feel good about themselves.

Yokefellows continue to meet on a regular basis at each camp. There has been an increase in volunteers in this program, which offers Christian friendship and fellowship for the men.

We increased our ministry during the Christmas season by assisting some of the families of our inmates. We also sponsored a family day during Christmas and served delicious cakes furnished by our Mount Zion Association women.

One of the disappointments of the year was the failure of the support group for family members of the inmates. We ran into some unforeseen problems which led to its failure.

This has been offset by some positives however. At the Alamance unit we had a Prison Fellowship seminar entitled "You are Somebody." This three day seminar was well received by the men and well attended. We averaged better than 17 in attendance. A similar seminar is being planned for the Orange County unit.

Another new ministry project has been the provision of a birthday toiletry gift bag for each inmate which compliments nicely the birthday parties given each month by the WMU groups of the association.

One area we are excited about also is the formation of a service organization at the Alamance unit. This organization will come under the auspices of chaplaincy service and will attempt to sponsor projects to benefit the inmates. We have several projects planned already.

Once again let me thank you for the opportunity and privilege to serve as your prison chaplain.

Respectfully submitted,
Ken Barker, Chaplain
Alamance/Orange Prison Ministry

Brotherhood Report

As Brotherhood Director, I was privileged to attend Key Leadership at Ridgecrest on May 9-11. As a result of this training, I then led the Brotherhood conference at Kinnett Memorial Baptist Church on July 11, 1988.

I participated in an organizational Brotherhood meeting with Hillsborough, First in August.

The Brotherhood Leadership Workshop on September 27 at Holly Hill had 18 of our church leaders in attendance. Robert Gains led the RAs and Mannual Cannup led the Brotherhood and Baptist Men.

The future plans for the Brotherhood include some workdays at Mills Home and starting a library at the Associational Office. This library will include tapes of men in missions.

Respectfully submitted,
Billy McGowan
Brotherhood Director

Evangelism Committee Report

The Evangelism Committee of the Mount Zion Association is on schedule in leading the pastors and churches in the major plans for the Year of the Laity 1989 and the Simultaneous Revivals of 1990.

In the spring of 1988 we conducted training sessions to equip and certify the local pastors for leading Lay Evangelism Schools in the churches. We strongly encourage all churches in the association to schedule a school or at least to participate in a school with one of the other churches. This training of the Laity is essential for the success of the revivals in the spring of 1990.

Respectfully submitted,
Roy Taylor, Chairman
Evangelism Committee

Place and Preacher Committee

The Place and Preacher Committee of the Mount Zion Baptist Association makes the following recommendations:

That the January 9, 1989 quarterly associational meeting be held at First Baptist Church, Hillsborough; that the April 10, 1989 quarterly associational meeting be held at Swepsonville Baptist Church; that the July 10, 1989 quarterly associational meeting be held at First Baptist Church, Elon College; and that the one hundred twentieth annual session be held at Riverside Baptist Church on October 16, 1989, and at Antioch Baptist Church on October 17, 1989.

The committee further recommends that the doctrinal sermon be brought by Reverend Clarence Vaughn, with Reverend Lee Ray Greene as alternate; and that Reverend Carl Kincaid deliver the annual sermon with Reverend Harold Ball as alternate.

Woman's Missionary Union Report

Our WMU emphasis for 1987-88 has been *A Century to Celebrate and A Future to Fulfill*. Our watchword is found in Hebrews 13:7-8 RSV: "Remember your leaders, those who spoke to you the word of God; consider the outcome of their life, and imitate their faith. Jesus Christ is the same yesterday, and today and forever." Throughout our SBC our WMU ladies have been celebrating and reflecting back on how WMU began and the growing and reaching out of this organization here and to the end of the world. Edna Smith, our Centennial Chairman here in Mount Zion, has worked with our churches in celebrating this great event. On May 13 and 14, many from the Mount Zion Baptist Association attended the WMU Centennial in Richmond, Virginia. There were 15 churches represented by 50 Baptist Women. We were so happy that Ella Mae Greene received the WMU award for her Centennial quilt. She is a member of Eastlawn Baptist Church. Edna Smith represented our Association in the associational parade on Saturday. The highlight of that celebration will live in our memory as long as we live. There were 10,000 or more attending this event. There were 180 foreign WMU members present representing 24 nations. There were 166 missionaries commissioned on Saturday night. This was a great celebration for all of us, but there is a greater *Future to Fulfill* ahead which demands our best in His service. One hundred years ago Annie Armstrong had as her rally cry "Go Forward." We cannot stand still and we must *Go Forward* in WMU service.

Our Associational WMU organizations have been involved in teaching missions, supporting missions, engaging in mission action and direct evangelism, planned and directed by Ann Williamson and Kathy Watson. The Thrift Shop has added a great interest in this part of our association and the one in Hillsborough has helped to fulfill many needs.

Our Associational WMU was recognized as Distinguished by the State WMU Office and also at our annual meeting in March. We are proud to recognize the following churches for their achievement in 1986-1987.

The 82nd Annual Session of the Mount Zion Associational WMU met at the First Baptist Church of Burlington on March 15, 1988, with 215 registering. This was the Mount Zion WMU Centennial Celebration. In our 5:00 p.m. session the emphasis was *A Century to Celebrate*.

Several of our ladies represented our earlier leaders and dressed according to their time when they served. We also had Mount Zion reflections. In the 7:30 p.m. session our emphasis was a *Future to Fulfill*. Our missionary speaker was Mrs. Kay Culpepper, missionary from Japan, sharing her experiences in Japan. Mrs. Dianne Daniels gave our challenge for future missions. Dr. Howard Silver challenged us with North Carolina Partnership with Brazil and what we can do to help. This was a great time for all of us.

Other outstanding events for many of us was our North Carolina State WMU meeting March 18-19 at the Holiday Inn, Four Seasons, Greensboro. Many of our ladies attended these sessions. On April 12, 1988, we attended the Foreign Missions Appointment Service held at the

Greensboro Coliseum. This was a special time for all of us hearing and seeing how our Lord is leading His children in missions, sharing the Good News that Jesus is Saviour and Lord to all the world.

All of our age level directors and their age groups have been involved in various activities during this past year. The future is now and in the year to come "Let us Go Forward" in Mount Zion WMU here in our association and to the ends of the world. Mrs. Nancy Bridges is our WMU Director for 1988-89.

Historical Sketches of Mount Zion Churches

Brief histories of Mount Zion Churches are recorded in the minutes of the years as herewith listed. The association historian suggests that every church in the association have copies of the associational minutes bound every 10 years and keep them in the local church libraries. This will make the minutes of the years available to all the churches, and those bound volumes will grow more valuable with each passing year.

Although our association has had historians almost from the date of its organization, still the clerk was notable to find the history of any church recorded in the minutes until 1921. Just why the sketches of other years were not recorded in the minutes is inexplicable.

At the 1874 session of the association, it was decided to elect a historian annually, the minutes of 1875 record that "The report of the historian was adopted and ordered to be recorded in the 'Book of Records' of the Association." No trace of this book exists. The historical sketches from 1921 are shown in minutes as follows:

## Dedication

The Apostle Paul begins the final chapter of his letter to the Romans with a strong commendation of Phoebe for whom he had highest regard. The name "Phoebe" means bright or radiant and Phoebe probably carried Paul's letter to his friends in Rome. He referred to Phoebe as "Our sister (in Christ who is a servant of the church...)"

One is hard pressed to find words that are more appropriate for Edna Jobe Smith than "Our Sister (in Christ) who is a servant of the church." Her service to the church is widely known and deeply appreciated.

A Christian for more than 60 years, Edna lives an exemplary life, and she demonstrates the very best of what it means to be Baptist. She serves her church at its local, associational, and state levels.

She has been a leader in Northside Baptist Church of Burlington, North Carolina since 1955. Currently, she serves her church as clerk, but she has also served as deacon, Woman's Missionary Union Director, Young Woman's Auxiliary Director, Youth Worker, and Sunday School Teacher.

At the associational level, Edna has served as Woman's Missionary Union Director, Young Woman's Auxiliary Director, Mission Action Director, Woman's Missionary Union Treasurer, Clerk, and currently serves as Vice Moderator.

She has served the Baptist State Convention of North Carolina as a member of the General Board, Woman's Missionary Union Executive Board, Woman's Missionary Union Camp Committee and as a member of the Convention Nomination Committee. In addition, she served as a member of the planning committee for a special Foreign Missions Commissioning service in Greensboro Coliseum in April 1988.

A native of Alamance County, Edna is married to Robert Daniel Smith. She is a graduate of Mars Hill College and Burlington Business College.

Edna's love for and commitment to the church is an inspiration and encouragement to all who know her. It is altogether fitting that this edition of the Mount Zion Baptist Association Annual be dedicated to her.

### Mount Zion Baptist Association

#### ARTICLE I — MEMBERSHIP

Section 1. The Association shall be composed of cooperating Southern Baptist churches within the area of the Association.

Section 2. The Association shall be sole judge of its membership and may receive churches, or reject churches, according to its bylaws. Member churches may withdraw from the Association as they desire. Any church in the Association which failed to cooperate with the Association shall be contacted by a committee appointed by the Coordinating Council of the Association to determine the intentions of the church regarding its remaining in the Association. In the event the church does not respond to the efforts of the Special Committee appointed by the Coordinating Council, the church will be considered as having chosen to withdraw from the Association.

A cooperating church shall be defined as one which sends an annual report to the Association and messengers to Associational meetings, and contributes to the financial program of the Association.

Section 3. Churches desiring to affiliate with the Association shall make a written request to the Coordinating Council of the Association at least three months prior to the October meeting. If, in the judgement of the Coordinating Council and the Committee on Membership, the requirements hereinafter set forth have been met, the church may be recommended for membership without delay at the October meeting of the member of the Association. Section 1. *Indemnity.* Any person who at any time serves or has served as a Trustee or officer of the Association and any such person who serves or has served at the request of the Association as a trustee or advisor or consultant to another corporation, partnership, joint venture, trust or other enterprise, or as a trustee or administrator under an employee-benefit plan, any person who is or has been an employee of the Association who also serves or has served as a trustee or officer of the Association and any person who has been employed by the Association as Director of Missions, Administrative Associate or Church and Community Ministries Director shall have right to be indemnified by the Association to the full extent allowed by applicable law against liability and litigation expense arising out of such status or activities in such capacity. "Liability and litigation expense" shall include cost and expenses of litigation including reasonable attorney's fees, judgments, fines and amounts paid in settlement which are actually and reasonably incurred in connection with or as a consequence of any threatened, pending or completed action, suit or proceedings, whether civil, criminal, administrative or investigative, including appeals. In no circumstances, however, shall the Association indemnify any such person against any liability or litigation expense incurred if such person is adjudged in any action, suit or providing to have acted in bad faith or to have been liable or guilty by reason of willful misconduct in the performance of duty.

Section 2. *Determination of Right to Indemnity.* Promptly after the final disposition or termination of any matter which involves liability or litigation expenses as designated in Section 1 or at such earlier time as it deems fit, the Association shall determine whether any person described in Section 1 is entitled to indemnification thereunder. Such determination shall be limited to the following issues: (1) whether the persons to be indemnified are persons described in Section 1; (2) whether the liability or litigation expense incurred arose out of the status or activities of such persons for which indemnification is available under Section 1; (3) whether liability was actually incurred and/or litigation expense was actually and reasonably incurred; and (4) whether the liability and litigation expense were incurred by a person who acted in bad faith or willful misconduct in the performance of duty. Such determination shall be made by a majority vote of trustees who were not parties to the action, suit or proceeding or, in connection with "threatened actions, suits or proceedings, who were not 'threatened parties.'" If at least two such disinterested trustees are not obtainable, or, even if obtainable, if at least half the number of disinterested trustees so direct, such determination shall be made by independent legal counsel in a written opinion to the Association.

#### Section 3. *Advance Expenses.*

(a) Litigation expenses for which indemnification is provided under Section 1 shall be paid by the Association in advance of the final disposition or termination of such matter, if the Association receives an undertaking dated, in writing and signed by the person to be indemnified, to repay all such sums unless such person is ultimately determined as provided in Section 2 to be entitled to be indemnified by the Association. Request for payments in advance of final disposition or termination shall be submitted in writing unless this requirement is waived by the Association. Before the first such payment is made, the Association shall have received the written undertaking referred to herein and notice of the request for advance payments shall have been given to the members of the Board of Trustees.

(b) Notwithstanding the foregoing subsection (a), no advance payment shall be made as to any payment or portion of a payment for which a determination is made that the person requesting payment will not be entitled to indemnification. Such determination may be made only by a majority vote of disinterested trustees or by independent legal counsel. If there are not at least two disinterested trustees, the notice of all requests for advance payment shall be delivered for review to independent legal counsel for the Association. Such counsel shall have the authority to disapprove any advance payment or portion of a payment for which it plainly appears that the person requesting payment will not be entitled to indemnification.

**Section 4. *Settlements.*** The Association shall not be obligated to indemnify persons described in Section 1 for any amounts paid in settlement unless the Association consents in writing to the settlement. The Association shall not unreasonably withhold its consent to proposed settlements. The Association's consent to a proposed settlement shall not constitute an agreement by the Association that any person is entitled to indemnification hereunder. The Association shall waive the requirements of this Section for its written consent as fairness and equity may require.

**Section 5. *Application for Indemnity or Advances.***

(a) A person described in Section 1 may apply to the corporation in writing for indemnification or advance expenses. Such application shall be addressed to the Clerk or, in the absence of the Clerk, to any officer of the corporation. The corporation shall respond in writing to such application as follows: to a request for indemnity under Section 2, within ninety (90) days after receipt of the application; to a request for advance expenses under Section 3, within thirty (30) days after receipt of the application.

(b) The right to indemnification or advance expenses provided herein shall be enforceable in any court of competent jurisdiction. A legal action may be commenced if a claim for indemnity or advance expenses is denied in whole or in part, or upon the expiration of the time periods provided in the preceding subsection (a). In any such action, the claimant shall be entitled to prevail upon establishing that he or she is entitled to indemnification or advance expenses but the Association shall have the burden of establishing, as a defense, that the liability or expense was incurred as a result of acts in bad faith or willful misconduct in the performance of duty. In any such action, if the claimant establishes the right to indemnification, he shall also have the right to be indemnified against the litigation expense including reasonable attorney's fees of such action.

**Section 6. *Incidents of Right of Indemnification.*** The right to indemnification provided herein shall not be deemed to preclude any rights to which any persons seeking indemnity may be entitled apart from the provision of this bylaw, except that there shall be no right to indemnification as to any liability or litigation expense for which such person is entitled to receive payment under any insurance policy. Such right shall inure to the benefit of the heirs and legal representatives of any persons entitled to such right. Any person who at any time after the adoption of this bylaw serves or has served in any status or capacity described in Section 1, shall be deemed to be doing or to have done so in reliance upon, and as consideration for, the right of indemnification provided herein. Any repeal or modification hereof shall not affect any rights or obligations then existing and any person who would be entitled to indemnification for activities prior to the repeal or modification shall continue to be entitled to indemnification for such prior activities even if the claim arises and/or the liability and litigation expense occurs after the repeal or modification. The right provided herein shall not apply as to persons serving institutions which are hereafter merged into or combined with the Association except after the effective date of such merger or combination and only as to the status and activity after such date.

**Section 7. *Supplemental.*** The foregoing right of indemnification shall be in addition to and not exclusive of all other rights to which such director or officer, or an employee or agent may be entitled.

**Section 8. *Savings Clause.*** If this Article or any portion hereof shall be invalidated on any ground by any court or agency of competent jurisdiction, then the Association shall never-

theless indemnify each person described in Section 1 to the full extent permitted by the portion of this Article that is not invalidated and also to the full extent, but not exceeding the benefits described herein, permitted or required by other applicable law.

Section 9. *Elimination of Certain Liability.* In accordance with North Carolina General Statute §55A-28.1A, a person serving as a trustee or officer of the Association shall be immune individually from civil liability for monetary damages, except to the extent covered by insurance, for any act or failure to act arising out of his service as trustee or officer, except where such trustee or officer: (1) is compensated for his services beyond reimbursement for expenses; (2) was not acting within the scope of his official duties; (3) was not acting in good faith; (4) committed gross negligence or willful or wanton misconduct that resulted in the damage or injury; (5) derived an improper personal financial benefit from the transaction; (6) incurred the liability from the operation of a motor vehicle; or (7) is a defendant in an action brought under N.C.G.S. §55A-28.1 (Liability of Directors in Certain Cases) or N.C.G.S. §55A-28.2 (Member's and Director's Derivative Actions). If the North Carolina General Statutes are amended after approval of this section to authorize associate action further eliminating or limiting the personal liability of trustees, then the liability of a trustee of the Association shall be eliminated or limited to the fullest extent permitted by the North Carolina General Statutes, as so amended. No amendment or repeal of the provisions of this section shall apply to or have any effect on the liability or alleged liability of any trustee of the Association for or with respect to any act or failure to act on the part of such trustee occurring prior to such amendment or repeal. The provisions of this section shall not be deemed to limit or preclude indemnification of a trustee by the Association for any liability which has not been eliminated by the provision of this section.

Howard also recognized the following who have begun serving in Associational churches since last year: Greg Clark, Associate Pastor, Riverside; Gene Martin, pastor, Mount Adar; Chris Gambill, pastor, Cane Creek; B.E. White, pastor, Hillsborough, First; Dan Christopher, pastor, Altamahaw; and Bill Page, Minister of Music, Mebane, First.
7. A printed financial report was presented, recommended for adoption and seconded.
8. Norman Harris presented the proposed budget to be read and studied by messengers prior to the Tuesday evening session, at which time a vote on the budget would be taken.
9. Dr. Ralph Jones presented the printed report from the Ordinations Committee and moved for its acceptance, seconded by Graham Rogers, Graham, First, and voted by messengers.
10. Dale Steele, Place and Preacher Committee, made a motion that the printed report and its recommendations be adopted. Motion was seconded and passed by messengers.
11. Kathy Crawford, reporting for the North Carolina Baptist Hospital, reported on the opening of the new wing at Baptist Hospital which brings the total number of beds to 806. Last year this hospital had 22,000 + admissions from 35 states and eight foreign countries. North Carolina Baptists gave \$1,000,000 last year to the hospital. Kathy shared briefly about a new scholarship fund at the hospital designed to recruit needed personnel.
12. Bill Page led the congregation in singing "Churches in Association."
13. In the absence of Steve Hardy, a printed Sunday School report was presented.
14. Bob Stephenson, Church Training Director, presented a written report and shared excitement over proposed training ideas, including "M" Night to be held November 20. Contests to encourage participation were being held for churches with the highest percentage of membership attending and churches with the highest number attending.
15. Bob Stephenson made a recommendation that the name of Church Training be changed to Discipleship Training. (This is being done throughout the Southern Baptist Convention.) The motion was seconded and voted by messengers.
16. Joe Hicks presented a printed report for the Evangelism Committee and reminded messengers of simultaneous revivals scheduled for April of 1990. He encouraged churches to participate. The revivals will be advertised on ACTS network.
17. Bobby Dobbs presented the printed report from ACTS of Alamance and reminded messengers that two churches, Grove Park and Fellowship, are now televising services through ACTS. Nine million households are now receiving ACTS.

18. Lucille Nash recommended that the 1989 annual be dedicated to Edna Smith, Northside. Lucille's daughter, Laura McGee from Winston-Salem, read a tribute to Edna emphasizing her dedication to missions. Motion was seconded and voted by messengers.

19. Bill Page sang "If My People Will Pray."

20. Howard Silver presented the Director of Missions report and a report from the Coordinating Council. He explained plans for PROBE, a survey scheduled to study growth patterns in the area served by Associational churches. The survey would provide information relating to the possibility of starting new churches and/or missions. He then stressed that as the conflict increases in our convention more and more importance will be placed on knowing and trusting each other within the Association. He encouraged messengers to make this Association a place of friendship, fellowship, and mutual caring. He gave his personal testimony on what Baptists have meant to his life and his personal growth as a Christian, as a pastor, and as Director of Missions. He appealed to pastors to reintroduce their congregations to Baptists - to who and what we are and what has made us a distinctive people. Controversies tend to divert us from our main task. He stressed that it is his prayer that Baptists will not become so fragmented and broken that our work and mission will be destroyed.

21. It was requested that Howard's message be printed and made available to churches.

22. Curtis Oakley pronounced the benediction and the meeting was adjourned. A fellowship was hosted by Riverside.

Tuesday Evening, October 17, 1989  
ANTIOCH BAPTIST CHURCH - CHAPEL HILL

23. The meeting was called to order by Moderator, Don Bolden.

24. A mini-concert was presented by the Vocal Ensemble from Burlington, First, led by Joel Marshall, Minister of Music, and accompanied by Sarah Finley.

25. Joel Marshall led the congregation in singing "I Love to Tell the Story" accompanied by Hilda Durham, Antioch.

26. Ernie Keck, pastor of Antioch, welcomed messengers and opened with prayer.

27. Howard Silver reminded messengers of State Convention to be held November 13-14 in Greensboro. Dale Steele, pastor at Burlington, First, will deliver the annual sermon.

28. Terrell Duncan reported for Personnel Committee regarding the process of evaluating Associational staff and how salary recommendations were determined.

29. Norman Harris, Finance Committee Chairman, moved for the adoption of the printed budget with a word of gratitude for the faithful financial support of the churches in the Association. Motion was seconded by Terrell Duncan, Northside, and voted by messengers. The budget includes \$10,000 to be used for financial assistance for volunteers for the Brazil Partnership trips scheduled for 1990.

30. A printed WMU report was presented.

31. Harold Ball, Missions Committee, presented a printed report and explained that the Association has served in an advisory capacity for the group beginning a mission at Cedarock. Harold solicited prayer for the Brazil Partnership. The Missions Committee report was approved.

32. Bill McGowan, Brotherhood Director, presented a written report and told of Association's participation in Sock Drive to provide socks for street people in New York.

33. Ken Barker, Prison Chaplain, expressed thanks for the cooperative spirit of the churches in the area of his ministry. He stressed the need for spiritual and emotional support for prisoners, not only during their prison stay, but on their release. Participation from individuals as well as groups would be appreciated. His written report was accepted.

34. Ann Williamson presented a printed report from Church and Community Missions and thanked messengers for their prayers and physical support of Associational ministries. The Thrift Store has provided clothing for 90 migrants, fuel for cold weather, prescriptions for elderly, housing for the homeless, and assistance for families whose homes were destroyed

by fire. A picnic was held during the year for the hearing impaired. A highlight for the year was the article in the January 1989 *Royal Service* concerning ministries in the Mount Zion Association.

35. Ernie Keck presented the recommendations from the Resolutions Committee expressing appreciation to the host churches for the annual meeting and for the ministry of the Associational staff.

36. Joel Marshall led the congregation in singing "Churches in Association."

37. Joel Marshall, Associational Minister of Music, presented a written report and stressed that the purpose of the events scheduled for the year is to strengthen the music programs in individual churches.

38. Ernie Keck, Brazil Partnership Committee, shared his concern for this endeavor. There is an urgent need for people to go and share with the people of Brazil. There is a particular need for lay persons, as well as ministers, to share experiences and ideas concerning Sunday School, Brotherhood, WMU, music, and other general areas. If we are Christian, God can use us in Brazil as well as where we are. Ernie urged for prayer that God will give feet to our prayers and provide people to go to Brazil.

39. The Vocal Ensemble sang "People Need the Lord."

40. Carl Kincaid, Ossipee, delivered the annual sermon taken from Acts 5:1-16. As we approach the decade of the 1990s our churches need to be heard. Instead of asking what can we do and still be a member of a particular church, we need to rely on the power God has provided us and be heard because of our commitment to Christ. We can turn the world upside down in this Association if we will be committed. The power of God is still there, as it was for the early Christian churches. If we would rediscover this power as we approach the 1990s we would have a revolution in our churches. We must build our churches and our lives on the teachings of the Bible and, with God's presence, direction, and guidance, we can claim the people in our Association for Christ.

41. Carl Kincaid dismissed with prayer.

42. A fellowship was hosted by Antioch.

## Quarterly Business Meeting

ON JANUARY 9, 1989, the meeting was held at Hillsborough, First with Don Bolden, Moderator, presiding. A Commissioning service was held for the following mission volunteers scheduled to witness in Sao Paulo in February: William Harkins (Kerr's Chapel), Ernie Keck (Antioch), Carl Kincaid (Ossipee), Mable Lassiter and Al Roberts (Hocutt Memorial). The service was led by Beverly Alford and the charge to the volunteers was given by O.D. Martin, Baptist State Convention of North Carolina Coordinator for the Sao Paulo-North Carolina Partnership. Clarence Vaughn, retired pastor of Glen Hope, delivered the doc-

trinal sermon. He spoke about the Baptist belief concerning the eternal security of the believer - the truly saved are always safe. When we trust in God, we are in the destiny of His hands. We should cast our all upon what Jesus has done for us.

ON APRIL 10, 1989, Swepsonville Church hosted the meeting with Don Bolden, Moderator, presiding. Paul West, Chairman of the Committee on Nominations, presented a printed slate of personnel and recommended that they be elected to serve beginning at the close of the annual meeting in October 1989. The motion was seconded by Roy Taylor, Grove Park, and voted by messengers. Bob Stephenson, Church Training Director, reported on the following items: Youth Night Rally, Media Training Event, Encourager Conference, and the Associational Bible Drill. Roy Taylor reported on the progress of the simultaneous revivals scheduled convention-wide April 1-8, 1990. Training is already in progress in preparation for these revivals which will have the theme "Here's Hope. Jesus Cares for You." Bill Harkins, pastor of Kerr's Chapel, reported on his trip to Brazil. He said he felt a love for the people there and experienced a joy beyond words. Mabel Lassiter, Hocutt Memorial, shared her experiences on the mission trip to Brazil. She said she returned "on fire" for every woman to get busy for the Lord's work. In response to the charge issued by O.D. Martin, Baptist State Convention Coordinator for the Sao Paulo-North Carolina Partnership, at the January meeting, she emphasized that they went, they did, they endured, and they returned to tell the story and be used of the Lord.

ON JULY 10, 1989, Elon, First hosted the meeting with Don Bolden, Moderator, presiding. Paul West, Chairman of the Committee on Nominations, recommended that Joel Marshall, Minister of Music at Burlington, First, be elected Associational Minister of Music to replace Page Cook who had resigned. Motion was seconded and voted by messengers. Howard Silver presented the Committee on Committees report and made a motion, seconded and voted by messengers, that the following be elected: Evangelism - Haywood King; Finance - Norman Harris; Membership - Ben Cox; Missions - Louise Boswell and Lester Evans; Nominations - Tommy Hearne; Personnel - Don Truelove and Mike Byrd. Howard reported that no team would go to Brazil in September but hopefully a team could be scheduled for February 1990. Key Leadership Conferences were held for Clerks, Sunday School workers, Church Training workers, Music Directors, WMU workers, Brotherhood workers, and Pastors.

## Director of Missions Report

Recorded elsewhere in this book of advanced reports are details of another year's work together as we have tried to be "A Fellowship of Churches on Mission in Their Setting." I believe that you will be pleased as you read of the varied ministries that have been offered through your Association.

I want here to record my indebtedness to the Associational staff and to scores of volunteers from our churches who help to make your Association an effective missions organization. They deserve a "lion's share" of the credit for what has been accomplished.

Occasionally we receive comments from people outside the Association about our work. Recently, Mr. L.L. Tingen, superintendent of the Alamance Correctional Center, wrote: "We feel that the Alamance Correctional Center is a better place due in large part to the chaplaincy program which is under the directorship of Rev. Ken Barker." After affirming Chaplain Barker's ministry, Mr. Tingen goes on to write: "We wish to take this opportunity to express our sincere gratitude to Mount Zion Association which supports our chaplain program and to extend best wishes in the future to this vital community effort."

Especially noteworthy has been the financial support for Associational missions from our churches. Time was when we had to borrow money to get through the year and then struggle the next year to repay the money with interest. We hope those days are forever behind us.

Since September 1985, gifts from our churches have been regular and adequate. Moreover, every month since January 1986, \$200 has been deposited in a special capital account, and that money is on reserve.

I commend our churches for their gifts to Associational missions, and I express gratitude especially to our pastors for their encouragement and cooperation.

Every member should be interested also to know that a family in one church has reserved \$30,000 of their estate for a future Associational office and resource facility. And who knows? God might lead others to do likewise.

Indications are that fewer people will be attending Associational training events. This is a convention-wide trend, and it means that it is becoming increasingly difficult to provide training and growth events for large groups of people. It means also that many Associational services for churches will have to be "tailored" for individual churches. We stand ready to work with any church in planning special events with which we may assist.

In response to the marked growth occurring within certain areas of our Association, the Missions Committee has recommended that a thorough study be made in order to determine the most promising locations to start a new church. It is anticipated that this study will be completed before April 1, 1990.

Our Brazil Partnership has lagged during the last year. Only one group of five people was able to go to Brazil. We had hopes of more people going.

Friends in Brazil continue to request our help, and the need for assistance is urgent. In an attempt to heighten interest in the partnership and to demonstrate our commitment to it, the Missions Committee is recommending that \$10,000 be included in the proposed budget. This amount, if approved, will provide a stipend of \$500 for 20 people to go to Brazil in 1990.

I believe that we have the opportunity to make enduring contributions to Baptist work in Brazil, and I hope you will give this recommendation your approval.

Given current conditions within the Southern Baptist Convention, it may be that Baptist Associations will grow stronger and become more and more the primary means for fellowship among Baptist churches.

To our sorrow, state and national conventions are becoming political conventions and the election of presidents has become paramount. We are losing our ability to trust and cooperate with each other on the larger convention scale. Baptist publications chronicle the conflict that is sending tremors throughout the Southern Baptist Convention, and it is not at all certain that state conventions will be fortunate enough to avoid it.

These conditions serve to make the Baptist Association the primary means of fellowship among churches, and Baptists, from their beginning, have placed a high premium on fellowship - even to the point of believing that a church cannot be a church unless it is in fellowship with other churches.

One of our important achievements as an Association is the high level of fellowship, mutual care, cooperation, and trust that we share. These are vital elements of Associational life, but they have never been more necessary than now.

I commend our pastors and the good people of our churches for making good relationships a high priority.

Your Associational leaders are committed to holding the beliefs and honoring the practices that have distinguished Baptists at their best, such as: the authority and inspiration of the scriptures; the worth and dignity of each individual person; the liberty and sanctity of conscience; the priesthood of every believer; the autonomy of the local church; servant leadership; and cooperation that is free of coercion and friendly in spirit.

We are constantly reminded that our privilege to serve the Association is a sacred trust, and we shall guard your trust with the care it deserves.

In conclusion, I express appreciation to Ken Barker, Mona Silver and Ann Williamson. Their loyalty, cooperation, and support are unsurpassed.

Respectfully submitted,  
J. Howard Silver  
Director of Missions

## Church and Community Ministries Report

First of all, let me express to the Church and Community Ministries Committee my appreciation for their efforts during 1989. Without their loyal and dedicated help, many of our ministries would have been lacking.

This has been a busy, but productive year. With our ministries growing, we have been able to reach more people than ever before. Every volunteer has my sincerest thanks for their help in making our Associational ministries above average.

The Mount Zion Baptist Association Thrift Store continues to thrive and we have actually outgrown the space we are now using. Hundreds of volunteers have helped with contributions and with the labor of sorting, displaying and clerking. In addition to the sales, we have assisted about 25 families with household items, i.e. dishes, linens, pots, pans, furniture, etc. We have also given about 75 long-sleeved shirts to the migrant farm workers.

The revenues from our sales have helped with water bills, gas deposits, transportation, drug store bills and several other means of assistance.

The Burlington Literacy Group has had opportunity to share their ministry with several groups. They participated in a Service Fair at First Presbyterian, Burlington and two (2) Service Fairs at Elon College. These fairs resulted in workshops which netted about 35 new tutors. The first literacy newsletter was published in the fall.

During this fiscal year our food pantry assisted 90 families, totaling about 320 individuals. Each family received enough groceries to last four to five days. The larger number of requests came during August and the majority of our requests were to assist migrant families.

Our Migrant Ministry continued this year with the help of Thurman Graves of the Employment Security Commission. Thurman saw that every new migrant coming to the area was welcomed with a health kit and the children with *Use Me* books. Our mission groups contributed approximately 400 health kits and about 200 *Use Me* books. The picnic in July was well received. The menu consisted of tacos, pintos, rice, dessert and drink. Mr. Henry Tobelman, a retired missionary from Chile, led the worship service. Once again our sitters were welcomed at the Prospect Hill Health Clinic as they ventured out each week to sit with the children of the patients. Many who went for the first time called to relay their experiences, all of which were positive.

Participation in the Alamance and Orange County CROP Walks was tremendous, with Southern Baptist Walkers in both counties bringing in a total of more than \$22,000.00.

Orange Congregations in Mission (OCIM) is now sponsoring a community child care center. The OCIM Child Care Center was a much needed facility and has been their major ministry task for 1989.

Allied Churches of Alamance County (ACAC) continues to provide assistance for the needy in our area. Their primary goal is to get the building of the shelter for the homeless underway.

Bob Talley is now directing the Baptist Student Union at Elon College. Bob is youthful and vibrant and relates well with these young people. During the fall registration and on drop-add day, ice cream was offered as refreshments for the students. Bob and other volunteers manned these refreshment stations and told those stopping by of the BSU, its meeting times and place. Bob is trying two (2) meeting times this year, the Wednesday lunches as in the past and on Monday afternoon at 5:00 p.m.

Several new volunteers have been recruited for the "Right Turn Truckers' Chapel." This ministry has a lot of potential for growth and we continue to ask for your support, both physically and prayerfully. Refreshments have been available for the holidays and on one occasion the volunteer informed us that he could have used some help because of the numerous persons visiting.

A reception for our volunteers was held on Thursday evening, September 28, at 7:00 p.m. at Mebane, First Baptist Church. Hazel Hamlett of Fellowship was honored as the "Volunteer of the Year." Hazel received an engraved plaque. She has given many hours to our flea market, migrant ministry and to the thrift store. The theme for this reception was "Butterflies - New Life."

New volunteers at the flea market have been impressed with the response from the market shoppers. Hundreds have stopped by our booth to pick up materials or to chat. Some who have volunteered this year for the first time are anxious to return to this ministry site.

On October 5 Graham City Park on Rogers Road was the site of our first picnic for the hearing impaired. This was similar to the picnic held in the spring for the visually impaired. We also hope to make this an annual event.

Probably the highlight of our year was a feature article in the January issue of *Royal Service*. Most of our ministries were included in this article and we had response from across our state and several other states.

During 1990 I would like to do some type of ministry with the migrant children, perhaps a Backyard VBS and then include their parents in some of the activity. I would also like to see a larger facility for the thrift store so that we could handle furniture and appliances.

Would also like to do something to improve on our flea market ministry. I need your help as plans are made to implement these happenings.

Respectfully submitted,  
Ann Williamson, Director  
Church and Community Ministries

## Prison Ministry Report

The prison ministry is alive and well at both Alamance and Orange Correctional Centers thanks to your support.

This past year was marked by a number of crises involving staff members at both units. I'm glad I was there to try and minister to them.

The ongoing programs at each unit, including weekly worship, Bible study, and Yokefellows, continue to thrive. I am grateful for the committed volunteers who assist in these various programs. One of our Bible study leaders has been involved at Orange County for 15 years.

Binkley Baptist Church of Chapel Hill sponsored its annual retreat again this year. Approximately 10 inmates from the Orange County unit participated in this two day retreat held at Binkley Church. A highlight for the inmates was meeting Coach Dean Smith and hearing the testimony of Phil Ford, former All-American and professional basketball star.

Prison Fellowship sponsored seminars at both camps. Our own volunteers assisted with these seminars which served to stimulate a lot of interest.

The birthday parties continue to be a highlight for the men. Word travels fast on the camp about the warm and gracious people who come with songs, laughter, and friendliness. God uses you in a meaningful way to bless these men during these activities.

One of the highlights during the year was the toy project in which many of you had a part. We gathered toys so the men could give their children a brightly wrapped gift during Christmas. The pleasure was twofold: the joy of being able to give a gift and the joy of receiving.

We participated in the CROP Walk this past year.

Let me use this opportunity to thank our ladies who provided those wonderful cakes for our Family Day in August. We served refreshments to inmates and their families during Sunday visitation. This was meaningful to all who participated.

On behalf of the men at these two units let me express thanks for all you do to share God's love with them.

Respectfully submitted,  
Ken Barker, Chaplain  
Alamance/Orange Prison Ministry

## Coordinating Council Report

The Coordinating Council is composed of the Director of Missions, Moderator, Vice Moderators of the Association, and three at large members appointed by the Moderator.

The purpose of the Coordinating Council is to provide advice, counsel, and guidance for the Association between quarterly meetings.

The Coordinating Council has met frequently during the past year, however it offers no recommendations.

Respectfully submitted,  
J. Howard Silver, Chairman  
Coordinating Council

## Missions Committee Report

The Missions Committee meets on a regular basis to hear reports concerning current mission endeavors and to explore opportunities for the future. Many great ministries are functioning now through the guidance and effort of our very capable Association staff. Other opportunities appear before us.

Our partnership with the Paraiba Baptist Association in the state of Sao Paulo, Brazil continues. The request for help in Brazil is urgent, however the response from our people is less than we had anticipated. Perhaps the cost of going to Brazil (approximately \$1,500.00) is prohibitive for some people who would like to go. The Missions Committee has recommended that \$10,000 be included in the budget to help defray some of the cost of going to Brazil. It is the committee's hope that this amount (if approved) will stimulate interest in the Brazil Partnership and enable some people to have this hands-on mission experience who otherwise would not be able to go to Brazil.

Your Missions Committee asks that you pray earnestly for the call of God to be heard by many of our people to minister to the people of Brazil.

Your committee has served in an advisory capacity to Cedarock Mission - a new mission group - meeting in the Cedarock area of Alamance County. It is also exploring other areas of the county that may prove to be promising locations for establishing a new mission. At least one of our churches is seriously considering a new mission outreach.

Finally, the Missions Committee requests your prayer as it seeks to provide leadership in mission ministries within our Association.

Respectfully submitted,  
Harold G. Ball, Chairman  
Missions Committee

## Place and Preacher Committee Report

The Place and Preacher Committee of the Mount Zion Baptist Association makes the following recommendations:

That the January 8, 1990 quarterly associational meeting be held at Brookwood Baptist Church, Burlington; that April 9, 1990 quarterly associational meeting be held at Fellowship Baptist Church, Burlington; that the July 9, 1990 quarterly associational meeting be held at Northside Baptist Church, Burlington; and that the 121st annual session be held at Ossipee Baptist Church, Elon College on October 15, 1990, and at the First Baptist Church, Burlington on October 16, 1990.

The committee further recommends that the doctrinal sermon be brought by Rev. Ricky Donaldson, with Dr. Charles Lemley as alternate; and that Rev. Ken Simpson deliver the annual sermon with Rev. Ken Hopkins as alternate.

Respectfully submitted,  
Dale Steele, Chairman  
Place and Preacher Committee

## Brotherhood Report

At our Key Leadership Conference in July we had 12 present with 10 churches represented.

At our leadership meeting in Ridgecrest we learned that the State Brotherhood has been divided into regions. Mount Zion is in Region 4 with Bill Law as our Director.

We have started a sock project. Each man and boy in Brotherhood has been asked to donate a pair of socks to be sent to New York City. Our home missionaries will give the socks to the street people this winter. This project looks like a big success.

We were represented again in the State Baptist softball tournament by Grove Park and Glen Hope churches.

We are now in the process of having an organizational meeting with the First Baptist of Elon and Oak Grove Baptist.

Associational RAs had a car race in March 1989. They participated in the West Congress and won third place. They also won Honorable Mention in the Mission Fair. They established an associational Planning Committee. Future plans include a car race in February 1990, Associational Conclave in April 1990, and a camp out in September 1990.

Respectfully submitted,  
Bill McGowan, Director  
Brotherhood

## Evangelism Report

The pastors of our Association had the opportunity during this year for training and certification in lay evangelism for preparation of the 1990 simultaneous revivals. The classes were held at the Grove Park Baptist Church and taught by Dr. Roy Taylor.

HERE'S HOPE, Jesus Cares for You, is a nationwide evangelistic emphasis striving to help Southern Baptists make evangelism a continuing priority.

The Mount Zion Association will be a part of this evangelistic effort during the 1989-1990 church year. Your pastor should have already received the Here's Hope material in order to make preparation for our simultaneous revivals which will be held in our Association the first week of April 1990.

The pastors of our Association will also have the opportunity to attend a two hour training session led by our State Evangelism Department on December 18, 1989.

Our churches should now be setting up their different committees to serve during the months prior to the revivals.

Our Association will have a kick-off rally on February 19, 1990. You will be receiving more information on this rally prior to that date.

Respectfully submitted,  
Joe Hicks, Chairman  
Evangelism Committee

## ACTS of Alamance, Inc. Report

ACTS of Alamance, Inc. is beginning its fifth year of bringing ACTS programming into the homes of Alamance County on Cable Channel 25, and its second year of providing telecast of two local church services. The services of Fellowship Baptist Church and Grove Park Baptist Church continue to reach many people, and the response is positive.

Currently, ACTS reaches approximately 16,000 households and by the end of the year it is estimated that 17,000 households will be on-line capable of receiving ACTS. Also, Twin Lakes Center and Central Piedmont Convalescent Center are now capable of receiving ACTS.

The ACTS Board is continuing to seek new ways to provide local programs that would be of service to the community. If you or your church have a program idea, or if you would like more information about how to start a TV ministry in your church, contact Bobby Dobbs at 584-4493.

Respectfully submitted,  
Bobby Dobbs, President  
ACTS of Alamance, Inc.

## Church Training Report

This is the last Church Training report to be given to the Mount Zion Association. That's right, you read it correctly. At the June 1989 meeting of the Southern Baptist Convention, the messengers voted to change the name of Church Training to Discipleship Training. This new name more clearly reflects our purpose and work in carrying out the Great Commission.

Last year we set three goals for the year:

- 1) Establishment of an ACT Team (Associational Church Training Team).
- 2) Create a new awareness of what Church Training really is.
- 3) Provide training opportunities in various areas of the Church Training curriculum.

Each of these objectives has been met during the year. There is still one vacancy on the ACT Team in the youth area, but greater awareness is taking place in our churches about the role of Church Training.

A "M" Night rally was held at Glen Hope on November 21, 1988, with 125 in attendance. Riverside won the attendance trophy for the largest percentage of membership present. Training was conducted on March 11, 1989, for Media workers at Glen Hope with 15 Media workers present. On March 11 we also conducted our Church Training sponsored Youth Rally at Grove Park with 143 persons present from 10 Associational churches. Maurice Cooper, Director of the Church Training Department for our State Convention, led an Encourager Conference on March 20 at First, Graham.

One of the thrilling highlights of the year was our Children's Bible Drill conducted April 15 at Riverside Church. Two of those participants qualified to go on to the State Competition and represented Mount Zion well with one having qualified as a state winner.

There is still much left to do in the area of Discipleship Training. The following dates have been set for our 1989-90 year:

|                   |                                                     |
|-------------------|-----------------------------------------------------|
| November 20, 1989 | "M" Night - First Baptist, Burlington               |
| February 19, 1990 | Doctrinal Seminar - Glen Hope Baptist               |
| March 8, 1990     | Regional DiscipleLife Celebration - Grove Park      |
| March 16, 1990    | Associational Youth Night Lock-In, YMCA (tentative) |
| April 22, 1990    | Associational Children's Bible Drill - Eastlawn     |
| May 12, 1990      | State Children's Bible Drill - Greensboro           |

Our task has been clearly defined by the Apostle Paul in Ephesians 4:11-13:

"And he gave some, apostles; and some, prophets; and some evangelist; and some pastors and teachers; for perfecting of the saints, for the work of the ministry, for the edifying of the body of Christ; Til we all come in the unity of the faith, and of the knowledge of the Son of God, unto a perfect man, unto the measure of the statute of the fulness of Christ."

Discipleship Training—it's more than a program, it's God's plan for today.

Respectfully submitted,  
Bob Stephenson, Director  
Church Training

## Ordinations Committee Report

The Committee on Ordinations has been both active and productive during this Associational year. Four candidates were examined and counseled by the committee regarding their Christian experience, experience of call to ministry and their understanding of Biblical doctrine.

The following persons were recommended for ordination to the gospel ministry, to their respective churches:

Garry Gates, Glen Hope Baptist Church  
Glenn Honeycutt, Fellowship Baptist Church

Rodger Roach, Grove Park Baptist Church  
Lucas Lloyd, Burlington, First Baptist Church

Respectfully submitted,  
Ralph E. Jones, Jr., Chairman  
Ordinations Committee

## Sunday School Report

For the second year in a row Sunday Schools in the Mount Zion Association have grown. This year our enrollment increased again. While this is positive, one must also approach it from a realistic prospective. The total increase was only a net gain of 122; this is barely an average of three per church. Added to this is the fact that while enrollment increased, average attendance decreased.

As we enter the last year of Challenge 10/90 and continue striving for our Bold Mission Thrust goals, it is imperative that every church seek to increase enrollment. With a resident membership totaling 11,400 and a current enrollment of 8,500 in Sunday School our Association would do well to seek to enroll our own resident membership. Think enrollment.

During the past year several training opportunities have been provided and VBS clinics were held. We are finalizing the year by providing teacher training and outreach training to general officers.

The focus for 1989-90 will be growth. October is Outreach month with special opportunities planned. Sunday School will work with evangelism to promote the simultaneous revivals and will look toward the conclusion of Challenge 10/90 during the summer months. Remember, think enrollment; think growth.

Respectfully submitted,  
Steve Hardy, Director  
Sunday School

## Music Ministry Report

The purpose of your Associational music program is to plan leadership training events, group music activities, fellowship events, and outreach ministry events for the churches within the Association. It also tries to help interpret and promote the program training opportunities that are sponsored by the Church Music Department of the State Convention and Southern Baptist Convention. The Associational Music Director is responsible for providing music at Associational meetings and serves as a resource person for other music directors in the Mount Zion Association.

## Historical Sketches of Mount Zion Churches

Brief histories of Mount Zion Churches are recorded in the minutes of the years as herewith listed. The association historian suggests that every church in the association have copies of the associational minutes bound every 10 years and keep them in the local church libraries. This will make the minutes of the years available to all the churches, and those bound volumes will grow more valuable with each passing year.

Although our association has had historians almost from the date of its organization, still the clerk was notable to find the history of any church recorded in the minutes until 1921. Just why the sketches of other years were not recorded in the minutes is inexplainable.

At the 1874 session of the association, it was decided to elect a historian annually, the minutes of 1875 record that “The report of the historian was adopted and ordered to be recorded in the ‘Book of Records’ of the Association.” No trace of this book exists. The historical sketches from 1921 are shown in minutes as follows:

# Dedication

The story is told that when Mr. Holt came to this area to begin operation of the Carolina Mill, he made a trip to Pittsburgh to personally secure a bell for the new plant. He is said to have told the iron company that he desired to have a special bell cast for use with very special people in a special place--Carolina. He asked that the bell be cast so the rythm sequences could be heard for great distances and that it be pleasing to the ear. He had his order filled to the greatest degree of perfection. Residents of the area said the bell rang beautifully for years. When the mill closed, Hocutt Memorial bought the bell. It is rung every Sunday morning by Miss Lenna Rudd. In like manner, Lenna Rudd is a very special person in a very special place--Mount Zion Association--and her tones ring clear, covering our Association and around the world.

Lenna Rudd has always been faithful in attending meetings, always contributing good suggestions, always optimistic. Her opinion is often sought in the solution of problems--her solutions sound and reasonable. She is cooperative, going the second mile in service, always upbeat in whatever she is asked to do. She has a sense of dedication to her church, her denomination, and her Creator that has not waned over the years.

Her Christianity, compassion, and understanding were also evident in the workplace. People who have worked under her supervision found her to be well-liked and fair.

In her church, she served as Flower Chairman, coordinates the Meals on Wheels, is Chairman of the Personnel Committee, President of her Sunday School Class, WMU Director and serves on the Church Council. She serves as an Associational WMU Group Leader and for several years was Chairman of the Associational Memorials Committee. She presently serves on the North Carolina Baptist State Convention Memorials Committee. She takes pride in all areas of her responsibilities. She opens and checks the church prior to the worship servide and provides for a comfortable temperature. She performs a simple task that beautifully exemplifies her personality--she starts the coffee pot on Sunday mornings, enabling people to have a period of fellowship prior to Sunday School, recognizing the necessity for this area in Christian lives.

She is a citizen of Burlington and a citizen of the world. Her travels have taken her to many places around the globe. Her love of missions is unbounded. She corresponds with different missionaries; truly the world is in her heart. She is a wonderful example for other Christians to follow.

### Mount Zion Baptist Association

#### ARTICLE I — MEMBERSHIP

Section 1. The Association shall be composed of cooperating Southern Baptist churches within the area of the Association.

Section 2. The Association shall be sole judge of its membership and may receive churches, or reject churches, according to its bylaws. Member churches may withdraw from the Association as they desire. Any church in the Association which failed to cooperate with the Association shall be contacted by a committee appointed by the Coordinating Council of the Association to determine the intentions of the church regarding its remaining in the Association. In the event the church does not respond to the efforts of the Special Committee appointed by the Coordinating Council, the church will be considered as having chosen to withdraw from the Association.

A cooperating church shall be defined as one which sends an annual report to the Association and messengers to Associational meetings, and contributes to the financial program of the Association.

Section 3. Churches desiring to affiliate with the Association shall make a written request to the Coordinating Council of the Association at least three months prior to the October meeting. If, in the judgement of the Coordinating Council and the Committee on Membership, the requirements hereinafter set forth have been met, the church may be recommended for membership without delay at the October meeting of the member of the Association. In any other case a church may be received under watchcare of the Association.

Section 4. Any member, trustee, officer or agent elected or appointed by the membership may be removed by the membership whenever in its judgement the best interests of the Association will be served thereby.

Section 4. Each church is entitled to 10 messengers. Churches with more than 500 members are entitled to an additional messenger for each 100 members more than the initial 500. Messengers shall be elected annually for all Associational meetings. It is suggested that at least five of the messengers be leaders of individual church organizations.

Section 5. Each messenger shall have one vote on all matters submitted to vote of the members. Each vote must be cast in person and not by proxy. Unless otherwise expressly required by these Bylaws, one-tenth of the messengers shall constitute a quorum at a meeting of the members, provided that if less than such percentage of messengers in present at said meeting, a majority of the messengers present may adjourn the meeting from time to time. The act of a majority of the messengers present at a meeting at which a quorum is present shall be the act of the members, unless a greater proportion is required by statute or by these Bylaws.

### ARTICLE III — NEW CHURCHES

Section 1. Any church seeking membership in the Association shall petition the Coordinating Council at least three months prior to the October meeting of the Association. The Committee on Membership shall report to the Association at the October meeting its findings and recommendations for Associational action.

## ARTICLE XII — FINANCIAL TRANSACTION

Section 1. Except as otherwise provided in these Bylaws, the Board may authorize any officer or officers, agent or agents, in addition to the officers so authorized by these Bylaws, to enter into any contract or execute and deliver any instrument in the name and on behalf of the Association, and such authority may be general or confined to specific instances.

Section 2. All checks, drafts or other orders for payment of money, and all notes, bonds or other evidences of indebtedness issued in the name of the Association shall be signed by such officer or officers, agent or agents, employee or employees of the Association and in such manner as shall from time to time be determined by resolution of the Board. Section 3. All funds of the Association shall be deposited from time to time to the credit of the Association in such bank or banks, trust companies or other depositories as the Board may select.

Section 5. The Association shall keep correct and complete books and records of account and shall also keep minutes of the proceedings of its Board of Trustees and committees having any of the authority of the Board of Trustees, and shall keep at the registered or principal office a record giving the names and addresses of the trustees.

### ARTICLE XIII — NON-PROFIT OPERATION

Section 1. The Association shall at all times be operated on a non-profit basis, and no interest or dividends shall be paid or payable by the Association to any trustee as such, and shall be operated for the purpose for which the Association was created.

### ARTICLE XIV — INDEMNIFICATION AGAINST AND ELIMINATION OF LIABILITY

Section 1. *Indemnity.* Any person who at any time serves or has served as a Trustee or officer of the Association and any such person who serves or has served at the request of the Association as a trustee or advisor or consultant to another corporation, partnership, joint venture, trust or other enterprise, or as a trustee or administrator under an employee-benefit plan, any person who is or has been an employee of the Association who also serves or has served as a trustee or officer of the Association and any person who has been employed by the Association as Director of Missions, Administrative Associate or Church and Community Ministries Director shall have right to be indemnified by the Association to the full extent allowed by applicable law against liability and litigation expense arising out of such status or activities in such capacity. "Liability and litigation expense" shall include cost and expenses of litigation including reasonable attorney's fees, judgments, fines and amounts paid in settlement which are actually and reasonably incurred in connection with or as a consequence of any threatened, pending or completed action, suit or proceedings, whether civil, criminal, administrative or investigative, including appeals. In no circumstances, however, shall the Association indemnify any such person against any liability or litigation expense incurred if such person is adjudged in any action, suit or proceeding to have acted in bad faith or to have been liable or guilty by reason of willful misconduct in the performance of duty.

Section 2. *Determination of Right to Indemnity.* Promptly after the final disposition or termination of any matter which involves liability or litigation expenses as designated in Section 1 or at such earlier time as it deems fit, the Association shall determine whether any person described in Section 1 is entitled to indemnification thereunder. Such determination shall be limited to the following issues: (1) whether the persons to be indemnified are persons described in Section 1; (2) whether the liability or litigation expense incurred arose out of the status or activities of such persons for which indemnification is available under Section 1; (3) whether liability was actually incurred and/or litigation expense was actually and reasonably incurred; and (4) whether the liability and litigation expense were incurred by a person who acted in bad faith or willful misconduct in the performance of duty. Such determination shall be made by a majority vote of trustees who were not parties to the action, suit or proceeding or, in connection with "threatened actions, suits or proceedings, who were not 'threatened parties'." If at least two such disinterested trustees are not obtainable, or, even if obtainable, if at

least half the number of disinterested trustees so direct, such determination shall be made by independent legal counsel in a written opinion to the Association.

**Section 3. *Advance Expenses.***

(a) Litigation expenses for which indemnification is provided under Section 1 shall be paid by the Association in advance of the final disposition or termination of such matter, if the Association receives an undertaking dated, in writing and signed by the person to be indemnified, to repay all such sums unless such person is ultimately determined as provided in Section 2 to be entitled to be indemnified by the Association. Request for payments in advance of final disposition or termination shall be submitted in writing unless this requirement is waived by the Association. Before the first such payment is made, the Association shall have received the written undertaking referred to herein and notice of the request for advance payments shall have been given to the members of the Board of Trustees.

(b) Notwithstanding the foregoing subsection (a), no advance payment shall be made as to any payment or portion of a payment for which a determination is made that the person requesting payment will not be entitled to indemnification. Such determination may be made only by a majority vote of disinterested trustees or by independent legal counsel. If there are not at least two disinterested trustees, the notice of all requests for advance payment shall be delivered for review to independent legal counsel for the Association. Such counsel shall have the authority to disapprove any advance payment or portion of a payment for which it plainly appears that the person requesting payment will not be entitled to indemnification.

**Section 4. *Settlements.*** The Association shall not be obligated to indemnify persons described in Section 1 for any amounts paid in settlement unless the Association consents in writing to the settlement. The Association shall not unreasonably withhold its consent to proposed settlements. The Association's consent to a proposed settlement shall not constitute an agreement by the Association that any person is entitled to indemnification hereunder. The Association shall waive the requirements of this Section for its written consent as fairness and equity may require.

**Section 5. *Application for Indemnity or Advances.***

(a) A person described in Section 1 may apply to the corporation in writing for indemnification or advance expenses. Such application shall be addressed to the Clerk or, in the absence of the Clerk, to any officer of the corporation. The corporation shall respond in writing to such application as follows: to a request for indemnity under Section 2, within ninety (90) days after receipt of the application; to a request for advance expenses under Section 3, within thirty (30) days after receipt of the application.

(b) The right to indemnification or advance expenses provided herein shall be enforceable in any court of competent jurisdiction. A legal action may be commenced if a claim for indemnity or advance expenses is denied in whole or in part, or upon the expiration of the time periods provided in the preceding subsection (a). In any such action, the claimant shall be entitled to prevail upon establishing that he or she is entitled to indemnification or advance expenses but the Association shall have the burden of establishing, as a defense, that the liability or expense was incurred as a result of acts in bad faith or willful misconduct in the performance of duty. In any such action, if the claimant establishes the right to indemnification, he shall also have the right to be indemnified against the litigation expense including reasonable attorney's fees of such action.

**Section 6. *Incidents of Right of Indemnification.*** The right to indemnification provided herein shall not be deemed to preclude any rights to which any persons seeking indemnity may be entitled apart from the provision of this bylaw, except that there shall be no right to indemnification as to any liability or litigation expense for which such person is entitled to receive payment under any insurance policy. Such right shall inure to the benefit of the heirs and legal representatives of any persons entitled to such right. Any person who at any time after the adoption of this bylaw serves or has served in any status or capacity described in Section 1, shall be deemed to be doing or to have done so in reliance upon, and as consideration for, the right of indemnification provided herein. Any repeal or modification hereof shall not affect any

rights or obligations then existing and any person who would be entitled to indemnification for activities prior to the repeal or modification shall continue to be entitled to indemnification for such prior activities even if the claim arises and/or the liability and litigation expense occurs after the repeal or modification. The right provided herein shall not apply as to persons serving institutions which are hereafter merged into or combined with the Association except after the effective date of such merger or combination and only as to the status and activity after such date.

Section 7. *Supplemental*. The foregoing right of indemnification shall be in addition to and not exclusive of all other rights to which such director or officer, or an employee or agent may be entitled.

Section 8. *Savings Clause*. If this Article or any portion hereof shall be invalidated on any ground by any court or agency of competent jurisdiction, then the Association shall nevertheless indemnify each person described in Section 1 to the full extent permitted by the portion of this Article that is not invalidated and also to the full extent, but not exceeding the benefits described herein, permitted or required by other applicable law.

Section 9. *Elimination of Certain Liability*. In accordance with North Carolina General Statute §55A-28.1A, a person serving as a trustee or officer of the Association shall be immune individually from civil liability for monetary damages, except to the extent covered by insurance, for any act or failure to act arising out of his service as trustee or officer, except where such trustee or officer: (1) is compensated for his services beyond reimbursement for expenses; (2) was not acting within the scope of his official duties; (3) was not acting in good faith; (4) committed gross negligence or willful or wanton misconduct that resulted in the damage or injury; (5) derived an improper personal financial benefit from the transaction; (6) incurred the liability from the operation of a motor vehicle; or (7) is a defendant in an action brought under N.C.G.S. §55A-28.1 (Liability of Directors in Certain Cases) or N.C.G.S. §55A-28.2 (Member's and Director's Derivative Actions). If the North Carolina General Statutes are amended after approval of this section to authorize associate action further eliminating or limiting the personal liability of trustees, then the liability of a trustee of the Association shall be eliminated or limited to the fullest extent permitted by the North Carolina General Statutes, as so amended. No amendment or repeal of the provisions of this section shall apply to or have any effect on the liability or alleged liability of any trustee of the Association for or with respect to any act or failure to act on the part of such trustee occurring prior to such amendment or repeal. The provisions of this section shall not be deemed to limit or preclude indemnification of a trustee by the Association for any liability which has not been eliminated by the provision of this section.

## ARTICLE XV — ASSOCIATIONAL YEAR

Section 1. The Associational Year shall begin October 1 and close September 30, with the exception of the fiscal or financial year which shall begin January 1, and close December 31.

## ARTICLE XVI — ANNUAL REPORTS

Section 1. Persons who are to bring reports to the October meeting of the Association shall present the same to the Director of Missions four weeks prior to the October meeting in order for these to be included in the Book of Advance Reports.

## ARTICLE XVII — PARLIAMENTARY RULES

Section 1. *Robert's Rules of Order*, revised edition, shall be followed as the Association's rules for conducting its deliberative assemblies, except as the Association prescribes otherwise.

## ARTICLE XVIII — AUTHORITY

Section 1. While independent and sovereign in its own sphere, the Association does not claim, and will never attempt to exercise any authority over any other Baptist body, whether church or auxiliary organization.

## ARTICLE XIX — AMENDMENTS-BYLAWS

Section 1. Amendments to the bylaws may be made at any October meeting of the Association upon an affirmative vote of two-thirds of the voting messengers present, provided that proposed amendments shall have been presented to the Moderator at least 15 days prior to the meeting, and submitted to the Committee on Bylaws for its report and recommendation. Amendments must be presented to the Association on the first day of the October meeting and voted by the Association on the second day by a standing vote.

## ARTICLE XX — AMENDMENTS-ARTICLES

Section 1. The provisions of the Article of Incorporation shall not be waived at any regular meeting of the Association, except as hereinafter provided for.

Section 2. Amendments to the Article of Incorporation may be made at any October meeting of the Association upon an affirmative vote of two-thirds of the voting messengers present, provided that proposed amendments shall have been presented to the Moderator at least 15 days prior to the meeting, and submitted to the Committee on Bylaws for its report and recommendation. Amendments must be presented to the Association on the first day of the October meeting and voted by the Association on the second day by a standing vote.

## ARTICLE XXI — WAIVER OF NOTICE

Section 1. Whenever any notice is required to be given under the provisions of the laws of the State relating to non-profit corporations or under provisions of the Articles of Incorporation or the Bylaws of the Corporation, a waiver thereof in writing signed by the person or persons entitled to such notice, whether before or after the time stated therein, shall be deemed equivalent to the giving of such notice.

## ARTICLE XXII — SEAL

Section 1. The corporate seal shall be in such form as shall be approved from time to time by the Board of Trustees.

## ARTICLE XXIII — RIGHTS AND LIABILITIES OF TRUSTEES AND MEMBERS

Section 1. The legal title to all real and personal property of the Association shall be vested in the trustees. The said trustees may convey said property by proper legal instruments pursuant to resolutions adopted and approved by the members of the Association.

Section 2. No trustee, member or messenger of the Association shall have any right, title or interest in or to any property or assets of the Association, either prior to or at the time of any liquidation or dissolution of the Association, all of which properties and assets shall at the time of any liquidation or dissolution be distributed in accordance with the provision of the Articles of Incorporation.

## *One Hundred Twenty-first Annual Session*

Monday, October 15, 1990

OSSIPEE BAPTIST CHURCH, ELON COLLEGE

1. The 121st annual session of the Mount Zion Association was called to order by Moderator Don Bolden.

2. Bill Page, Minister of Music at Mebane First, led the congregation in singing, "Brethren, We Have Met to Worship," accompanied by Sarah Finley, Burlington, First.

3. Carl Kincaid, pastor of Ossipee, welcomed messengers and guests and led the congregation in prayer.

4. Harold Ball presented the Order of Business and moved for adoption, seconded by Glendel Stephenson and voted by messengers.

5. Sarah Finley, Associational Clerk, made a motion that the messengers registered and those to be registered in the following session constitute the voting body of the 121st annual session. Motion was seconded and carried by messengers.

6. Howard Silver, Director of Missions, recognized Dale Cain, a representative from the Baptist Children's Homes who serves at Mills Home Baptist Church; C.W. and Eloise McManus for the Baptist Retirement Homes; and Donald Penny, a representative for Campbell College.

7. Howard Silver recognized the following, some of whom were present, who have begun serving in Associational churches since last year: Cameron Currin, Pastor, Bethel; Craig Fields, Pastor, Colonial Hills; Joe Sinclair, Minister of Music and Youth, Eastlawn; Rick Edwards, Pastor, Fairview; Harry Kahn, Pastor, and Sandra Yarborough, Minister of Music, Graham First; Jeff Gardner, Minister of Youth, Grove Park; Chip Gordon, Minister of Youth and Christian Education, Holly Hill; Charlie Fleshman, Associate Pastor, Mebane First; Todd Moore, Minister of Youth, Mount Zion; Jay Robertson, Pastor, North Graham; Greg Clark, Pastor (was formerly Associate Pastor), Riverside.

8. A printed financial report was presented.

9. Norman Harris presented the proposed budget to be read and studied by messengers prior to the Tuesday evening session, at which time a vote on the budget would be taken.

10. Dr. Ralph Jones presented the printed report from the Ordinations Committee.

11. Curtis Oakley presented the Place and Preacher Committee report and moved for its adoption. Motion was seconded by Carl Kincaid and passed by messengers.

12. Bill Page led the congregation in singing "Tell Me the Story of Jesus."

13. Eloise McManus reported on the newest facility of the Baptist Homes, the Brookridge Retirement Center in Winston-Salem. The facility opened in the Fall of 1989 and is a full-service retirement center including an assisted living area, an intermediate care area, a skilled nursing area, and retirement apartments. The facility has passed every criteria for accreditation for Medicare and has a waiting list for skilled health care and a four to seven year waiting list for retirement apartments. Sixty-seven percent of those persons in the health center must be subsidized, and Mrs. McManus made a plea for gifts through the Retirement Homes Offering scheduled for February 3-10, 1991. Baptist Homes have a policy of benevolent care where no one is released due to lack of funds.

14. Janet Whitaker, Sunday School ASSIST Leader and Minister of Education, Hillsborough First, reported on the five-year emphasis in Sunday School called Breakthrough. The theme is to reach and win and will require a commitment to make Sunday School a life-changing Bible Study.

15. Bob Stephenson, Associational Discipleship Training Director and Associate Pastor, Glen Hope, reported on the continued progress of Discipleship Training. Three hundred

people attended Youth night this year. "M" Night for 1990 is scheduled for November 19 at Fellowship Church.

16. A printed report was presented from the Evangelism Committee.

17. Dale Cain reported that the Children's Homes are cutting services to accommodate budgetary deficits and requested prayer and giving for the children in the Children's Homes.

18. Dr. Don Penny brought greetings from Campbell University and thanked messengers for their support.

19. Bobby Dobbs reported on ACTS of Alamance. Two Associational efforts were broadcast during the past year: "Friends Forever," a youth musical, and the Stan Pethel Composer Weekend.

20. Jeff Gardner, Associational Youth Director and Minister of Youth and Activities, Grove Park, reported on three areas of ministry targeted for the coming year: Youth Evangelism Conference, Youth Workers' Clinic, and a seminar on family issues scheduled for November 1991.

21. Tommy Hearne presented proposed changes in Constitution changes in Constitution Bylaws to be voted on Tuesday night.

22. Rebecca Crawford, reporting for the Memorials Committee, presented a tribute to Miss Lorena Rudd, Hocutt Memorial, and recommended that the 1989-90 Annual be dedicated to her. Recommendation passed by messengers.

23. Terrell Duncan, Personnel Committee, recommended that a procedure be established whereby associational employees are reimbursed for their ministry-related expenses rather than their continuing to receive an amount that includes salary, expenses and benefits in a "package plan." This would offer some tax advantage to associational employees. Motion was seconded by Bill Page, Mebane. Steve Hardy, Holly Hill, questioned whether the budget item would serve as parameters for this expense and received an affirmative response from Terrell Duncan. Motion voted by messengers.

24. Special music, "The Shepherd Song," was sung by Glendel and Julie Stephenson, Mebane First.

25. Howard Silver presented the Coordinating Council report and moved for adoption, seconded by Glendel Stephenson and passed by messengers.

26. Howard Silver presented the Director of Missions report, recognizing the Associational Staff for their continued support. He read a letter from the Superintendent of the Orange County Prison Unit expressing gratitude for the Prison Ministry. The Prison Ministry is also supported by non-Baptists (about one-half). Howard stressed the realities which cannot be ignored in the Southern Baptist Convention and reported on possible options for Cooperative Program giving which will be presented at the state convention and which would drastically change how we support missions. He stressed the need for prayer, for mutual respect and understanding, and for unity as brothers and sisters in Christ. He also reminded messengers that the world will be more influenced by what we do than what we say and that we should exhibit kindness, compassion, love and courtesy in our relationships with fellow Baptists.

27. Charles Lemley pronounced the benediction.

28. A fellowship was hosted by Ossipee.

Tuesday, October 16, 1990  
FIRST BAPTIST CHURCH, BURLINGTON

29. The meeting was called to order by Moderator, Don Bolden.

30. A mini-concert was presented by Glenn Little accompanied by Sarah Finley, both from Burlington First.

31. Bob Talley, Minister of Youth, Burlington First, welcomed messengers and guests and opened with prayer.

32. Joel Marshall, Minister of Music, Burlington First, and Associational Minister of Music, led the congregation in singing "Serve the Lord with Gladness."

33. Howard Silver recognized O.D. Martin, Director of Stewardship, Baptist State Convention, and Mr. Joe Baker from Meredith College.

36. Norman Harris made a motion that the moderator appoint a special committee of five persons to study the job classifications of each of our paid staff positions with respect to job duties, educational and job experience requirements, and corresponding salary and benefit structures. This report must be presented to the Personnel Committee no later than May 1, 1991. The motion was seconded by Tommy Hearne, Eastlawn, and voted by messengers.

42. Harold Ball presented the Missions Committee Report and made a motion that the Association plan a World Missions Conference for the Fall of 1992. The motion was seconded and passed.

43. Harold Ball presented the Brazil Partnership Report. Personal experiences from the August trip were also shared by Danny Herring, Eastlawn; Bertha Henderson, Northside; and Phoebe Bradshaw, Oak Grove. Each one expressed excitement over the experience of sharing Jesus Christ.

44. O.D. Martin briefly shared his experiences from 16 years as a missionary to Brazil and his association with the Brazil Partnership.

45. Joe Baker, Meredith College, expressed appreciation for continued support to Meredith.

46. Curtis Tyler, incoming moderator for the Association, was recognized.

47. Glenn Little presented special music, "I Give All to You."

48. Ken Simpson preached the annual sermon. He emphasized that all things in the world are changing including economic uncertainty and unrest in the Far East. ## Quarterly Business Meetings

ON JANUARY 8, 1990, the meeting was held at Brookwood Church, Burlington.

Details were given for the associational PROBE to be held on January 25, 1990. PROBE was a collective effort of associational churches to survey the association and make suggestions as to locations holding the most promise for new church work. Specialists assisted with the project.

Ricky Donaldson, Moore's Chapel, delivered the doctrinal sermon taken from Habakkuk 1:1-2. He said Christians should not behave as spoiled, pampered children who whine to God and that prayer should not be an end to itself but a means to a greater end--the glorification of God. Christians should spend time on their knees in prayer.

ON MARCH 19, 1990 (rather than in April due to conflict in speaker's schedule), the meeting was held at Fellowship Baptist Church. Results from January 25 PROBE studying needs for the Association were presented. Some of the priorities established out of the study included the need for four to six new churches, satellite units, and future study and work in downtown Burlington and the surrounding area. It was reported that one church is interested in starting a mission and is looking into the possibilities.

It was announced that 19 people have committed to go to Brazil in August as part of the Brazil Partnership.

Plans were announced for a Vacation Bible School Clinic to be held at Mebane First on May 21 and a Backyard Bible Club Clinic to be held at Eastlawn on May 26.

Bob Stephenson, Associational Director of Discipleship Training, reported that more than 300 attended the Youth Rally on March 16.

Joel Marshall informed messengers that five or six churches and approximately 40 youth were involved in the Associational musical "Friends Forever."

Dr. Ralph F. Carter, Jr., Pastor, Western Avenue Baptist Church, Statesville, N.C., whose church has trained 90 people to be lay evangelists, spoke about the need to provide welcome surprises in worship. Churches, in preparing for Here's Hope Revivals, must let it be known that God will be there in full power, healing souls, causing lost to come to Christ, changing lives; this is how to have a packed house. His scripture reference was Mark 2:1-5 on the healing of the lame man who was lowered through the roof into the house where Jesus was teaching.

ON JULY 9, 1990, the meeting was held at Northside. The printed report from the Committee on Nominations was presented and voted by messengers.

The printed report from the Committee on Committees was presented and accepted.

Evelyn Kelly, Northside, presented a report from the Properties Committee recommending the expenditure of \$3,600 to replace the roof on the Associational Office. Estimates for the work were received, and this figure includes \$950 for removal and replacement of the air conditioning unit located on the roof. A question was asked as to whether the heavy equipment required for lifting the air conditioning unit could damage the parking lot. Howard Silver said he would check on this. Billy Phillips, Northside, moved that this expenditure be made, seconded by Ed Nash, Northside, and voted by messengers.

Joel Marshall reported that five churches and approximately 50 youth participated in the Associational youth musical.

Key Leadership Conferences were led by the following:

## Director of Missions Report

I am honored to be Director of Missions for Mount Zion Baptist Association, and I am pleased to offer this general report of our work for the year that is coming to a close. I hope that you will be pleased as you read and hear of the good work that we have done together.

The word "together" is important, and it takes on special significance at this particular time in the history of Southern Baptists. There are forces at work that would divide us if we were to permit them to do that. But there are also forces and causes that unite us, and I am grateful for the trust, respect, cooperation, and fellowship that are indicated by the good reports contained in this book.

I gladly record here my indebtedness to a capable and loyal associational staff and to the scores of volunteers who make Mount Zion Baptist Association an effective and responsible missions agency. Our association is highly respected by the other helping agencies of our two counties, and frequently we complement the work that they do.

I want especially to note and commend the good work of Janet Whitaker, Associational Sunday School Director and Robert Stephenson, Discipleship Training Director for the association. It is difficult to find two people who are better qualified to be our leaders in these vital areas of church development. Although they serve as volunteers, they are committed to helping our churches have better Sunday Schools and stronger Discipleship Training programs.

Gifts from our churches for associational missions, while declining a bit from last year, have been regular. I continue to believe that our churches are committed to associational missions and that adequate resources will be provided. In order for this to happen, however, churches need to be as generous as possible with their support for our association and its wide-ranging mission ministries program.

Financial support for our prison chaplaincy ministry continues to grow slowly. Almost one-half of the chaplain's salary is provided by churches in Alamance and Orange counties that are not Baptist. We hope that the number of non-Baptist churches supporting and participating in this needed ministry will continue to increase.

Evangelism and the work of Baptist Men are two areas that deserve our best efforts in the days ahead. We must be faithful in our efforts to be witnesses of God's grace and love.

Twenty-one people from our association went to Brazil in August, and I'm pleased that the association helped to make it possible for them to go. Their witness was well received. The proposed budget includes an item that will assist 20 people to go to Brazil in the coming year. It is worthy of your favorable consideration.

Few of us are unaware of the conflict that threatens to split the Southern Baptist Convention, and it is only a bit less ominous for our state convention. I do not mention the conflict in order to be partisan. We all have our convictions and Baptist churches are free, under God, to make their own decisions and choose their priorities. No one--certainly not the director of missions--may presume to speak either for the association or for the churches that comprise it.

I call attention to the conflict because our churches will have to decide--even those churches that do not wish to do so--how they are going to support missions at the state and Southern Baptist Convention levels.

Recommendations will be offered to messengers to the Baptist State Convention in November that--if approved--will alter the way Southern Baptist churches in North Carolina support missions through the Cooperative Program. I urge our churches to inform their people of these options and to be sure that their full quota of messengers attend the convention when it meets in Winston-Salem November 12-14.

These are not the best days in Southern Baptist history. They are, however, days that call for the best that is in us. Let us be respectful, tolerant, and understanding in our relationships with one another. Let us also know that the world will be influenced more by who and what we are than by what we say. We all need to pray for a double portion of God's grace for these difficult days.

This report would be incomplete without an expression of my gratitude to Ken Barker, Mona Silver, and Ann Williamson. Their loyalty, trust and cooperation are unequaled.

Respectfully submitted,  
J. Howard Silver, Director of Missions

## Coordinating Council Report

The Coordinating Council, comprised of the moderator, four vice moderators, three members at large, and the director of missions, meets regularly to provide advice and counsel for the associational staff. When not prohibited by associational bylaws, it acts for the association between quarterly associational meetings.

The Coordinating Council offers the following recommendation:

That the association be authorized to offer a *non-profit* motor coach trip to the Southern Baptist Convention meeting in Atlanta, Georgia, in June 1991. The trip would include transportation to and from Atlanta, hotel accommodations while there, and transportation to and from the convention center.

Respectfully submitted,  
J. Howard Silver, Chairman  
Coordinating Council

## Church and Community Ministries Report

Did you realize that the ministries of the Mount Zion Baptist Association have the potential of reaching more than half a million people each year? Although the ministries actually touched one on one about 75,000 persons this past year, they were visible and evident to about half a million.

Please know that the thousands that were touched are results of the efforts of the many volunteers throughout our congregations. Many of you worked at a particular ministry site for the very first time and your affirmation of these ministries has been a real blessing.

Earlier this year, we were able to acquire additional space for our thrift store. This has given us the opportunity of carrying larger furniture items and miscellaneous knick knacks. We have spent many hours in sorting and keeping both portions of the thrift store open. A successful week of bag days helped us eliminate the merchandise that was left over after each season ended. Assistance has been given in the form of items from the thrift store to numerous families, including five families during the Christmas holidays. With the revenues generated, we have paid deposits, paid for prescriptions and assisted in other areas as the needs arose.

The flea market continues to be one of the stronger ministries and this year we have expanded a little with the booth ministry by participating in a Fourth of July celebration. Here

we had the same type set up as at the flea market, offering our tracts, Bibles and other literature, as well as the cups of cold water. The cups of water were the highlight of the day for many of those who participated in the activity. A helium tank has been added at the flea market to be used for inflating the balloons. This has also served as advertising for our booth, as the balloons are now so people can see them and search out the booth that is passing out the free balloons. This gives the volunteers opportunity to share some tracts or personal conversation with the flea market visitor.

Food pantries always seem to serve many people and ours is no different. Our food supply has been adequate this year and many families have been helped with food items. Our food boxes are designed to last a family for one week.

More than 500 migrant health kits have been distributed to the new migrants coming to our area. The attempted Vacation Church School did not work out this year and the number attending the picnic was the lowest ever. Evaluations have been made of our efforts and major changes will be implemented in an effort to have a greater success next year. Our church participation was the greatest ever. Sitters were well received at the Prospect Hill Health Clinic where they were able to work in the new facility and did not have to spend as much time outside in the heat.

The ministries of Allied Churches of Alamance County are continuing under the capable leadership of interim director, Dorcas Lohr. Beth Greene resigned as director in June of this year.

Because of the rain, participation in the 1989 CROP Walk was down tremendously, however the 1990 CROP Walk seems to have created more interest than in recent years. The Mount Zion Food Pantry will benefit from the funds collected which stay in Alamance County.

Bob Talley continues to be an active and vivacious leader for the Baptist Student Union at Elon College. The meetings are continuing with the Wednesday lunches as has been routine for the past several years.

Picnics were given this year to honor the hearing and visually impaired persons in our area. The response from these handicapped persons and the congregations of our churches has been great.

The Volunteers of the year were Hurdle Lewis and Parker Wood, both of Mebane, First Baptist Church. These two men serve as volunteers at our truck stop chapel every Thursday afternoon. Glen Hope Baptist Church was the setting of Volunteer Appreciation Reception.

The Right Turn Trucker's Chapel is becoming more well-known by the traveling public. We hope to get our ministry in a truck stop ministry publication so that people will be more aware. Because of the widening of I-85/40, the location of the chapel has changed, although it remains on the same parking lot.

Orange Congregations in Missions has continued their active ministry status. They have received a challenge grant from the Bryan Family Foundation and it appears they will be able to meet this challenge with the various fund raising programs they have chosen to pursue.

Under the capable direction of Beverly Alford, the Burlington Literacy Group has held one workshop and plans another for January 1990. The second issue of the *Literacy News* was published in August. With contributions received from Southern Bell and Friends' Youth Association, we plan to continue publication of our newsletter.

Efforts were made during the year to begin a ministry at Brookstone Haven Rest and Retirement Home, just outside of Graham. Several of our groups have already participated in this ministry and volunteers are scheduled for two activities during each month for the next year.

Thank you for your help in so many ways during the past year. As volunteers you have given more than 16,000 hours of volunteer time in 1990. That's a little over one hour per person in our total membership. Your work does not go unnoticed.

Respectfully submitted,  
Ann Williamson, Director  
Church and Community Ministries

## Prison Ministry Report

Since the ministry began at the Alamance and Orange county correctional centers there have been changes in the population at both units.

The Orange county unit has increased its capacity to 192 beds. This unit consistently receives overflow from other areas in the state because of the overcrowded situation in the correctional system. This leads to a high turnover rate which makes effective ministry difficult. Nonetheless, we continue to try to meet the spiritual needs of the men incarcerated there.

The Alamance county unit is a more stable unit in regard to turnover, although the turn-overs have increased there as well. The bed capacity at the Alamance unit is 114, but there are plans to increase the size of this unit by approximately 50 percent in the near future.

The existing programs at both units continue to serve to meet the needs of the men. We have new Yokefellow coordinators at both units. Ms. Carleen Thompson from Chapel Hill serves the Orange facility. She is a dedicated Christian who is committed to prison ministry. At Alamance Rev. Randy Wellford and Mr. John Jordan serve as co-coordinators. They bring a wealth of experience in prison ministry with them.

The birthday parties continue to be a blessing for those of you who participate, as well as for those who are recipients of your grace. One volunteer commented, "We always get more out of coming than we give." The feedback that I hear from the men assures me that this is a positive ministry. As one inmate said, "It reminds us that we are not forgotten."

The rain affected the participation in last year's CROP Walk, but plans are in the works to have a number of men walking this year.

Christmas is an emotional time for all of us, and especially those who are incarcerated. Your treat bags of toiletry items, candy, fruit, etc., are well received by the men. The cakes that Mount Zion Baptist women baked were rated about by the men at both facilities.

The toy project at Christmas was a huge success. Over 100 children received gifts through this project. One volunteer said, "The look on the children's faces as 'dad' gave his child a gift simply made my Christmas." This project takes a lot of effort, but it certainly is worth it.

Again this year, Binkley Memorial Baptist Church, Chapel Hill, sponsored a workshop/retreat for inmates and volunteers. Our format was different in that we used the retreat as an informative and educational experience. During the retreat the inmates shared their "stories" with volunteers.

This past year a discussion group was formed at each facility, the purpose of which was to share concerns, questions, and situations in a Christian setting. These groups were effective in helping relieve some of the tension and stress that prison creates.

Thank you Mount Zion Baptist people for all that you do to minister to these men incarcerated at our prison facilities.

Respectfully submitted,  
Ken Barker, Chaplain  
Alamance-Orange Prison Ministry, Inc.

## Missions Committee Report

This has been an exciting year to be a part of the missions committee of the Mount Zion Baptist Association. We have been involved in various ministries that hopefully will have lasting results for our area.

One endeavor we are still following up is the associational PROBE conducted last spring. Several people were involved in an intensive survey and study of many communities in Alamance and Orange counties. We discovered areas where new churches need to be started, areas where some ongoing Bible studies could be used, and several of our existing churches that need to conduct self studies. We also found many areas where multi-family units are being built at a rapid pace and we are planning a seminar in 1991 to help us to minister more

effectively to these families. If your church is interested in being involved in any of these much needed ministries, the missions committee would be delighted to work with you.

Our Brazilian partnership continues to be a vital mission project. In August 21 people from churches in our association traveled to Sao Paulo and ministered in churches in the Vale do Paraiba Association. We are continuing to evaluate this trip and explore ways future trips can be even more effective. Again this year we have requested funds to apply toward people participating in this partnership. Let us know if God is leading you to go.

It came to our attention that we have not had a World Missions Conference in our association since 1985. Sensing a need to keep our people informed about our mission work around the world, we are recommending that a World Missions Conference be planned for the fall of 1992 with a target date of October 25-30. We would encourage all our churches to begin to make plans to participate and establish a means of financial support for the travel and hospitality for the missionaries.

We are working with the Cedarock Mission to encourage and strengthen this new work in southern Alamance county. We also are kept up to date and continue to study ways to improve our ministries through the Thrift Store, Flea Market, Truck Stop, Prison Chaplaincy, and other ministries. They are directed by our most capable associational staff and are supported by many of you through volunteer efforts. If you have not been involved in any of these ministries, we encourage you to become involved.

Pray for your missions committee that we will be alert to opportunities for mission projects.

Respectfully submitted,  
Harold G. Ball, Chairperson  
Missions Committee

## Place and Preacher Committee Report

The Place and Preacher Committee of Mount Zion Baptist Association makes the following recommendations:

That the January 14, 1991 quarterly associational meeting be held at Hocutt Memorial Baptist Church, Burlington; that the April 15, 1991 quarterly associational meeting be held at Edgewood Baptist Church, Mebane; that the July 15, 1991 quarterly associational meeting be held at Kinnett Memorial Baptist Church, Burlington; and that the 122nd annual session be held at First Baptist Church, Hillsborough on October 21, 1991, and at the Holly Hill Baptist Church, Burlington on October 22, 1991.

The committee further recommends that the doctrinal sermon be brought by Dr. Brightie White, with Rev. Fred Treadwell as alternate; and that Rev. Norman Harris deliver the annual sermon with Rev. Paul West as alternate.

Respectfully submitted,  
Dale Steele, Chairman  
Place and Preacher Committee

## Evangelism Report

HERE'S HOPE, Jesus Care for You was our nationwide evangelistic emphasis during 1990. Our association had 21 churches that held HERE'S HOPE revivals in April of this year. The associational kick-off rally was held on March 19, 1990, at Fellowship Baptist Church. Ralph F. Carter, Jr., from the Western Avenue Baptist Church in Statesville, N.C. delivered the message for this rally.

Our 1991 emphasis is Witnessing/Giving Life. Our pastors have had two opportunities for training in this. J.W. Hutchens from the Division of Evangelism and Talmage Williams from

the Division of Stewardship of the Baptist State Convention presented the material at the Witnessing/Giving Life Seminar held at the Cutting Board on May 31, 1990. Victor Cole from the Division of Evangelism was at our Key Leadership conference on July 9, 1990, for the second training seminar.

Our churches should now be setting up their different committees to serve during the months prior to the 1991 revivals if they have not done so already.

Respectfully submitted,  
Joe R. Hicks, Chairman  
Evangelism Committee

## ACTS of Alamance, Inc. Report

In January 1991 ACTS of Alamance, Inc. will begin its sixth year of cablecasting in Alamance County. In June of 1991 we will begin our third year of local origination. ACTS reaches approximately 16,500 homes in Burlington and Alamance counties. Four churches, Fellowship Baptist; First Baptist Graham; Grove Park Baptist; and Swepsonville Baptist are active in the ministry with two of those churches - Fellowship and Grove Park - originating local programming. Both of these churches are reporting increases in visitors in their Sunday School and worship services, and many of these visitors mention seeing the service on ACTS as a reason for coming. ACTS is being used faithfully in our community for outreach, but not to its fullest potential.

This fall the local ACTS board approved a plan to reach out to churches and inform them about the ministry opportunities available through the ACTS ministry. This plan involves personal visits to local churches encouraging them to become a part of this viable ministry. If your church is interested in ways it can participate in this ministry, contact Bobby Dobbs at 584-4493.

Respectfully submitted,  
Bobby Dobbs, President  
ACTGS of Alamance, Inc.

## Discipleship Training Report

Discipleship Training continues to grow in numbers and strength. Once again the 1989 figures were higher than those reported in 1988 and we are hoping to see this trend continue. A new reporting system is now in use and it will be difficult to compare this year's results with last year. One of the major emphases, however, has been and continues to be on churches reporting the training opportunities in which they are engaged. This new record system will help churches keep better and more accurate records of enrollment and participation in training events.

This year over 434 people were involved in five associational training events. The best attended event by far was the youth rally on March 16 with over 300 in attendance. This event far exceeded our expectations and was well received by those who attended. Other associational events this year included "M" Night, doctrinal study for pastors, regional discipleship celebration and children's Bible drill.

The following discipleship training events are scheduled for the coming year:

|                   |                                             |
|-------------------|---------------------------------------------|
| November 19, 1990 | "M" Night, Fellowship Church                |
| March 15, 1991    | Youth Rally, Grove Park Church              |
| March 21, 1991    | Senior Adult Rally, Glen Hope Church        |
| April 14, 1991    | Children's Bible Drill, Mebane First Church |
| May 11, 1991      | State Children's Bible Drill, Greensboro    |
| October 19, 1991  | Disciplelife Training, Holly Hill Church    |

There still remains much to be done in the area of discipleship training. Jesus' command that we make disciples will continue until He returns and thus the task of discipleship training will continue. We must be about our Father's business and make discipleship training a top priority in the year ahead.

Respectfully submitted,  
Bob Stephenson, Director  
Discipleship Training

## Ordinations Committee Report

The committee on ordinations met twice this year. Two candidates were examined and counseled by the committee. It was the judgement of the committee that each of these candidates were sound in their calling, had potential for Christian ministry and both exhibited the ability to perform the tasks of their calling. Therefore, the committee recommended them for ordination to the Gospel Ministry to their respective churches:

Charles Jeffrey Gardner - Mount Zion Baptist Church  
William Rice - Glen Hope Baptist Church

Respectfully submitted,  
Ralph E. Jones, Jr., Chairman  
Ordinations Committee

## Sunday School Report

Eighty-nine people representing 17 churches attended the Associational Sunday School Leadership Night at Glen Hope Baptist Church on Tuesday, September 11, 1990. Twelve members of Mount Zion Baptist Association ASSISTeam and two guest leaders conducted conferences interpreting each type of SBC Sunday School curriculum. October 1990 units were used to model basic concepts and teaching methods.

ASSISTeam members will receive further training and materials from Sunday School Board and North Carolina State Sunday School personnel in early 1991. The team will then be prepared for leading associational Sunday School workers in a variety of training events during 1991:

- |                    |                                                                                                                                                                            |

ASSIST (Associational Sunday School Improvement and Support Team) is also available upon request for individual church and/or personal consultation and evaluation in Sunday School work for each age group.

Respectfully submitted,  
Janet Whitaker, Director  
Associational Sunday School

## Music Ministry Report

The purpose of your Associational Music Program is to plan leadership training events, group music activities, fellowship events, and outreach ministry events for the churches within the association. It also tries to help interpret and promote the program and training opportunities that are sponsored by the Church Music Departments of the State Convention and Southern Baptist Convention. The Associational Music Director is responsible for providing appropriate music at associational meetings and serves as a resource person for other music directors in the Mount Zion Association.

Music highlights of 1990 included these associational music projects:

February 1990

SAO PAULO (BRAZIL) CHOIR TOUR - Concert at First Baptist, Burlington.

June 1990

ASSOCIATIONAL YOUTH CHOIR MUSICAL, "FRIENDS FOREVER" - participants included 50 youth, 5 churches, 10 music directors. "Friends Forever" was presented twice in June 1990 to approximately 1200 people and shown on the local "ACTS" Network.

August 1990

MUSIC METHODS AND MATERIALS CLINIC - approximately 60 people attended this training workshop at Grove Park Church in August 1990.

September 1990

COMPOSER'S WEEKEND WITH STAN PETHEL - Guest Composer/Arranger Stan Pethel was hosted by the Mount Zion Association and involved approximately 100 choir members, 30 instrumentalists, 6 churches in September 1990.

## **Committee on Personnel Report**

Based upon suggestions from the Annuity Board of the Southern Baptist Convention, the Committee on Personnel recommends that our association establish a procedure whereby associational employees are reimbursed for their ministry related expenses rather than their continuing to receive an amount that includes salary, expenses and benefits in a "package plan."

The committee is of the opinion that a reimbursement procedure will offer some tax advantage to associational employees while, at the same time, provide a better way to account for tax liability.

Respectfully submitted,  
Terrell Duncan, Chairman  
Personnel Committee

## **Finance Committee Report**

On behalf of your finance committee allow me the privilege of sharing our sincere thanks to each church of our association for your continued faithfulness in giving to support our cooperative ministries. Once again we are delighted to say we had a good year financially.

Thank you for your support of our Brazil partnership. We did utilize \$10,000. from our reserve fund for this important mission endeavor. Again this year you will notice we have included a request for financial support for this partnership. So let me encourage each church to continue your responsible and faithful stewardship to our association.

Your finance committee makes the following motions:

- 1) The proposed budget be adopted as presented.
- 2) The moderator appoint a special committee of five persons to study the job classifications of each of our paid staff positions with respect to job duties, educational and job experience requirements, and corresponding salary and benefit structures. This report must be presented to the personnel committee no later than May 1, 1991.

Respectfully submitted,  
Norman Harris, Chairman  
Finance Committee

## **Youth Ministry Report**

Faced with growing pressures upon adolescents and their families, the challenge to youth workers has never been greater. From an associational standpoint, the past year has been one of evaluation as we attempt to focus our ministry efforts upon these specific challenges.

The Associational Youth Worker Directory has been updated to help in this process. This directory will open the lines of communication between our churches and promote the spirit of coop-

eration that is so vital to our Baptist heritage. The free exchange of ideas and the comfort of mutual support will be advantageous to all participants.

A clear presentation of the gospel message will continue to be our primary objective. Within this framework, innovative opportunities for service must be explored. The calendar of events for 1991 reflects a desire to achieve that purpose by focusing upon three vital areas of youth ministry.

#### **SPRING 1991: ASSOCIATIONAL YOUTH EVANGELISM CONFERENCE**

Focus - to encourage local ministries in reaching out to youth in their community. Challenging messages presented through speakers, music, and small group study will promote decisions for Christ.

#### **OCTOBER 19, 1991: YOUTH WORKERS CLINIC.**

Focus - to prepare and equip workers for reaching youth.

#### **NOVEMBER 8-9, 1991: FAMILY ISSUES SEMINAR.**

Focus - to assist families of youth in identifying and coping with issues unique to that age group.

More detailed information will be forwarded to associational youth workers prior to these events.

Respectfully submitted,  
Jeff Gardner, Director, Youth

## **Historical Sketches of Mount Zion Churches**

Brief histories of Mount Zion Churches are recorded in the minutes of the years as herewith listed. The association historian suggests that every church in the association have copies of the associational minutes bound every 10 years and keep them in the local church libraries. This will make the minutes of the years available to all the churches, and those bound volumes will grow more valuable with each passing year.

Although our association has had historians almost from the date of its organization, still the clerk was notable to find the history of any church recorded in the minutes until 1921. Just why the sketches of other years were not recorded in the minutes is inexplicable.

At the 1874 session of the association, it was decided to elect a historian annually, the minutes of 1875 record that "The report of the historian was adopted and ordered to be recorded in the 'Book of Records' of the Association." No trace of this book exists. The historical sketches from 1921 are shown in minutes as follows:

|      |       |                                   |
